## PART III—REPORTS OF BOARDS, COMMITTEES, ETC.

### BOARD OF MISSIONS

#### REPORT NO. 1

In the providence of God our Missionary Centenary comes in the midst of this crucial hour in the world's history. It calls on American Methodism to take stock of the past and face its task for the new century. The General Conference has by unanimous vote authorized and provided for a worthy celebration of this great event, and set for the Church the most gigantic task ever yet conceived. At last the Church is called upon to undertake a task worthy of her ability and one that challenges her courage and demands her full strength.

Extensive preparations have been made. A Church-wide organization has been planned, a copy of which is enclosed. Your Conference will be called upon to bear its share in this great campaign. The aims set before us are no less than those of deepening the spiritual life, the enlistment of a million intercessors, the arousing of a sense of stewardship, the creation of the habit of proportionate giving, and the increase of the missionary income for the next five years from \$2,000,000 a year to \$7,000,000 a year, from all sources. The share of the \$35,000,000 allotted to your Conference is \$734,769.73 to be raised in the next five years. Your allotment is figured on the basis of former income, membership and assessment, for the causes included in the Centenary, which are; Foreign Missions, Home Missions, Conference Missions and Church Extension. The \$734,769.73 includes the income each year for the above causes, and also for Woman's Work, Home and Foreign.

We heartily recommend the above for your acceptance and approval. We further recommend that Dr. Ira S. Patterson be recommended by you for appointment as Conference Missionary Secretary for the ensuing year.

#### REPORT NO. 2

The Board of Missions in regular session assembled make the following recommendations for your consideration:

First. That the following named brethren be presented for appointment by the Bishop to Army Y. M. C. A. Work: J. L. Moon, S. F. Stephens, George Mason, O. C. Seevers, and W. G. Fletcher.

Second. That C. H. Summers be recommended for appointment by the Bishop as Conference Missionary, under paragraph 291 Book of Discipline.

Third. That the following resolution, which was adopted by the Board, be endorsed by this Conference.

*"Whereas,* The new financial plan prevents specials until the assessments are paid in full, and our Conference Mission Specials, amounting to more than \$2,000.00, have been thereby lost;

*Resolved,* Therefore, that we urge the Worker's Council of each Sunday School to apply the Missionary collection in the Sunday School, or a large portion thereof, as Conference Mission Special, to make up the amount lost as above stated."

(Signed) I. S. PATTERSON.

THOMAS W. TOMPKIES.

## BOARD OF EDUCATION

We observe with gratitude a growing interest on the part of our people in the cause of Christian education. This interest is indicated by the fact that during the past quadrennium \$8,000,000.00 have been added to the assets of our institutions of learning.

During the years immediately before us there will be unprecedented demands made upon our educational institutions and we must make some adequate effort to meet them creditably.

We rejoice in the continued prosperity of our two connectional institutions of learning, Southern Methodist University in Dallas Texas, and Emory University in Atlanta, Georgia.

We heartily approve of the law passed by the recent General Conference making it obligatory upon our preachers to take their conference course of study through the Correspondence School. This Board proposes to make it possible for the undergraduates in the Florida Conference to take this course by guaranteeing the payment of the tuition fee, whenever it is necessary, and on recommendation of Presiding Elder.

We note with pleasure a considerable increase in the enrollment of students at Southern College. The term began with promise of unusual prosperity. But a storm, a severe epidemic and the demobilization of the Student Army Training Corps have been sources of disappointment. The president and Faculty and Trustees need the most loyal support of all our preachers and laymen in carrying on the burdensome task imposed upon them by these unexpected conditions.

We request the Conference to grant the Chairman of this Board and Treasurer permission to borrow two thousand dollars to meet the pressing needs of the College with the understanding that the money shall be repaid from the funds coming in on the assesment of 1919.

We regret that all of the Districts did not pay their special to the College and we urge the Presiding Elders to use all diligence in securing this fund, until each district shall have paid in full.

We request that the second Sunday in March be designated "Educational Sunday" in the Sunday School and Church Service. We suggest that a suitable program be rendered in the Sunday School and that a sermon on Christian Education be preached and effort made to secure patronage and financial support for Southern College.

We propose the adoption of the following resolution:

*Whereas*, The most glorious peace has dawned after the most terrible of wars, and the Florida Conference has heard with pleasure, through Rev. C. C. Jarrell, D. D., that the North Georgia Conference has by formal action proposed that the beginning of the era of peace be marked by the erection of a great Peace Building on the Campus of our Emory University at Atlanta, Georgia, with Liberty Bonds contributed by the membership of our church in the states east of the Mississippi river, and

*Whereas*, The erection of such a building would appropriately express gratitude to God for the coming of peace and would aid in the preparation of

men for the great work of reconstruction which the years of peace will require; therefore be it

*Resolved*, 1. That the Florida Conference most heartily approves this action of the North Georgia Conference, and in this plan we most cordially concur.

2. That we urge our people throughout the Conference to put their Liberty Bonds into this beautiful expression of both patriotism and religion.

The assessment during the year 1918 has been \$12,500.00 Of this amount \$8,194.22 was paid. Specials from the Districts amounted to \$6,058.13. For the coming year we estimate that the assessment should be \$18,000.00. General assessment, \$5,328.00

We recommend the appointment of Rev. R. H. Alderman as president of Southern College; Rev. W. A. Cooper, Conference Secretary of Education and Rev. H. E. Owen as student in Emory University.

Respectfully submitted,

W. A. COOPER, *Chairman*.

L. D. LOWE, *Secretary*.

## BOARD OF CHURCH EXTENSION

The progress made by the Board of Church Extension during the last four years was greater than in any previous quadrennium in the history of the church. The total income from all sources amounted to \$2,335,144.10, being an increase over the previous quadrennium of \$562,919.24.

As these figures indicate, this is a splendid record. But the present Secretary has set a higher goal and declares that this brilliant record must be surpassed during the present quadrennium. To do this it will be necessary to enlist the full and united interest of the friends of this cause. As this is to be made a part of the great Centenary movement, due emphasis placed upon the Church Extension feature of the movement will serve as a spring board to land us far out in the direction of this goal.

Let Church Extension become a mighty incentive rather than a rider, so that by its own propulsive power it may impart life and energy to the whole movement.

We are glad to report that, for the first time in the history of our Conference Board, we are able to meet every demand made upon this fund for the enlargement of the work.

### SUNDAY SCHOOL BOARD

Your Board is able to report continued progress in the Sunday School Field. In every department there has been decided improvement. In the Elementary Department we report more adequate rooms and equipment in a number of places, in the Wesley Bible Class Department 84 new charters, in the Teacher Training Department 114 students enrolled in 9 classes. In the observance of Children's Day the reports are very creditable, indeed.

Two new features introduced this year were Go-To-Sunday-School-Day in February, and Schools of Methods for Sunday School Workers. The former will be discontinued, the latter should be held next year; and, we ask our Workers to avail themselves of this opportunity to prepare for better service.

The achievements of the past year, as well as the three previous years, have largely been accomplished under the direction and through the efforts of our retiring Field Secretary, Rev. A. H. Cole. He has been earnest, faithful, and devoted to the great cause, instant in season and out of season.

Your Board is convinced that the Field Secretaryship should be continued; and ask your endorsement to the employment of Dr. J. H. Therrell for this work. He comes to us well equipped in every way, with several years' experience in the Field.

Through the generosity of a Christian layman, we are able to secure the services of a Conference Elementary Superintendent—Miss Anna M. Hansen, of Winter Haven, Fla. This gracious offer gives us her services without additional expense to your new Board.

We recommend:

1. Conformity to the Standards for Conference, District and School organization, adopted by the General Sunday School Board.
2. The thorough organization of all schools on the Departmental plan.
3. The organization of Teacher Training Classes.
4. Hearty co-operation with our Field Workers in their efforts to advance the Sunday School work in our Conference.

Respectfully submitted,

F. E. STEINMEYER, *Chairman*.

C. F. BLACKBURN, *Secretary*.

## EPWORTH LEAGUE BOARD

Recognizing the leadership of the ministry and the high regard in which the youth of the Church hold it, it is desirable that the closest possible relation and understanding be kept between the League and the Ministry; youth should not supplant age and the elder leadership should recognize the aspirations and daring faith of youth. It was the *youth* of America that won at Chateau Thierry but under elder leadership.

The new Board purposes to enter heartily into its work. With the new way of Assessments the financial plan of the League is changed; the expense of the Central Office will be met as one of the regular assessments and the same policy calls for a Conference assessment likewise to meet the Conference expenses. The details of which have been agreed upon by the Commission on Finance.

From December 1st to 22nd there is a Christmas Drive to increase membership. Its immediate goal is to secure two new members for every one made vacant by war and the related conditions. Too much attention cannot be given this campaign.

To develop our leaguers and create genuine interest a series of Institutes for each District has been arranged for the month of February. Plans and program have been worked out in detail and Rev. Ralph E. Nollner, Assistant Secretary will be present at each Institute.

Specialized training is every line is a recognized necessity. The Epworth League Summer Assembly at Junaluska provides a school of special training. We recommend that the Board send its President and that each pastor endeavor to get one or more representatives from each charge.

The next State Summer Conference will be at Southern College May 26-29. The idea of self-entertainment and the advantages of entertainment under one roof are recognized as an obvious necessity. We recommend that this be considered a permanent feature in this Conference and that we advise the League Conference to extend its plan to an Assembly of five or more days.

The Anniversary Day on the Second Sunday in May is an opportunity of winning closer co-operation and a spirit of confidence between leaguers and the Church. Every pastor is urged to observe League Day though it should happen that he did not have an organized chapter. Your attention is called to the special offering on this day which is divided between the Central Office and the Conference League Board.

Leaguers are taking the advanced assessment called for by the Centenary Program for work in Africa besides sustaining the work already begun. In addition they are assuming \$100,000 for Paine College at Augusta, Ga. Five Hundred (500) men and women are asked for as the man-power of the Centenary program. These will be recruited through the Epworth League. The greatness of this program will inspire the youth of the Church as nothing else. The task and opportunity of developing this man-power is ours.

J. L. KILGORE, *Chairman.*

GARFIELD EVANS, *Secretary (Pro.tem.)*

## BIBLE BOARD

Your committee is glad to report that this year has been the most active and resultant of all the years in the history of the several Bible Societies of the Christian Churches. To the soldiers in the camps and on the war fronts they have circulated many more Bibles than ever before during a similar period, placing many millions of Bibles, New Testaments, or portions of the Scriptures in the hands of the people. During the last year the Bible or portions thereof were published in about six hundred languages or dialects.

The American Bible Society reaches almost every part of the world, employing about three thousand colporteurs, having printing houses in nine great world centers. For this great work it is largely dependent upon the contributions of the people.

Though not a Methodist institution, it is nevertheless ours, for from it we receive our due proportion of aid.

We regret the necessity of reporting a great apathy among us on this subject, as is indicated by the fact that last year we had eighty-four charges which did not do aught for the cause, while the other ninety-four charges paid \$424.00. Though small it was, we are glad to note that it was considerably in advance of the previous year. While the collections this current year have been still more encouraging, and we are glad to report the amount of \$676.00.

Respectfully submitted,

J. C. JONES, *Chairman*.

F. L. CROWSON, *Secretary*.

## TEMPERANCE AND SOCIAL SERVICE

BRETHREN:—We are glad to report rapid progress in prohibition, both in the Nation and in the State. In the report one year ago there were but 27 dry states, now there are 32; in Florida one year ago there were but 48 dry counties, but on November 5th the State voted dry by a majority of 8,242, and on November 27th the Legislature of Florida ratified the National Prohibition Amendment, being the 15th State to swing into line for National Prohibition.

We desire, therefore, on account of the great work accomplished to commend our two great temperance societies, the Women's Christian Temperance Union, and the Anti-Saloon League of Florida, for the successful issue and the great victory over the liquor forces. Now,

*Whereas*, The advantages to accrue from our new prohibition laws depend upon the proper enforcement of these laws, and

*Whereas*, It is reported that large quantities of liquors are being smuggled into our State from Nassau and from Cuba, and

*Whereas*, On account of our long extended coastline it will be a comparatively easy matter for boats to bring liquors to the three mile limit, and from there to be smuggled into different parts of our State,

*Therefore*, We hereby call upon the Anti-Saloon League of Florida to set in motion, by any and all means at its disposal, plans for such strict law enforcement and other necessary measures as may be needed to prevent the entrance of illicit liquors from other states, and from Nassau and Cuba, and from any other source whatever, into the State of Florida.

Also, the committee recommends the reappointment of C. W. Crooke as Superintendent of the Anti-Saloon League of Florida.

(Signed) G. A. DAVIS, *Chairman*.  
C. W. MATHISON, *Secretary*.

## LAY ACTIVITIES

We are in the beginning of a new era in the life of the world. This is also a new era in the life of the Church. Great opportunities are open to the forces of Christianity that were never open before. The call on the laymen of the Florida Conference to inaugurate a campaign for the enlistment of all the lay forces of the Church in the great Centenary drive to raise our part, \$35,000,000, in the next five years as the contribution of Southern Methodism to the extension of the cause of Christianity over the world.

We recommend that one afternoon and evening period at each subsequent session of the Conference shall be devoted to the laymen's work, and that the most capable laymen of the Conference shall be invited to discuss in these sessions the great opportunities and duties of the laymen of the Church and that the same shall be known as "Laymen's Day" in the program of the Conference.

We recommend and urge that the laymen of the Churches of the Conference shall assume the work of raising all the claims assessed by the Conference and that the entire financial assessment, including these assessments along with the assessments for pastors' salaries, shall be in one budget.

We take it to be a self-evident truth that the business of the Church should be conducted by the business men of the Church, and that our pastors should be reserved and consecrated for the peculiarly pastoral duties that rightly go with their office and character. We deplore the lay idleness and irresponsibility which tends to make mere financial agents of our preachers.

We hereby nominate for election as Conference Lay Leader, A. W. McLeran.

Signed W. O. LEMASTERS, *Chairman Pro Tem.*  
E. C. WILSON, *Secretary.*

## BOARD OF TRUSTEES SOUTHERN COLLEGE

The Board of Trustees of Southern College submit the following report:

With the exception of damages sustained by the storm, which have been partially repaired, the College plant is in fair condition. According to official report the property value is \$157,000.00.

The enrollment this year is 272. The student body is a fine one, and the general health of the same has been excellent. The epidemic of influenza, however, was quite severe.

The revival last spring resulted most graciously. Every student except one absentee was able to speak as a conscious child of God.

### *Financial*

The question of finances is still a difficult one to handle; but a sustained sympathetic interest, and loyal support on the part of our church people will ultimately bring relief, and put the institution upon a smoother sea. At the present time a particular part of the burden could be removed if the balance of the College Special could be raised on those districts that fell short of their apportionment. We would ask and kindly insist that definite action be taken looking to an immediate collection of this balance.

Realizing the great need of ample endowment the Board hereby requests to place an assessment upon the Church of \$18,000.

In view of our continued needs the Board of Education has been asked this Conference to appoint an Endowment Commission and for the same, we recommend the names of Rev. J. B. Mitchell, Rev. J. P. Hilburn, L. W. Duval, L. N. Pipkin, and J. Edgar Wall.

The following are nominated to fill vacancies of the Board of Trustees: Rev. W. F. Dunkle in place of Rev. W. G. Fletcher; Rev. S. A. Wilson, in place of Rev. S. W. Lawler; of E. T. Roux, Jr., in place of J. M. Harvey; G. W. Tedder in place of J. M. Lee; Rev. W. A. Cooper in place of Rev. J. B. Ley; C. T. Curry in place of G. I. Davis; Rev. R. I. Barnett elected to complete the number required on the Board.

J. B. MITCHELL, *Chairman* .  
L. W. MOORE, *Secretary.*

Besides this, the building committee has raised and spent on the new home, \$1,251.37, and has \$370.27 in bank on this fund. The Board owes on the new building enterprises \$2,000.00, which was borrowed and secured by second mortgage, for the purpose of enlarging and fitting the house for occupancy. There is also a balance due on this property of \$2,000.00.

The Conference will note that we have been paying the annual installments and interest on this new property without asking for any increase in assessment or any special campaign for funds. This has been made possible by the use of the land that was bought and the splendid economical management of the superintendent. The superintendent reports:

Progress toward self-support.

Produce from the farm.

Of this 1689 quarts have been canned and preserved. Have raised 200 chickens during year, have three cows, five pigs, and one horse.

*Educational.* The education of children both intellectual and moral has been carefully looked after. All children above six years of age attend public school. Twelve of the older girls are receiving lessons on piano from Miss Geneva Cason, a graduate of the School of Music of Stetson University.

*Religious.* The moral culture and training of the children is a matter of concern, and effort is put forth to train them in habits of honor, honesty, kindness and truthfulness, with emphasis on Christian service.

*Health.* The health of the children has been exceptionally good. Mercifully we escaped the Spanish Influenza.

*The Needs.* The needs of the home are great and the outlook for the future usefulness of the orphanage demands of us an adequate and sustained support. We ask that the people be kept interested by means of gifts and by a fair presentation of the Orphanage cause each Fifth Sunday, in Sunday School and Church.

The Board does not increase the assessment but places it at the same figure as hitherto, \$7,000.00.

Mrs. Hattie G. Brooks has been re-elected superintendent on the same terms as past year, and Miss Geneva Cason as matron.

Very respectfully submitted,

T. GRIFFITH, *President.*

J. LAWTON MOON, *Secretary.*

#### TRUSTEES OF FLORIDA CHRISTIAN ADVOCATE

Our *Advocate* has shared fully in the difficulties that have beset nearly all publications during the past year, with mounting costs and lagging income. Yet, we are hopeful that, through the extraordinary economies practised, we will be able to close the year without debt. With the return of normal conditions in our country, it is believed that it will be possible to do better with the paper than heretofore.

We desire to again express our appreciation of the co-operation given by the Florida Methodist Publishing Company, whose generous dealing has greatly aided the paper in passing through this difficult year; and we commend this organization to the good will and patronage of our preachers and people.

We recommend the reappointment of Rev. J. Edgar Wilson as editor and publishing agent.

We recommend that the *Advocate* assessment for next year be \$2,000.00

We recommend that March be again designated as *Advocate* month, and that during that month special effort be put forth by all our pastors to put the paper into the homes of all our people.

In view of steadily advancing costs, we deem it necessary to slightly reduce the size of the paper, effective January first. It is hoped by this means, if there be no objections from the Government, that the club rates made experimentally last year may be renewed and continued.

The members of this Board were elected four years ago, for a period of four years. This period having expired, we recommend the election of nine Trustees, three for two years, three for three years, and three for four years; and that upon expiration of these terms, successors be elected for terms of four years, upon nomination of this Board and confirmation by the Conference; this Board to have full charge of the publication of the paper, and full authority to do whatever is necessary to this end, as heretofore prescribed.

We nominate the following for election as Trustees of the *Florida Christian Advocate*:

1. For a term of two years, W. M. Poage, J. E. Mickler, L. N. Pipkin.
2. For three years, L. D. Lowe, J. D. Major, W. F. Johnson.
3. For four years, E. C. Calhoun, F. D. Jackson, D. W. Hall.

Inasmuch as the small endowment fund which the paper now possesses has proved of very great value to the paper, we recommend that this fund be built up, by voluntary contributions, to as large an amount as can be conveniently raised.

It is urgently necessary that the circulation of the *Advocate* should be built up until it reaches practically all of our Methodist homes; and we respectfully urge that no effort be spared to accomplish this end.

Respectfully submitted,

S. W. LAWLER, *President of Board.*

L. D. LOWE, *Secretary.*

#### TRUSTEES PREACHERS' RELIEF FUND

Notwithstanding the many hindrances, some progress has been made. The Fort Pierce congregation has set the good example of contributing a Fifty Dollar Liberty Bond to this worthy cause. We trust others will follow. A new home, almost completed, has been secured at Largo, making nine superannuate homes in all in the Conference.

We respectfully request the re-appointment of Rev. B. K. Thrower as agent of the Board for the ensuing Conference year. We nominate Rev. W. C. Norton as a member of this Board, vice Rev. S. Grady, resigned.

### CONFERENCE RELATIONS

We beg to submit the following report:

We recommend for the supernumerary relation, W. F. Allen and D. B. Sweat.

For superannuate relation: T. S. Armstead, J. S. Brooke, J. T. Coleman, J. P. Durrance, H. B. Frazee, E. F. Gates, W. J. Gray, H. S. Miller, F. Pasco, G. P. Penny, S. Scott, W. H. Shoemaker, R. L. Sumner, W. H. Steinmeyer, R. J. Wells, J. L. Yeats.

Respectfully,  
THOS. WILLIAMS, *Chairman.*

### BOOKS AND PERIODICALS

We note with pleasure that there has been quite an increase in sales and profits of the Publishing Houses at Nashville, Dallas and Richmond over the year 1917.

However, it is regrettable to learn that the *Epworth Era*, the *Quarterly*

*Review* and the *Nashville Advocate* have been published at a loss, owing to the lack of patronage. This loss was decreased over a thousand dollars the last year. The *Advocate* is unexcelled; the *Era* is worthy the support of not only the Leaguers, but of the Church at large; while the *Review* should have the support of the laymen as well as the ministry.

The Sunday School literature is indispensable, as well as the missionary literature, for sound educational information, and your committee most heartily commends that issued by our House. We call attention also to the recent books published and recommended by the House, and urge our people to take advantage of special offers that are now being made.

We rejoice in the splendid paper the our editor, Rev. J. Edgar Wilson is furnishing our people, but deplore the small circulation. Instead of less than three thousand we should have a circulation of more than seven thousand copies. We urge activity in this matter.

We commend the publishing company at Lakeland as worthy of your patronage.

We trust that the New Board of Christian Literature will be able to bring a plan of better support to the *Advocate*, and will bring about a larger circulation of Christian Literature, both books and periodicals. We urge every pastor to organize his forces at once for a campaign in behalf of the *Advocate*, not only for the never flagging need of the paper in our homes and work, but especially for the cause of the Centenary.

Signed EDWARD K. DENTON, *Chairman*.

### DISTRICT CONFERENCE RECORDS

We find the following records correctly kept and in good order throughout: Tallahassee, Miami, Ocala, Orlando, Gainesville, and Latin District.

In the Jacksonville District record we find no roll of members, an imperfect record of organization, otherwise neatly kept.

In the Bartow record we would recommend the use of more space in writing up, as it is too much crowded. Otherwise O. K.

The Tampa District record was not presented to the committee.

We commend the use of the loose leaf system, and recommend that the districts not using it arrange to do so when purchasing a new book.

It may not be within the province of your committee, but we would suggest that the old books of record be kept in a safe place for purposes of reference if needed. We believe it would be well if they were placed in the archives of the Annual Conference and in charge of the Annual Conference secretary.

Respectfully submitted,

W. A. FISCHER, *Chairman*,

C. E. GUTTERIDGE, *Secretary*.

### SABBATH OBSERVANCE

For man to attain the highest possible spiritual development he must be obedient to God's law. One of the fundamental principles of moral and physical development is the command, "Remember the Sabbath Day to keep

it holy." Even the very cells of the body are attuned to this law, as evidenced by the fact that when we have been exposed to a malignant disease we look for its appearance on the seventh, fourteenth or twenty-first day. No people are any better spiritually than their observance of the Sabbath. All of our great leaders and generals in time of war have recognized this and have ordered that all activities, as nearly as possible, should desist on the Lord's Day. Too many of our communities have, in disregard of this command, profaned the day with drills, parades and demonstrations given in the name of patriotism.

We urge that all of our Christian workers use every available opportunity to teach the sacredness of the day by precept and example; that we recommend the discontinuance of patronage of Sunday moving pictures, Sunday resort gatherings, and the various other things that detract from the sacredness of the day, including the use of Sunday trains. We need not hope for the Church to make the progress of which she is capable until we thus learn to honor God in the keeping of His commandments.

THOS. W. TOMKIES, *Chairman.*

A. C. MCCALL, *Secretary.*

#### AUDITING COMMITTEE

We, the committee appointed to audit the books of the treasurer of the Joint Board of Finance, beg to advise that we have examined and audited the said books and find them neatly and accurately kept.

We find the balances to the different accounts as follows:

Conference Claimants .....	\$ 2,219.40
Conference Expense Fund .....	21.84
Bishop's Fund .....	436.27
Delegates General Conference .....	132.32
Bible Cause .....	226.92
Superannuate Endowment Fund .....	2.00

These balances are up to the beginning of Conference and do not include the totals paid for the year. We find an item of \$23.68 erroneously charged to Delegates General Conference Fund that should be charged to Conference Expense Fund.

Respectfully submitted,

W N. SHEATS,

T. J. WATKINS,

T. F. ALEXANDER.

That we reiterate our high appreciation of the courtesies extended by the Boards of Trade and other municipal bodies of Bartow and Winter Haven.

Signed E. F. LEY,  
W. J. CARPENTER,  
L. W. MOORE.

## APPRECIATION

Inasmuch as we are informed that the Board of Trade of the neighboring city of Winter Haven has proffered to furnish to the Conference an automobile outing through the beautiful and prosperous country in and around Winter Haven. Therefore be it

*Resolved*, That, whilst owing to press of business, we are unable to accept this splendid courtesy, we, as a Conference do hereby extend our heartfelt thanks and appreciation, assuring the Board of Trade that we are more than ordinarily sensible of their more than ordinary kindness.

C. W. WHITE,  
JOHN A. HENDRY.

## PATRIOTIC CO-OPERATION

In view of the world shortage of food, and the responsibility placed upon the American people, who own seventy per cent of all available food supply, therefore be it

*Resolved*, That the Florida Conference, M. E. Church South, pledge its support to the Government through the food administration and appreciate the opportunity to have a part in bringing food to the unfortunate homes and lands devastated and impoverished by war.

J. R. CASON,

*Whereas*, At the next session of our Conference, our beloved brethren Frederick Pasco, Robt. H. Barnett and Thos. W. Tomkies will have completed their fifty years of unbroken and faithful service in the itinerant ministry and the Florida Conference,

*Resolved*, That they be requested to join in a semi-centennial service and bring to us a message on the opening night of our next session.

 BARTOW, FLORIDA, DECEMBER 4th, 1918, TO THE GEN-  
 ERAL CONFERENCE OF THE METHODIST EPIS-  
 COPAL CHURCH SOUTH, TO MEET  
 IN MAY, 1922

We respectfully request that you strike from the records of the General Conference of 1918, held in the City of Atlanta in May of that year, Report No. 14 of the Committee on Missions, and the Protest offered by Ira S. Paterson, and others, against said action.

This request is based upon the following facts:—viz—

1. That said report was, and is ex-parte.

2. That it impeaches the veracity of our Bishops, and as received by the Conference, constitutes a Charge and Judgment, and is therefore a violation of Methodist procedure, which requires that complaints affecting character or also guarantees to every member of the Church under accusation the *right to* administration of a Bishop, shall go to the Committee on Episcopacy. Which *be heard*. This was denied the Bishops concerned in above action.

## REPORT OF COMMITTEE ON MEMOIRS

It is with gratitude to God that we report that none of our preachers have died during the year. Reverently and tenderly we present sketches of two of the wives of our preachers, Mrs. E. H. Giles and Mrs. J. M. Gross.

H. E. PARTRIDGE, *Chairman*.

E. F. LEY, *Secretary*.

*Mrs. Nellie B. Giles*

Mrs. Nellie B. Giles, the subject of this Memoir was born March the 26th, 1847, in Holly Springs, Miss., and went to her heavenly home from Orlando, Florida, December 26th, 1917. She was the daughter of Rev. John P. Wells, a useful local preacher of our Church. Brother Wells, after moving from Mississippi, settled his family in Hillsborough County, Florida, near the old Pleasant Grove Camp Ground, where Sister Giles as Miss Nellie Wells, spent the delightful years of her girlhood. Here she met Rev. E. H. Giles of precious memory, to whom she was happily married, September 9th, 1873, in Tampa, Florida, while Brother Giles was Presiding Elder of the Tampa District. She was twice born—born of the Spirit and of devout Christian parents. She received from her parents a noble, Christian heritage and when a little girl she honored them and her Saviour by giving herself to our Lord and His service. When she became the wife of a Methodist preacher she gave herself to the onerous and self-sacrificing services of helping her husband in his ministry. Those early days in Florida tried the souls of preachers and their wives, but Sister Giles bore the hardships patiently and made his home life ideal and as his wife and the mother of his children she was worthy of all praise. When financial embarrassment came upon her husband and threatened to drive him from his "loved employ," to prevent it, she offered to sell the property that had been left her by her father. She made no small contribution of love and sacrifice and service to the unusually successful ministry of her husband.

The Lord blessed their home with three little girls, whom she carefully trained for a high type of Christian womanhood, who rise up and "call her blessed." Her useful life ended suddenly, but the coming of the bridegroom brought only peace and gladness. The midnight cry, Christmas Night, behold the bridegroom cometh was succeeded by the dawn of an everlasting day. How joyful the home-coming must have been. More friends and loved ones over there than here to greet her, and above all the joy of hearing the Bridegroom's voice. She lived the allotted time of three score years and ten and left to her two daughters, Mrs. John T. Fuller, of Orlando, and Mrs. Carter, of Arcadia, Florida, and their children, the inspiration of a beautiful life. May they follow as she followed her Saviour.

B. K. THROWER.

*Mrs. Martha V. Gross*

On the morning of March the sixth, in the City of Miami, Florida, in the parsonage of Trinity Methodist Church, of which her husband is pastor, Mrs. Martha V. Gross, the wife of Rev. James M. Gross, D. D., went away to heaven.

Sister Gross had been in failing health for many months, but her departure was not expected at such an early date. Her body lies near the shore of Biscayne Bay, whose blue green waves she loved so much. Her death was nothing short of a triumphal entry into the Holy City. Feeling the end near, she called her daughter and husband to the bedside and calmly discussed such matters as she wished to have arranged. When she had prayed with them, then she kissed her daughter and placed her arms about her neck and bade her good-bye. To her husband, with his arms about his neck she said: "I am going to leave it all to you. You will be brave I know. You have always tried so hard to do good. Going to heaven is not like going to a strange place. I have so many loved ones and friends there. After lying for awhile she looked a final farewell, drew a long breath and was gone.

Sister Gross was a rare sweet Christian, a devoted and helpful wife and step-mother to her husband's three daughters, whom she reared from childhood to sweet and useful womanhood, and best of all, she was a wonderfully capable servant in the Church. For many years she was the Corresponding Secretary of the Woman's Home Mission Society for Oklahoma and Indian Territory. She loved the work and gave herself unrestrictedly to it. Much of the comfort now enjoyed by our pastors in the two conferences of Oklahoma is the direct fruit of her years of toil in parsonage building in the old days when the Woman's Parsonage and Home Mission Society was the "first aid" department of our Church.

While her husband was elected president of Hargrove College she became the college matron, mother of all the girls, and manager of the boarding department. In this place she literally wore herself out in devoted toil. She was a robust woman when she entered the college; she was a wornout and wrecked woman when her failing health compelled Doctor Gross to retire from the college presidency. And, she never became strong again. She gave the Lord and the Church all she had, and she never regretted it or complained about it.

The maiden name of Sister Gross was Blankeny, daughter of B. B. and Mary E. Blankeny, of Des Arc, Arkansas. She graduated from the Arkansas Female College, and became a teacher. She became the wife of Rev. J. M. Gross, at that time Presiding Elder of Oklahoma City District, at Shawnee, Oklahoma, Territory, September 15th, 1898. No children blessed her union, but she utterly devoted herself to the three small and motherless children of her husband. No mother was ever a truer mother than she was to the little girls of her husband. She lived for them, and her Lord. And the girls grew to winsome womanhood, loving her devotedly.

And now the brave, unselfish, devoted, patient spirit is gone. Her friends rejoice in her friendship. Her husband rejoices too, even while stricken and orphaned. There will always be a vacant place here. But the days are kind, they go quickly, soon we shall be with her in the heavenly home.

W. F. DUNKLE.

## Part III—Reports of Boards, Committees, Etc.

### BOARD OF MISSIONS—REPORT NO. 1.

We ask your concurrence in our recommendations to the Bishop presiding that he appoint Rev. Ira S. Patterson, Conference Missionary Secretary, (as provided for in Par. 289 of the Discipline); Rev. C. H. Summers, be appointed Conference Missionary, under the direction of the Board and supported by it (as provided for in Par. 291 of the Discipline); that Rev. J. S. Chapman be appointed Conference Evangelist under the direction of the Board, but not supported by it (as provided for in Par. 286 of the Discipline); that Rev. W. G. Fletcher be appointed to Army Y. M. C. A. work (as provided for in Par. 121 of the Discipline).

We endorse and recommend as Evangelists, (as provided for in Par. 286 of the Discipline) the following local preachers: Rev. John B. Culpepper, Rev. Will H. McLeod, Rev. Frank P. McCall, Rev. Sam A. McCook, Rev. Amandus D. Buck, Rev. T. E. York, and Rev. C. M. Dunaway.

### Report No. 2.

With thanksgiving your Board of Missions reports a year of unparalleled labors and achievements. Our very successes create for us a new responsibility and bring to us a sense of humility and need for a new consecration of prayer life.

There has been a most healthy growth every way in the interest in missions, and a large increase over last year in the amount of money raised for missions, not including the Centenary contributions.

### Conference Missions and Missionaries

For the year 1919, the Board supported fifty-eight (58) Conference Missions, and the number of these for the ensuing year has been increased to sixty-one (61). Thus it will be seen that the demands of the field do not decrease, but increase.

Our missionaries, both the members of the Conference, and the supplies, have labored faithfully, and the result of their labors will be seen in the tabulated reports. These missions and missionaries contributed their full share to the success of the Centenary in all of its phases. The missionaries have been required to make reports quarterly to the Board. These reports have been first sent to the Presiding Elder of the district for his approval, and when approved by him have become the basis for payment of the appropriation to the missionary. This policy has so fully vindicated itself to the Board as to make its continuance permanent. Likewise, it places the missionary on a level with the missionaries on the foreign field. And our faithful Conference missionaries are entitled to as full respect and consideration as any other of our missionaries.

### Conference Missionary Work

During the latter half of the year Rev. C. H. Summers has served as Conference Missionary under the direction of the Board, and supported by it. He has held meetings in a number of the districts. These meetings have been productive of large returns, both in additions to the Church, and in the stimulation of the finances of the missions where the meetings were held. It is the plan of the Board that this work be continued and that through it a number of our "A" grade missions may be brought to self-support this year.

### Revivals

Many of our missions have been blessed the past year with gracious revivals. We urge our missionaries to plan for, and devote themselves to the promotion of a revival, that will reach every church and the last person in their charges. Under Par. 285 of the Discipline, the Board of Missions through its Committee on Evangelism is charged with the responsibility of promoting revival work throughout the Conference. We, therefore, urge not only our missionaries, but all our pastors to devote themselves whole-heartedly to the promotion of a Conference-wide revival.

### The Centenary

The success of the Centenary rises so far above mere human power and skill as to forbid pride or boasting. It calls for humble gratitude, for "God hath done great things for us." And our Conference is not a whit behind any other Conference in its record of Centenary achievements. We went well over our goal in the matter of money; our quota being \$734,7770, and our churches pledging \$814,664; our Epworth Leagues \$11,051, and Sunday schools \$85,000, making a total of \$910,715.

And in other respects the results are seen in the eight thousand six hundred eighty-eight (8,688) Intercessors, and two thousand seven hundred fifteen (2,715) Tithers, who have been enrolled in these departments. Many others have taken up their duty as Tithers, and are exercising their privileges as Intercessors for others before the Throne of Grace.

Much of the credit due for the notable success of the Centenary must be given to our Missionary Secretary, Dr. Ira S. Patterson, Rev. C. H. Summers, Conference Missionary, Rev. R. Ira Barnett, the chairman of the Conference Centenary Commission, Dr. J. H. Therrell, Field Secretary of the Sunday School Board, and the Florida Christian Advocate. Of course nothing notable could have been done without the fullest co-operation of all the presiding elders, pastors and laymen.

The period of Conservation is now upon us. We must not allow the fruit of this enormous enterprise to be wasted. The collections of the pledges must be pressed with the utmost vigor, or else we shall lose enormously. The report of the Conference Centenary Treasurer, Mr. Roger Dodd, up to December 10th, shows the following summary:

	<hr/> \$95,316.54

Eighty per cent of the money returned to the Conference Board from the Centenary has been made subject to appropriation by the Board this year; twenty per cent has been set aside as a reserve fund. It is the plan of the Board that by setting aside each year a part of the moneys derived from the Centenary your Board will accumulate a fund sufficient to enable it to pay our missionaries in advance, and to save interest now being paid on borrowed money.

We would call the attention of the members of the Conference that in addition to the ten per cent returned to us for the Centenary Fund, mission work in Florida will benefit to the amount of over \$30,000 this coming year.

In addition to stressing the payment of Centenary pledges, we urge that emphasis be given to the Life Service and Stewardship campaigns.

## Regular Income

The Centenary must not be allowed to obscure our regular assessments. These are the base line of our finances. The budget plan under which we are working requires the utmost diligence in the making of full collections unless the income to the Board from our regular assessments is to decrease. And any decrease in the income of your Board means a decrease in the amount of salary paid to our faithful missionaries, this must not be allowed to occur.

## New Policies

The Board has undertaken as a fixed policy to divide our Conference Missions into three grades: "A," "B," and "C." In the "A" grade will be placed such missions as can be raised to self-support within a period of three years; in "B" grade such as can be brought to self-support within a period of six years; in "C" grade all others. It is the hope of the Board that many charges may be stimulated and brought to self-support under this new policy, and thereby enable the Board to project new missions.

Henceforth the Board will endeavor to provide a minimum salary of \$1,000 for our Conference Missionaries, who are married, and members of the Conference, and \$600 for unmarried missionaries, who are members of the Conference and without family. It may not be possible in all cases to reach this goal, but the Board fixes this as its policy.

## Finances

The most rigid economy has been exercised in the management of the Board's finances, and yet we have been compelled to borrow heavily each quarter in order to pay our missionaries. These borrowings have required a considerable outlay in interest which might have been avoided if collections on the Conference work budget had

been made early in the year, and the monies promptly sent to the Conference Treasurer. Unless this is done this year, the Board will again have to borrow unless our missionaries are to go without their money for months; and this could only mean suffering for them and their families. We urge therefore, that in the very beginning of the year the assessments for Conference work be taken up, and sent at once to the Conference Treasurer.

We are asking the same assessment for Conference Missions and Board work as last year, but as will be seen, we have largely increased the number of our missions and the sums appropriated to our missionaries. The high cost of living imperatively demands that our missionaries have increased salaries. These can only be paid by a very largely increased percentage being collected on assessments. Whether these men shall receive the sum appropriated will be decided by the pastors in charge this year.

### BOARD OF MISSIONS—REPORT NO. 3

We are glad to again report that our missionaries have been paid in full for the year. This was made possible by the help of payment made by the Centenary.

Although your Board increased the mission charges to fifty-eight, being an increase of six charges over 1918, the interests of the Church have made necessary the establishment of three additional charges for 1920, and also larger appropriations in a number of those already established, amounting to \$5,223 more than was appropriated in 1919.

We present herewith the appropriations as granted for the Mission charges of the Florida Conference for the year 1920.

## BOARD OF EDUCATION—REPORT NO. 1.

We note with pleasure the progress being made by the General Board in preparing for the Educational Drive and pledge ourselves to hearty co-operation with the Educational Commission in working out all details in putting on the great Church-wide Educational Campaign, whereby is to be provided financial assistance for the various schools throughout our connection. We call attention to the fact that not alone in our own Conference, but throughout our connection generally, the increased patronage of our schools is making necessary the expenditure of large sums of money on the part of the various boards conducting these institutions that they may be able to meet the demands for educational advantages.

Your Board has had before it the communications of Dr. Stone-wall Anderson, our Corresponding Secretary, and of Dr. R. H. Bennett, Secretary of Ministerial Supply and Training, the latter of whom we have had the pleasure of hearing. We note the recommendations in the above mentioned communications, and give our hearty endorsement thereto.

We call special attention to the ministerial supply shortage, and urge our people in this hour of our great need to take cognizance of our Lord's injunction and method for meeting this need: "Pray ye, therefore, the Lord, of the harvest that He may send forth laborers into the harvest."

We urge that the Sunday schools observe vocation day; that the pastors preach upon the subject of the call to the ministry in all their congregations and look carefully to directing the young people to lines of special service, viz: the ministry, missionary work, etc.; that the authorities of our colleges and schools give their assistance to the life service campaign; that there be created a fund for the assistance of those consecrating themselves for life service.

This Board in accordance with the suggestion of Dr. Bennett has elected W. A. Cooper, D. D., and L. W. Duval, who, with the Secretary of Education, will compose the Commission of Religious Education.

Dr. R. H. Alderman, President of Southern College, has brought to our attention the very gratifying conditions existing at Southern College in the harmony, personnel and enthusiasm of the faculty and student body of this institution. There has never been a time when

this college has had better prospects for meeting the needs that it is set to supply. The increased patronage, along with the necessary repairs to the plant, made necessary the expenditure of large sums of money to take care of those who desired to attend our College. After these improvements we have been unable to take care of those knocking at our College door. Hence, the necessity of the Board of Trustees making further improvements in the immediate future. This Board pledges its hearty co-operation with the Board of Trustees of Southern College and the special movement on the part of the laymen of the Conference for raising funds to meet these demands.

### Report No. 2.

A visiting committee of three has been provided to visit Southern College during the school term, the same to be appointed by the chairman of this board.

We submit for your confirmation the name of O. O. McCollum, as Trustee for Wesleyan Female College, he having been elected by the trustees of said college.

We also submit for confirmation the name of W. O. Lemasters, of Brooksville, Fla., who has been elected Secretary of Education by this Board.

We call special attention to the report of Bishop W. A. Candler, Chancellor of Emory University, and tender to him our grateful thanks for the great work he is doing in this capacity for the Church.

We invoke the hearty co-operation of the Presiding Elders and pastors with the special movement among our laymen to raise \$50,000 in the next sixty days with which they hope to meet the pressing needs of Southern College at this time, and call your attention to the fact that all moneys so provided will be duly credited on the great educational fund to be raised in the educational drive.

We recommend to the presiding bishop, Dr. R. H. Alderman to be appointed as President of Southern College, and the appointment of E. M. Stanton, Jr., to be Assistant Professor in the College.

L. W. DUVAL, Chairman.

JOHN A. HENDRY, Secretary.

### BOARD OF CHURCH EXTENSION

You will be pleased to learn that the work of the General Board has continued with uninterrupted progress. The increase in the income this year over last was \$144,295.85. The loan fund now amounts to \$1,195,627.64. At the last meeting of the Board applications for loans aggregating more than \$500,000 were sought. Not more than half this amount was available.

Attention is called to the Sunday School Loan Fund obtained through birthday jars in the Sunday schools. This fund is not growing as fast as it might. In our Conference only six schools carried these jars last year. We urge our pastors to bring this matter to the attention of the superintendents in order that this fund may grow to an amount worth while.

The Architectural Secretary, Rev. J. A. Baylor, now has four draughtsmen in his office assisting in the preparation of plans for churches and parsonages. No new church plan ought to be finally adopted by any building committee without his approval.

Since the combining of the assessments in one budget, there will

be a temptation to neglect the preaching on the subject of Church Extension. We urge all our pastors to keep their congregations informed by preaching sermons on the subject, and the distribution of the leaflets gotten out by the parent board.

#### SUNDAY SCHOOL BOARD

We are glad to report continued progress in the work committed to our hands. Every department has shown advancement.

Our total enrollment has increased more than 2800. Sixteen hundred and forty pupils have united with the Church from the Sunday schools. A very successful Wesley Bible Class Federation, on departmental lines, was held in October. Our Sunday schools pledged \$85,642 to the Centenary fund; and have paid 100 cents on the dollar of amount due to date.

The attendance at our Standard Training School for Workers, held at Lake Junaluska, N. C., was larger than in former years; and a number of our workers took the courses of study and received certificates of credit.

In order to insure further advancement we ask your approval of our employment of Dr. J. H. Therrell as Sunday School Field Secretary, and Miss Lola Lawler as Elementary Superintendent for the coming year.

Our plans for next year include a Standard Training School, District Organization, a Wesley Bible Class Federation, observance of Sunday School Day in every school, larger attendance at Junaluska next summer.

We ask the continued co-operation of pastors and superintendents in the efforts of our field workers.

S. W. LAWLER, President.

A. H. COLE, Secretary.

## EPWORTH LEAGUE BOARD

Your Board has found full opportunities for service this year.

The Epworth League Chapters in our Conference now number 156, having 4,837 members.

The forward movement in our church following the impetus of the Centenary campaign has met a ready response from our young people. In every instance its organization was found complete and ready to carry forward the Centenary objectives.

The Life Service Committee of the Centenary has committed to the Epworth League the forming of bands to conserve the interest of young people, who are volunteering for the ministry, and other life-time service. In every church where there are two or more life service volunteers, such bands should be formed. Your attention is called to the fact that these bands are for volunteers irrespective of the organization from which they respond. The part time service will enroll a large number of young people not committed to other service, and most diligent care must be given in seeing to it that proper fields for work be provided for those who may thus offer their time. We must be alert else we will be overwhelmed by the number of those who will be anxious to serve. Part time service enrollment cards will be filed, and kept only in the local church, and the service that such volunteers will render is expected to be within the limits of local opportunities.

For the sake of those who respond to life service places of activity in the local church must be provided. For those who serve in the ministry, and the mission fields, can only hope to continue work already begun. Through organization presented by the Epworth League practical opportunities for service are outlined, and full advantage should be taken of this in permitting young people to assume responsibilities of the church.

In order to make a careful study, and to present the needs of each district, a member of our Board will attend each District Conference assisting in the program on such occasions, and your co-operation is requested in making this work as effective as possible.

Young People's Day, the second Sunday in May is celebrated throughout the Church observing the policies presented through the Epworth League. This should be observed in the morning service in every church, and in those churches where there is no organization a sermon should be preached on the claims of the Church for organized leadership.

Mission study has been fruitful in giving to the Church its prepared leaders.

Tithing as a recognition of our stewardship has enlisted a larger number of our membership than ever before, but less than fifteen per cent of church membership has been enlisted. Most careful direction should be given that every young man and woman be committed to this plan of giving.

The summer conferences which have held a large place in the interest of our young people, have enlarged to the extent that the coming year an assembly of five days will be held at Southern College, at which a program embracing a school of methods and inspirational studies will be carried out.

In providing for the expense of Conference work by an appropriation, the Leagues have responded in a large way by contributing to the claims of the Church. It is our policy in meeting these expenses to avoid expending all the funds appropriated each year, in order that there be cash on hand for the demands at the beginning of the new

year. Epworth Leagues have responded cheerfully in raising their share of the Centenary askings of \$380,000 for work in the Congo, and the building program of Paine College. In addition to this, Florida leads in making possible a building program in the Latin District in West Tampa.

It is the policy of the Board to conserve and strengthen the field of the District Secretary, and to place funds at his disposal for work in the district, rather than to employ a full-time field worker.

We recommend the appointment of Rev. R. E. Smith in place of Leroy Roberts, and Rev. I. W. Longacre in place of Prof. Garfield Evans on the Epworth League Board.

S. A. WILSON, Chairman.

D. D. DIEFFENWIERTH, Secretary.

### BIBLE BOARD

We are glad to report that the past year has been the most active and fruitful of the several Bible Societies of the Christian churches in the good work of placing the written word of God in the hands of individuals, societies, and nations.

The American Bible Society has broken all previous records in printing and circulating the scriptures in whole or in part since its organization, over a hundred years ago. During the past year the Bible and portions of it were published in six hundred and fifty languages and dialects. It employs over three thousand colporteurs to carry this message of light and love to the poor and needy of all nations, having printing houses in nine strategic centers of the world.

It issued the past year, at home, 4,480,058 volumes; abroad, 1,560,649; a total of 6,040,707 volumes.

Since its birth, in 1816, it has issued in the United States 80,962,687 scriptures; in foreign lands, 53,188,943; a total of 134,151,630 volumes.

The annual expenditure of the American Bible Society is \$900,000, with an endowment which brings in about \$85,000 a year.

The Society must have increased gifts from its friends if it is to meet the hunger and need of the world.

We recommend for the purpose of keeping our people educated in the great Bible work that our pastors continue to follow the disciplinary plan of presenting the A. B. S. cause to each congregation once a year and receive free-will offerings for same, and that these funds be sent through the regular course of all the other benevolences.

G. W. STUBBS, Secretary.

### TEMPERANCE AND SOCIAL SERVICE

We beg to call the attention of the Conference to the Social Service Creed of the Churches of Christ in America inserted in paragraph 808 of the Discipline by order of the General Conference.

As an application of the principles of that creed to the conditions that obtain within our state, we recommend that our preachers and members of the Florida Conference shall exert their influence and energies to accomplish:

1. The suppression of every form of gambling;
2. The enactment and enforcement of laws to suppress commercialized vice;
3. The strict and uniform enforcement of the laws protecting the Sabbath from commercial and other forms of desecration;
4. The consecration of the wealth of the State, conservation and development of the children of the State, with respect to their moral welfare, their health and their education. And to this end we will seek to use the material resources and the civil and Christian agencies of the State to the full extent of the need.
5. The enactment of laws to bring effective support and care to all the helpless and dependent in our midst; that is, to the sick, the orphans, the blind, the aged, the feeble-minded, and other unfortunates;
6. The investigation of the problem of juvenile delinquency, and the effort to save these unfortunates through better laws and increased Christian activities;
7. The improvement of the convict system, and the support of every endeavor of the Church and State to reclaim and reform criminals.
8. The endorsement and support of the efforts of the State Board of Health to combat disease; and the enactment and enforcement of laws to bring the whole power of the State to bear upon the solution of this problem;
9. The Social Service Committee requests of the Conference the authority to raise a voluntary collection through the Social Service

committees of the local churches, acting by and with the consent and co-operation of the pastors, for such sum as shall be found necessary to bring the Social Service arm of the church into free and efficient action;

10. We recommend that the committee be authorized to raise in the same way an incidental expense fund, not to exceed \$100.00, for the support of the work of the Social Service Committee of the General Conference.

11. We invite the co-operation of the other churches and Christian bodies in the State in the effort to achieve the ends aimed at in this report.

12. We request that every pastor in the Conference will read paragraph 808 of the Discipline once during the year in every congregation, and will preach a series of sermons on the great moral economic problems of our social life.

We are profoundly thankful to God to realize that our Flag no longer waves over a nation which licenses and protects the infamous traffic in intoxicating liquors.

But with this bright outlook of clean National life there comes a cloud in the sky.

When we ratified the eighteenth amendment there were two things we did not do. We did not kill the thirst of the liquor drinker, and we did not kill the greed of the liquor seller. And these two are getting together in defiance of the law in many parts of our nation and State.

Liquor is made in the home in inaccessible places; stored in basements, and smuggled in from the Bahamas and from Cuba by airplane as well as by boat.

THEREFORE, be it resolved:

That to check these infractions of the law we hereby call upon the Anti-Saloon League, which is the Church in Action, against the beverage liquor traffic, to put forth every effort and to use every means to destroy this illegal traffic.

We pledge our support to the federal officials for the enforcement of constitutional prohibition.

We recommend that our pastors set apart one Sunday's service in the year for preaching on the law and its enforcement.

We recommend that the Bishop be requested to appoint C. W. Crooke as Superintendent of the Anti-Saloon League of Florida, and Rev. Olin Boggess as Field Secretary of the Anti-Saloon League.

W. A. COOPER, Chairman.  
C. W. MATHISON, Secretary.

#### BOARD OF LAY ACTIVITIES

The Board of Lay Activities beg leave to submit the following report:

At the beginning of the Conference year the Centenary campaign was in progress, with our leading laymen taking an active part. The success of this campaign is well known to all. We beg to call the attention to our laymen that the Centenary campaign runs for a period of five years, and to urge that every lay leader enter whole-heartedly into the conservation period and continue in the work until every dollar shall have been collected and remitted to the Conference Centenary Treasurer.

The Board of Lay Activities most heartily commends the work of the Methodist Minute Men and earnestly requests presiding elders, pastors and laymen to make large use of their services not only as speakers, but as active workers of the Church.

We recommend that all-day leaders and Methodist Minute Men co-operate loyally and whole-heartedly with their pastors in evangelistic work.

We commend the efforts to raise an adequate fund for the support of Southern College and we urge all laymen to co-operate.

We urge that laymen relieve their pastors of all financial responsibility in their churches to the end that they may give themselves wholly to the ministry of God's Word.

The time has come for every church to pay every claim in full and more.

We recommend that the assessment plan and the the every-member canvass be carried out in every congregation and that the committee on Lay Activities in each congregation begin at once.

We recommend that laymen continue to secure pledges of Stewardship until all of our laymen tithe both their income and their time.

We further recommend that Church Lay Leaders endeavor to enlist all laymen in their churches in reading the Bible every day and in intercession of the work of the Church.

We appreciate the long faithful services rendered by Bro. A. W. McLeran. Upon his nomination, Bro. L. P. McCord, of Jacksonville, is recommended for election to succeed him as Conference Lay Leader.

H. W. PURVIS, Secretary.

### TRUSTEES SOUTHERN COLLEGE

We are indeed gratified for the many encouraging evidences of growth in our educational work. Not only are we able to report a large attendance, but an excellent class of students, and a fine spirit prevailing throughout the institution.

Our growth is our embarrassment at the present time. Our dormitories are filled to their present capacity, and students have been turned away. The Board is trying to provide additional equipment to take care of the needs.

We call attention to the number and splendid record of the graduates of the College in every walk of life. This is especially true of those who have entered the ministry. The conference is receiving a splendid dividend for every dollar put into educational work.

We have a splendid plant in excellent condition, but there is need of additional buildings and equipment. We are looking forward to, and planning for, the educational campaign which is to occupy the last two years of the present quadrennium to give us not only the money needed for buildings and equipment, but an endowment which will give us the necessary money for operating expenses. Your co-operation in this movement is absolutely necessary to make this campaign a success.

The most encouraging feature of our work is the interest the laymen are taking in the college. The laymen's movement for Southern College is the dawn of a new day in our educational work.

The Board has secured the services of one of our most successful and prominent laymen to act as treasurer. A detailed financial state-

ment is being prepared and will be placed in the hands of each member of the conference in a short time.

The necessary improvements and the deficit on running expenses due to the small attendance and high prices, has increased our financial burden, but the laymen are planning to take care of this. It is costing us twice as much to run the college as it did a few years ago, and the increase in income has been very small. An endowment is necessary to make possible the work which we are called upon to do for the Church. The Board of Trustees is thoroughly in sympathy with the Board of Education in their plans for the educational campaign, and urges a Conference-wide co-operation. In order that there might be a closer co-operation between the two boards we suggest that the Board of Education appoint a visiting committee from their body to visit the college annually and advise with the trustees as to ways and means of advancing our educational work. We urge the presiding elders and the members of the conference to visit the College.

We appreciate the fact that during the year two more of the districts—Bartow and Orlando—paid out their educational special, and urge those districts which have not, to do at once. There is still a balance due on this special of over \$3,000. This paid would help us meet pressing obligations.

We urge that there be no curtailment in the educational assessment—rather an increase if possible. This is our only source of income to take care of the increased cost of operating expenses.

We regret that other conference duties necessitated the resignation of Revs. J. B. Mitchell and W. F. Dunkle. We nominate Revs. S. W. Walker and Rev. L. M. Broyles to fill these vacancies.

In conclusion, brethren, we ask your prayers and sympathy. We are doing the best we can with our limited means to build a great institution that will conserve every interest of the Church.

J. E. WALL, Chairman.

L. W. MOORE, Secretary.

#### ORPHANAGE BOARD—REPORT NO. 1

The Orphanage Board respectfully asks the Conference to take the following action:

1. Instruct the Conference Commission on Finance to recommend an assessment of \$10,000 to be distributed among the districts as are the other assessments.
2. Request District Stewards to lay the orphanage assessment upon the charges as a separate item from the Conference work budget.
3. Instruct the Conference Treasurer to receive and handle the orphanage money as a separate item.

#### Report No. 2

There are some things we note with great regret and sincere sorrow, and others calling for grateful thanksgiving and joyful hearts.

The Orphanage lost the services of a truly consecrated friend in the sickness and permanent disability of the President of the Board, Rev. T. Griffith, and suffered a most grievous calamity in the death of Rev. J. Lawton Moon in his country's service.

The Orphanage, however, has had a successful year, notwithstanding the continued high cost of maintenance and the children,—

your children,—are in good health and as happy as a family of forty-four can be.

There has been no serious illness among them, though two severe accidents occurred, one a boy, who recovered, and a girl, who accidentally burned her face and body, but is reovering nicely. We are very fortunate in having a superintendent who is not only capable as a manager, tender as a mother, but skillful as a nurse in first aid requirements, being the widow of a physician, and she is invaluable in case of sickness or accident.

In her report to the Board she attributes the remarkable health of the children to the frequent use of the large bathing pool recently built in the grove of trees near to the ever-flowing sulphur spring, and to the constant supervision of the teeth by a competent dentist of DeLand, who gives his valuable service free of charge.

The religious and educational condition of the children is carefully looked after, all of them attending the Sunday school and church services, and the larger ones the mid-week prayer services. All are members of the Epworth League, and give attention to systematic Bible study each Sunday evening.

The county of Volusia has provided a good school building and the course of study includes the twelfth grade, with commendable progress on the part of the children.

Considerable work has been done on the new home during the year, though it is still in an unfinished condition. The droughth of last summer interfered sadly with profitable working of the farm, but it is remarkable what has been accomplished by the boys.

While the Orphanage can get along in a hand-to-mouth sort of way by the methods in use and can hold its own with an appropriation proportionate to the H. C. of L., if we really propose to build a sure-enough Florida Orphanage, a much larger investment must be made.

#### Recommendations

1. That each fifth Sunday be observed as Orphanage Day, and that the pastors and Sunday school superintendents be requested to present claims of the Orphanage, and that collections be raised on the Orphanage assessment by free-will offerings from both Sunday schools and congregations.

2. That vacancies in the Board of Trustees be filled as follows: Rev. Fred Pixton and Rev. G. H. York, clerical; W. H. Cassidy, Judge J. L. McCrory, J. W. Tucker, A. B. Curry, and H. B. Carter, laymen.

3. That Brother C. Brinkley and Miss Emma Tucker be authorized to raise funds for a boys' dormitory, and that the pastors be asked to open their churches for this purpose.

4. That the services of Mrs. Brooks, Superintendent, be retained, and that a suitable man be secured to assist in managing the farm.

### TRUSTEES FLORIDA CHRISTIAN ADVOCATE

We are glad to report that the present year has been the best the Advocate has known. As a result of the Centenary movement, a larger number of the preachers have made systematic effort to circulate the paper than ever before. The result is that our subscription list is now in excess of four thousand which is, we imagine, the largest list of yearly subscriptions the paper has ever had.

Encouraged by this success we should now go forward to greater things, putting the Advocate into all our homes. This would mean a circulation of ten thousand.

Our Advocate bore a notable part in the great Centenary Campaign, and contributed largely to its success. It thus demonstrated, in a very striking way, its value to our Conference as an organ of publicity and education. Given the circulation it should have, it will be immensely helpful in promoting every interest of the Conference, and of the Kingdom of God generally.

We desire again to express our appreciation of the splendid co-operation given us by the Florida Methodist Publishing Company, whereby the publication of the Advocate has been greatly facilitated. Having recently added largely to its plant and equipment, we anticipate even greater service in the future. We commend this company to the good will and patronage of our preachers and people.

We recommend the re-appointment of Rev. J. Edgar Wilson as Editor and Publishing Agent, and the appointment of Rev. D. B. Sweat, Assistant Editor.

In view of the necessity of adding another man to the Advocate staff, and of the steady increase in the costs of publishing, we urgently request that the Advocate assessment for the coming year be \$3,000.

We recommend that March be again designated as Advocate month, and that during that month special effort be put forth by all our pastors to put the paper into the homes of all of our people.

Inasmuch as the small endowment fund which the paper now possesses has proved of very great value to the paper, we recommend that this fund be built up by voluntary contributions, to as large an amount as can be conveniently raised.

We trust that the days of our paper's pilgrimage and struggle for life are now past, and that henceforth its career will be more serene and secure. Our pastors have demonstrated that the paper can be circulated. The paper itself has demonstrated that, if circulated, it will be a means of grace to the individual, and a helper to every church interest. Now let us put it into the homes of all our people.

W. M. POAGE, Chairman.

L. D. LOWE, Secretary.

## CHRISTIAN LITERATURE

Your Board of Christian Literature has carefully considered all matters referred to us.

We would call the attention of our people to the great possibilities for advancing God's Kingdom in a more extensive use of our publications. We note there is only a small increase in the sales of the publications of our Publishing House. These sales ought to have been much larger.

We are sorry to note that the circulation of that excellent paper, the Nashville Christian Advocate, remains so small that it is still published at a loss. We also find the same thing true with the Quarterly Review and the Epworth Era. These are all worthy publications furnishing valuable help to our people in developing Christian life and character. We most heartily recommend them.

We are much pleased to note the improvements made in our Sunday school literature. It ranks with the very best and we urge that it be used by all our Sunday schools.

We call attention to the many good and important books published by our Publishing House and urge a more general use of them by our people.

We would respectfully urge our pastors to do all in their power to increase the circulation of our literature by putting in operation, as far as possible, the plan laid down in the Discipline.

We most heartily recommend the Florida Christian Advocate to all our people. We are pleased to note that it has been improved. It is indispensable to our work and we urge our pastors to use every effort for its increased circulation.

W. M. POAGE, Chairman.

C. A. SAUNDERS, Secretary.

### DISTRICT CONFERENCE RECORDS

The record book of every district was presented and is very neatly kept. We wish to commend the loose-leaf records with bindings that lock as used by the Bartow, Gainesville, Jacksonville and Ocala Districts.

We commend the good appearance of the Tallahassee District, but recommend that the loose leaves be reinforced to prevent loss of records.

We note with much concern that only one district, the Miami, has made record of the actions of the Licensing Committee's work after the adjourning of the District Conference.

O. E. RICE, Chairman.

A. C. McCALL, Secretary.

### SABBATH OBSERVANCE

The test of any civilization is found in man's attitude toward its most sacred institutions. No man or nation may ignore or violate these with impunity. Chiefest of these institutions is the Sabbath. We deplore the Sabbath breaking tendency of our complex modern life. "Remember the Sabbath day to keep it holy" is one of God's commands just as truly as is: "Thou shalt have no other God's before me." Yet, all around us the holy day of the Lord is being desecrated by buying, selling, picnicing and general pleasure-seeking.

On the statute books of our own fair state the following laws appear: Chapter 3565, Act of 1903, "Whoever follows any pursuit, busi-

ness or trade on Sunday, either by manual labor or with animal or mechanical power, except the work be of necessity, shall be punished by fine not exceeding fifty dollars." In chapter 3567, Act of 1832, it further says, "Whoever employs his apprentice or servant in labor or other business on Sunday, except it be in the ordinary household business of daily necessity, or other work of necessity or charity, shall be punished by a fine not exceeding ten dollars for every such offence."

From existing facts, we are aware that the above laws of our State are not being enforced, and that punishments necessary to make them effective are too small to preserve the dignity of the law. We, therefore, request action of this body that our senators and representatives of the State Legislature be requested to enact such legislation as will increase the effectiveness of these laws, and make it the duty of our court officials to respect and enforce these existing laws.

We further request that a stronger and more insistent note be sounded on the very spirit and inner meaning of the Sabbath. May not our pastors be urged to set themselves steadfastly to the task of educating and informing our people in the fundamental virtue of reverence for God's holy day? Once the proper attitude is secured and the conscience trained, the question of what not to do and where not to go will, automatically, be answered.

As in many other problems here, also, the home is basic. God intended the family as the unit of society, and the home as the sacred center of morality. Placing the Sabbath as the first institution, He set the home as second and corollary of the first. Our modern home, without family altars and with divided interests and with individual members of the family living tangential lives which do not rotate about any sacred center, must be reorganized and reconstructed,—family religion must be revived and the Sabbath conserved.

Let us return to the old paths remembering the great prophets ultimatum: "If thou turn away thy foot from the Sabbath from doing thy pleasure on my holy day; and call the Sabbath a delight, the holy of the Lord Honorable; and shalt honor Him, not doing thine own ways, not finding thine own pleasure, not speaking thine own words: Then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob, thy Father; for the mouth of the Lord has spoken it." Isa. 58:13-41.

H. E. CARLTON, Chairman.

MRS. G. A. EVANS, Secretary.

## Resolutions

### THANKS

Resolved, That the thanks of this Conference are due, and are hereby tendered to the citizens of Lakeland for their generous and cordial hospitality, to sister churches for courtesies bestowed, to the pastor of First Church, Lakeland, and his associates, and to all others who have aided in making this one of the most pleasant and profitable sessions of the Florida Conference. We would especially mention the Peninsular Telephone Company, Burrough's Adding Machine Company, McKay Furniture Company, and the local press for fine reports of the Conference.

Resolved, That as members of the Conference we appreciate the presence of Mrs. Warren A. Candler, and extend to her a cordial invitation to visit the Conference at its next session, in company with the Bishop.

EDWARD F. LEY.

FINLEY J. PATTERSON.

### THE PEACE TREATY

Whereas, The Senate of the United States has given much time to the consideration of a Treaty of Peace prepared by the Honorable Woodrow Wilson, President of the United States, and submitted to Congress for adoption; and

Whereas, the unsettled conditions of our own nation, as well as the nations of the world in general, are due in a measure to the lack of the adoption of a Treaty of Peace by our Government; and

Whereas, The text of the Treaty submitted by Mr. Wilson is as nearly complete and satisfactory as any that we believe is possible at this time, therefore be it

Resolved, That this Conference, representing a constituency of forty thousand citizens of our commonwealth, respectfully, but urgently request the Senate of the United States to adopt as nearly as possible the Peace Treaty submitted by President Wilson, without material amendments or reservations.

Resolved, That the Secretary of this Conference be requested to wire a copy of these resolutions immediately to President Woodrow Wilson, and the Hon. Thomas R. Marshall, President of the United States Senate; and that the secreary wire Senators Fletcher and Trammell.

### COMMITTEE ON TRANSPORTATION

Your committee appointed by the last Annual Conference to take steps looking to a plan of equalizing the traveling expenses of delegates in the attendance on the sessions of the Conference met in the pastor's study of First Church, Tampa, October 2nd.

After careful consideration of the interest submitted to us we desire to report the following recommendations to this body:

1. That the members of the Conference, and all members of the Conference Boards, shall be divided into two sections—clerical and lay. That their traveling expenses be estimated on the following basis:

(a) That the traveling expenses of all clerical members of the Conference shall be estimated on the basis of clerical mileage then in force, from the place of residence to the seat of Conference and return.

(b) That the expenses of the superannuated preachers be included in the estimate made, but that the whole of their expenses be refunded.

2. That the transportation expenses of the lay members of the Conference and members of the Conference Boards be estimated on the basis of three cents per mile from the place of residence and the seat of the Conference and the return.

4. That a Secretary and Treasurer be elected by the Annual Conference for each section to hold office four years. That the said secretary and treasurer make estimate of expenses and settlement according to this plan.

5. That any question in dispute be settled by a *vive voce* vote of the section voting, viz: if clerical by the clerical vote; if laymen by the vote of laymen.

IRA S. PATTERSON, Chairman.  
EDW. F. LEY, Secretary.  
W. A. MYRES.

**ENDORISING THE LAYMEN**

This Conference notes with pleasure the determination of the laymen of Florida to place our Conference college upon a basis where it can do the work we have long wished for; therefore be it

Resolved, That the pastors of the Florida Annual Conference pledge our loyal support to our lay brethren in their laudable undertaking, and that on the first Sunday in January, or as near that date as possible, will preach on Christian education and the work of Southern College.

JOHN A. HENDRY.  
S. W. LAWLER.  
T. J. NIXON.  
G. S. ROBERTS.

**ENTERTAINMENT**

Whereas, the matter of Conference entertainment has reached that period when in all probability other arrangements will have to be made; therefore

Resolved, That a Commission consisting of five members of this body, three ministers and two laymen be appointed by the chair, who shall take this entire question under advisement and report a feasible and workable plan at the next session of this Conference.

**ORPHANAGE FUND**

Whereas, some confusion has arisen during the year in the raising and distribution of funds for our orphanage, and some charges have transmitted monies directly to the Treasurer of the Orphanage, and thereby deprived themselves of credit for the same on their Conference work budget unless some order of the Conference provides for a correction of this confusion; therefore be it resolved:

First. That receipts of money paid to the Treasurer of the Orphanage Board by any charge be accepted by the Conference Treasurer in settlement with that charge, as the equivalent of cash.

Second. That the Conference Treasurer in settling with the Orphanage Board credit himself with these receipts as a cash item.

C. H. SUMMERS.  
B. D. BOURN.  
W. H. FUNK.  
JESSE J. JONES.  
I. C. JENKINS.

**A PROTEST**

We, the undersigned members of the Florida Annual Conference, respectfully dissent from the action taken by the Conference on the morning of December 10th, in regard to the Peace Treaty and League of Nations covenant on the ground that no resolution of an exclusively political character should have any place in the proceedings of a Methodist Annual Conference.

And we request that our dissent become a part of the records of the Conference.

#### STATISTICAL WORK

We recommend that each Presiding Elder appoint early in the year one Statistical Secretary from his District. Said Secretary to be supplied in advance of the setting of the Annual Conference with the necessary report blanks for their respective districts.

## Part IV—Memoirs

### Eugene Amelius Harrison

Was born in Macon, Georgia, November 2, 1850, the son of Mr. and Mrs. William B. Harrison.

He was converted and joined the Church in early life, and at the age of seventeen he entered Emory College, Oxford, Georgia, where with his literary course, he received theological instruction.

For several years after leaving school he served as engineer on the Georgia Central Railroad.

Later he taught school at Darien and St. Marys, Georgia, and in 1882 came to Florida, having married Miss Margery Elizabeth King of St. Marys, July 16, 1881.

Settling in Lecanto, Citrus county, he gave his entire time to teaching and educational work in general, until 1884. For this work he had great fondness, and for which he was well fitted.

In 1884 he was licensed to preach by a Quarterly Conference, Rev. Thos. W. Tomkies presiding.

For twelve years he was superintendent of public schools of Citrus county, but serving as a local preacher, he filled some pulpit each Sunday where his congregation heard the pure gospel of Jesus Christ.

During these years he received no pecuniary compensation for his work as a minister, and on one occasion when handed a check from mission funds, returned it saying that he had other financial resources and was doing the work because he loved it.

In 1897 he entered the itinerancy in Florida, where he did twenty-two years of active service, filling a number of our important charges.

In 1914 he was located at his own request, and for two years was principal of Davidson Street Grammar School, Key West.

His last charge was Lemon City where he was doing an excellent work when he heard the voice of his Lord calling him to higher service.

As an expression of the appreciation of his services by his brethren, his expenses were paid by them to the Centenary celebration in Columbus, Ohio, last summer, and while there he was elected chairman of the Florida delegation.

With one exception, since 1904, he and his companion spent Christmas with daughters in Key West. Holding watch-night services there, large numbers were always present, who greatly enjoyed his excellent talks on such occasions.

His last words were, "Bless the Lord oh my soul, and all that is within me bless his holy name."

Accompanied by the members of his family the remains were carried to Key West and placed in the soil he loved so well, and where the murmuring tides sing a requiem to his pathetic dust. Funeral services were conducted from First Church by his presiding elder, Rev. M. H. Norton, assisted by resident pastors.

He left to mourn their loss, his life companion, and two daughters, Mrs. Lorena H. Sanderson and Mrs. Minnie Robinson, all of whom live in Key West. They have the sympathy and love of the Florida Conference.

EDWARD F. LEY.

## J. Lawton Moon

The death of Rev. John Lawton Moon, which occurred at Cherbourg, France, Feb. 22, 1919, was shocking beyond all exaggeration and produced the profoundest sorrow in the hearts of his many friends. Cut off as he was in the prime of life and in the midst of almost unprecedented usefulness is one of the insoluble mysteries of this life. We are comforted, however, that by his translation to the heavenly world our heavenly Father has made no mistake and that if he could speak to us before the throne he would not choose to have it otherwise.

He was born Nov. 21st, 1879, at Certersville, Ga., and was "born again" when a little boy eight years old and then gave his life to the Church. From his father, Rev. J. L. Moon, at one time a member of the North Georgia Conference and later of the Florida Conference, and his devoted Christian mother, Elizabeth Thomas Moon, he received the splendid qualities that helped to make him wise and good. He graduated with highest honors from Emory College, Oxford, Ga., in the class of 1903, numbering forty-five. It was during his college course that he had his heavenly vision and was not disobedient to it, and henceforth sought to prepare himself for the great work of the Christian ministry. He spent six months as a missionary at Santiago, Cuba, and in December 1904, he joined the Florida Conference. His first appointment was as City Missionary in Jacksonville, Fla. Here he was happily married to Miss Carrie Lewis Chappell, Dec. 6th, 1906, in Riverside Methodist Church, Rev. R. H. Barnett, officiating.

The results of his six years pastorate in Jacksonville were extraordinary not to say phenomenal. Souls were converted and added to the Church in considerable numbers, and besides he built our Springfield Church, the Phoenix Park Church and King's Road Church, a chapel near the A. C. L. shops, and he also secured the present lot for the Wesley Memorial Church. Two of his six years were given as pastor at St. Matthews, a difficult field, yet the Lord's work prospered in his hands.

His next appointment was at Fort Meade where he remained four years. He did all the work of a Methodist preacher, his membership grew in numbers and spirituality and the fine new church was built and dedicated under his remarkably fine work. Then he had two good years at Clearwater, followed by two good years as pastor-professor at Sutherland, where he conducted a great revival, doing all the preaching himself. The college and community were blessed in an uncommon degree. His last pastorate was at Bradentown which promised to be the best of his life. He conducted his own revival services at Bradentown and quite wore himself out in the excessive labors as pastor and in patriotic services in the various war drives.

Early in the year he felt called to Y. M. C. A. work overseas, but because of the illness of his little boy he was prevented from offering his services at that time. In the fall of the year the call was renewed and as he realized the great perils that threatened our boys over there during the period of demobilization and reconstruction, he offered his services and was accepted. His ministry was not merely professional. His soul burned with divine ardor, and, while on the high seas, though a stranger, he won all hearts by his uniform courtesy and thoughtful consideration for the happiness of others, impressing his associates with the fact that he was a follower of the Lamb and a worthy representative of the high calling to which he had dedicated his life. He conducted several inspiring and helpful services aboard the ship and had accepted an invitation to preach the

day after his death, expressing his pleasure at the prospect of preaching the blessed gospel. It was at his suggestion that evening prayers were held on the voyage across the sea. As they neared the shores of France, he stood upon the deck enjoying with his friends the view of the harbor. He then descended to the lower deck and was reminded by the steward that his bath that he had ordered was ready. A few minutes later in response to his call for assistance, it was found that he was very ill. He was helped to his state-room and two physicians who were aboard the ship were summoned, but in spite of all that medical skill could do, he rapidly grew worse, and the end came peacefully and without suffering at 8:20 p. m. The immediate cause of his death was cerebral hemorrhage and acute dilation of heart. In a letter to Mrs. Moon, from Rev. J. L. Keedy, the following facts are given regarding his burial: "When we landed at Havre, two Y. M. C. A. Secretaries met us and after they learned the sad news, they informed Major Hunter, senior chaplain for that district. He arranged for the care and burial of the body. I conducted the services, and the six men of our party who acted as pallbearers were all Masons and some Methodists. The body was taken from the ship Monday, Feb. 24th, at ten a. m., the members of the party assisting the chaplain, all being devout and reverent; at 11:30 we left Y. M. C. A. headquarters, and at 1:30 we proceeded to St. Maria cemetery at Le Havre. There we were joined by a squad of American soldiers. They led the way; the chaplain and I followed; then came three Y. M. C. A. Secretaries stationed at Le Havre; then the body of your dear husband with casket draped with the National colors borne upon the shoulders of the six members of our ship's party. When we reached the grave the body was lowered; I read the burial service, slowly and tenderly, committing the body to earth and commending the soul to the good Father whose servant your husband was. Then the squad of soldiers fired three volleys across the grave, the bugler stepped forth and the splendid tones of the bugle rang out in final taps for an eternal rest. That concluded the services but we tarried at the grave for some time and some of the men took pictures which will be forwarded to you."

Our beloved brother was ideal in all the relations of life. As a son he was obedient, loving, and at all times considerate of the happiness of his parents. As a husband and father he was worthy of all praise. His sorrowing wife, who now rejoices that she was always in sympathy with him in all his work, writes: "He was always a most lovable and enjoyable companion, so true, so tender and thoughtful of me, and a most devoted father. His little son, Lawton, says, 'I am sure when Jesus comes he will bring Daddy with him.'"

Now without making any invidious comparisons I desire to record that there was no man among us more useful or more promising. He was in easy reach of the first appointments and the most responsible positions. He was a princely man in the Heavenly Kingdom. By his domestic fidelity, his clean living, his arduous labors, his devotion to the highest ideals and his pre-eminent usefulness he endeared himself to the brethren and now by our love for him we are resolved that his memory shall never perish among us.

B. K. THROWER.

Rev. Mahlon H. Outland

Rev. Mahlon H. Outland, son of David and Marguerite Outland, of North Hampton County, N. C., was born July 21, 1866; was converted and joined the Church at the age of twelve years, came to

Florida in 1890, was licensed to preach and admitted on trial into the Conference in 1892.

For twenty-seven years Brother Outland served the Church as a members of the Florida Conference, and honored God in an unselfish service.

His religious experience was a safe guide to his conduct, and his love for his work and his brethren, commanded their love and esteem. His faith was that of full assurance, and he was always submissive to the divine will.

Last Conference Brother Outland received an appointment from Bishop Candler at Bartow, and was serving the Columbia Circuit. He had not much more than entered fully upon his work, when through an explosion of a gasoline tank, the flames were inhaled and death followed.

But we know where he is; and his beautiful Christian life will be an inspiration to his brethren, who will meet him by and by. To his bereaved companion and children we offer sincere sympathy, and assure them of our prayers, and abiding interest.

#### Rev. Frederick Pasco, D. D.

Dr. Pasco was born in Charlottown, Prince Edward Island, May 4, 1844, his parents being John Pasco and Amelia Nash, formerly of England.

In his boyhood days his parents moved to this country and located at Cambridge, Mass., where Frederick the boy and young man, graduated from Harvard in the class of 1865.

For a few years after his graduation he lived in the west, but came to Florida at the time of the marriage of his brother, the late Hon. Samuel Pasco, formerly a United States Senator from Florida.

A little later he was married to Miss Maria Catherine Doggett of Jacksonville, who in 1874 or 1875 passed into the spirit world.

This union was blessed with three children, Frederick Leike of Boston, Samuel Nash of New York City, and Sidney Doggett, who died in infancy.

As an educator he stood among the leaders of our State, having been principal of Duval High School, and for several years superintendent of the schools of Duval county; professor of the East Florida Seminary and for several years superintended the Government school for the deaf and dumb in St. Augustine. However, along with his educational work where he had a splendid influence over the young manhood of our State, he remained in the active ranks of his Conference, and did much preaching for his brethren.

But his main work was that of the ministry and in this ministry of more than fifty years, he filled many of the most responsible charges of the Conference, and his name is held in grateful remembrance by the thousands of brethren whom he served. And whether as presiding elder or pastor or teacher he was always faithful to his high trust and loyal to his brethren. The records show that Dr. Pasco was secretary of the Florida Conference for forty-five years, and he did his work well.

In his going, he left only his two sons, Frederick and Samuel, of his immediate family, but these worthy sons will be remembered by the brethren of their ascended father.

The writer of this obituary is almost doing violence to the many

times expressed wishes of our friend and brother who has gone from us, as he often expressed a preference for but few words in telling of his work.

Dr. Pasco has gone and we will miss him when we come together in the sessions of our Annual Conference, but we will meet him by and by where separations are not known.

That which is mortal rests in the Old City Cemetery, Jacksonville, by the side of the dust of his companion, who had preceded him so many years to the home above. But his choice spirit has gone home to God who gave it.

EDWARD F. LEY.

**Rev. and Mrs. William H. Steinmeyer**

Not before this has the Committee on Memoirs been called on to present a paper in the memorial service with the name of a pastor and his companion connected. In life they were of the same spirit, and in death they are not divided.

Rev. William H. Steinmeyer was born in Charleston, South Carolina, Sept. 30, 1843, and received his education at the Citadel Academy, of his native city.

He was converted in early manhood and served in the Confederate Army, where he displayed the same courage and loyalty that he did in after years in the itinerant ministry.

He was happily married to Miss Susan Erma Bradford, of Sumter, South Carolina, January 10, 1866.

Brother Steinmeyer came to Florida in 1880, and having been licensed to preach, and serving as a supply for a little more than a year, was admitted on trial in the traveling connection at the Conference that met in Monticello, January 1882.

He served faithfully many of the charges of the Florida Conference, and was always a true minister of the Lord Jesus Christ. He was always true and loyal to his brethren, and endeared himself to all of them. In many instances it was clearly seen that he preferred others to himself.

For a number of years he was trustee of Florida Conference College and did excellent work.

Not eloquent, but always thoughtful and forceful in his preaching, he delivered a message that carried conviction and gave inspiration to a better life. His sincere and unselfish love for his people, always gave him access to their hearts and homes.

On account of failing health, he was granted a superannuate relation to the Conference a few years ago, after an active and successful ministry for more than thirty years. And after his superannuation he labored faithfully for the Master as his health and opportunities permitted. His last charge was Dixieland and Myrtle Street, and in this charge there are many to stand up and bless his memory.

Mrs. William H. Steinmeyer, was born in Sumter, South Carolina, May 30, 1843, and joined the Church at the age of thirteen. Her marriage to Rev. W. H. Steinmeyer was blessed with the motherhood of eight children, one of whom died in infancy. Another son died in Jacksonville a few months ago. Three sons and three daughters are now living: Rev. F. E. Steinmeyer, of Live Oak; Leon, of DeLand; Harry who is living in Georgia; Mrs. L. M. Clough, of Lakeland; Mrs. Don McDonald of Lakeland, and Mrs. H. B. McCall of Oviedo, Fla.

Sister Steinmeyer spent her life in noble service for her family and the Church. In the charges served by her ascended companion,

she was faithful to every trust reposed in her, and those whom she served loved her for her own, and her work's sake.

She was a devoted mother, always tender and patient in her dealings with her children, and always setting an example before them that was worthy of their emulation. Her gentle disposition, patience and resignation in her suffering, commended to all the religion that she possessed. As one has said, "The expression of her countenance reflected the joy and light of her inner life." After a lingering illness she passed away from the home of her daughter in Lakeland, January 3, 1919, preceding her husband only a few months. The dear ones who are left may walk in the footsteps of father and mother, and meet them again in the upper and better world.

EDWARD F. LEY.

#### Mrs. Rosetta Scott

Mrs. Rosetta Scott, widow of Rev. Wm. Scott, formerly a member of our Conference, died at the home of her brother in Mountain Grove, Mo., November 21, 1919, at the age of seventy-eight.

While they lived at Waldo, Fla., Brother Scott was happily converted to God, licensed to preach, and admitted on trial into the Florida Conference, December 1889.

With him she entered the itinerant work; and until his breakdown in health and death, a few years later, went in and out with him, filling the humble, but important place of a preacher's wife. She returned to Missouri, where she spent the remainder of her life, much of the time in feebleness and suffering. When the summons came for release from earthly toil and pain to heavenly rest, it found her ready. A brother writes: "She died in full confidence in the promises of her Saviour." A seal of true Christian character and promise of a glorious immortality.

#### Mrs. Elizabeth Fleming Taylor

Mrs. Elizabeth Flemming Taylor was born at Kingston, Tennessee, 1847, and died at the home of her daughter, Mrs. Hilton Hampton, in Tampa, Florida, May 6, 1919.

She leaves two sons and two daughters. All these except one were with her at the last.

Sister Taylor was the widow of the Rev. Grinsfield Taylor, who for forty years was a faithful and prominent member of the Holston Conference. He transferred from the Holston to the Florida Conference, where for several years he rendered efficient service. Later he took the superannuate relation some years before his death, which occurred January 9th, 1895.

The mortal remains of both Brother and Sister Taylor rest beside each other in the Orlando cemetery awaiting the morning of the resurrection.

As the wife of a Methodist minister our deceased sister filled well her place. She knew the joys and sorrows, the triumphs and defeats, the hardships, trials and sacrifices of the Methodist itinerancy. Thru the long years of her service she was faithful, kind, and helpful; and during the many years of her widowhood she has loved her church and been devoted to its interests.

Her mother-heart loved her children with peculiar strength and tenderness, and this maternal love was rewarded by a most beautiful devotion from her children. In the loss they have sustained in their dear mother's death they have this comfort, that while she lived they did for her the best they could, and now that she is called to her heavenly home and can not return to them, they can follow her as she followed Christ, and meet her again where parting will be no more.

## PART III.—REPORTS

### BOARD OF MISSIONS

#### REPORT No. 1

Your board would remind you of the scope and variety of the responsibility you have laid upon it. You have committed to it the care of your conference missionaries, missions, missionary funds, your evangelistic activities and your evangelists, together with the whole missionary program of the General Board, both home and foreign, insofar as it is related to this conference. Upon us lies the heavy responsibility of more than fifty missionaries, their families, and the missions they serve. We must take under review the need for establishing new missions, for discontinuing missions already established, for changing boundaries of missions, for making appropriations and for increasing or decreasing them. You will therefore not be indifferent when we ask your sympathetic co-operation and your prayers, that in all our ways we may be guided and helped by the Spirit.

#### GENERAL BOARD

Our General Board reports to us that in all its fields and departments of work the year has been one of marked advance. For the first time our church has invaded war-torn Europe and enterprised missions in several of its states.

ROGER DODD, *Florida Centenary Treasurer.*

Ten per cent. of the amount collected on pledges is returned to us for use in promoting our conference missionary work. Of this amount twenty per cent. has been set aside as a reserve fund to meet emergencies. The remainder will be used in making appropriations to our conference missionaries. The amount we shall receive for this purpose depends largely upon whether or not the more than \$100,000.00 due and unpaid on pledges is collected and in the hands of Roger Dodd by December 30. It is therefore of first importance to secure these collections. For unless we do our treasury will lose that much and our missionaries will lose it, too.

#### CONFERENCE MISSIONARY

Last year we employed Rev. C. H. Summers as conference missionary. It was our aim that by his help a number of "A" grades missions might be brought to self support. It is the judgment of your board that such a man can be profitably used from year to year. But in view of the number of men now on detached service and of the requirements of the Educational Movement of this year, the board did not deem it wise to employ a man for that purpose this year.

#### CONFERENCE MISSIONARY SECRETARY

We are urged by the General Board to continue employing a conference missionary secretary who shall give all his time to the work of the Conference Board of Missions and the Centenary Commission. We think this a most needful thing. Our secretary, Dr Ira S. Patterson, has been in labors abundant and fruitful. We ask for his appointment again as conference missionary secretary.

#### ADMINISTRATION MATTERS

The policy of grading our missions into three grades, A, B and C, has produced such good results that it will be made permanent. The figures set opposite the charges in the list of appropriations indicate the grade and the number of years within which it is expected the charge will become self-supporting.

The plan of having our missionaries make quarterly reports has proven valuable and will be continued.

The plan of having all requests for appropriations to missions made on blanks provided by the board has proven helpful, and the board believes that it will be even more helpful to require that the quarterly conference shall officially make the request. Of course this cannot apply to new missions.

The policy of requiring our missionaries to secure the permission of the board before engaging in any secular work has been a wise one, and will be continued.

The policy of creating a reserve fund has enabled the board to meet several emergencies and has averted the necessity of borrowing and paying interest.

The board has done its utmost to handle your money with a strict economy.

Total.....	\$19,200.00

It will be seen that we have increased our missions from sixty-one last year to seventy this year, and the amount of our appropriations from \$17,900 to \$19,200.

It is worthy of note that the average salary of our sixty-one missionaries for the year just closing has been, as nearly as we can estimate, \$1,171.00—an average increase of \$471.50 since 1916. But we yet lack \$300 of the average salary which a government has recently declared the minimum salary for a family.

#### EVANGELISM AND EVANGELISTS

It is a matter of profoundest gratitude to note that the evangelistic fires have burned on almost every altar this year, and that the number of revival meetings and the number of additions to the church on profession of faith has been unusually large. At the beginning of the year we desire again to urge all our pastors, especially our missionaries, to give themselves earnestly and definitely to the promotion of a revival in their charge. This is the end toward which, and for which, all else is. We have not been able to compile statistics showing the exact number brought into our churches by the pre-Easter campaign last year, but enough evidence is at hand to show that the campaign was abundantly fruitful and that if every pastor had lent himself fully to it the results would have been much larger. We recommend that a similar campaign be conducted this year and urge all our pastors and presiding elders to give themselves whole-heartedly to it. We suggest that at least thirty days prior to Easter be given to this campaign.

Our evangelists have been in labors abundant and fruitful. Their reports show that our pastors have used them to good advantage and largely in preference to others. This is as it should be. Our pastors, as far as possible, should use the men our conference endorses and recommends.

#### RECOMMENDATION OF EVANGELISTS

We ask your concurrence in our recommendations to the Bishop presiding that he appoint Rev. Ira S. Patterson Conference Missionary Secretary, (as provided for in Par. 289 of the Discipline), that Rev. J. S. Chapman be appointed Conference Evangelist under the direction of the board, but not supported by it (as provided for in Par. 286 of the Discipline).

We endorse and recommend as evangelists, (as provided for in Par. 286 of the Discipline), the following local preachers: Rev. John B. Culpepper, Rev. Will H. McLeod, Rev. Frank P. McCall, Rev. T. E. York, Rev. C. R. Rowell, Rev. Amandus D. Buck, Rev. Henry L. Ezelle and Rev. S. A. McCook.

### REPORT OF THE BOARD OF EDUCATION

#### REPORT No. 1

In submitting to you this, our annual report, we do so realizing that as a board and as a great church we have come to a day of our greatest

responsibility, with a corresponding opportunity to meet the obligation of touching the church life and the world with a power more vital than at any time in our church's history, in that we are to meet and embrace our opportunity in the monumental work of the Christian education movement, which we have as in inheritance of the faith of our fathers in God's answer to their prayers.

With profound gratitude we note the prosperity of Emory University and the planned provision of its leaders for building here in the South an institution that will meet all of our educational needs and one that will become the full realization of the vision of its founders. We urge upon every member of this conference the careful study of the Chancellor's printed report submitted to us.

Our mother college for women—Wesleyan College at Macon, Ga.—is enjoying a prosperity in patronage and administration heretofore unequalled in its history. More than 300 applicants seeking the benefits of this college had to be turned away for the want of room.

Our own Southern College is becoming more and more the vital factor in the hearts and lives of our people. After an expenditure of more than \$21,000 in permanent improvements and enlargements since our last session we found it impossible to provide for the applicants knocking at our doors. We ask you to note that fifty-two preachers have come from your institution into your ranks and that there are now twelve ministerial students at Southern. These, with many Christian leaders among our laymen and women, are some of the returns for the labors and sacrifices made for this institution. The spiritual atmosphere of the college as detailed in the report of the pastor, Rev. Geo. F. Scott, and the devotion to the maintaining of high Christian standards among the students by Dr. and Mrs. Alderman and the members of the faculty deserves the deep appreciation of every member of our church.

We see in the general educational movement our opportunity for equipping Southern College to do the work for which it was founded, and we submit to you with our hearty endorsement, the plans and purposes of the Educational Commission created by our last General Conference, urgently recommending that you accept the quota allotted to our conference both of approved and surplus askings for this work, and ask that you adopt the following resolution:

Whereas, We feel our responsibility jointly with the other conferences to focus our attention this year upon all the processes of Christian education in the home, the church and the schools;

Be it resolved, 1. That the Florida Annual Conference co-operate most heartily in the plans of the Educational Commission's objectives in carrying out the instructions of the General Conference;

2. That we take all proper steps to fix the attention of all our people upon the fundamental place of Christian education in the life and mission of our church and that to this end we urge pastors to preach and teach, and laymen to lend their influence in every possible way;

3. That we call upon our people for their prayers in behalf of the presidents and faculties and trustees of our schools, for the attendance of our young people upon them, praying especially that the right young men and young women may be led to give their lives as preachers, missionaries and trained workers, and that these schools may supplement the work of home and church in leading the young people of this generation to the acknowledgment of Christ as their Lord and Master in whatever work they may choose;

4. That we call upon our churches to co-operate in a manner worthy of the impelling need of our Christian Education Program in arousing every member to an appreciation of his or her responsibility, that every member may secure an adequate conception of Christian education and its place in the church and world, that our church may make a great

spiritual contribution to our world, and that we may give the fullest financial support in the collections to be taken in the spring;

5. That we appoint a Conference Educational Commission to be made up as follows: L. P. McCord, Jacksonville, Fla.; Rev. W. F. Dunkle, Tampa, Fla.; Rev. I. C. Jenkins, Gainesville, Fla.; G. W. Tedder, Madison, Fla.; Rev. E. C. Calhoun, Ft. Pierce, Fla.; Rev. S. W. Walker, Sanford, Fla.; L. N. Pipkin, Mulberry, Fla.; Dr. J. H. Therrell, Ocala, Fla.; Rev. R. I. Barnett, Jacksonville, Fla.; J. Edgar Wall, Tampa, Fla.; L. W. Duval, Ocala, Fla.; Rev. J. F. Bell, Lakeland, Fla.; Rev. J. H. Daniels, Largo, Fla.; Rev. John A. Hendry, Plant City, Fla., and E. T. Roux, Plant City, Fla., for the purpose of co-operating with the Connectional Educational Commission and for putting in operation the necessary plans for securing the support of all our churches for the movement;

6. That we request the appointment of R. H. Alderman, president Southern College, and Olin Boggess, E. M. Stanton, professors; Dr. S. W. Lawler to be our Conference Educational Secretary to be the full time executive of the Conference Educational Commission, and that we pledge such secretary, when appointed, our full loyalty and support; and,

7. That we assume as the quota for this conference the sum of \$774,-500.00, and authorize the Conference Educational Commission, with the help of the presiding elders, to divide this amount equitably among the churches of the conference.

Tallahassee, Fla., Dec. 9th, 1920.

L. W. DUVAL, *Chairman*,  
JOHN A. HENDRY, *Secretary*.

#### REPORT No. 2

We submit, for confirmation, the name of Dr. W. O. LeMasters, of Lakeland, Fla., elected by the Board as its Secretary of Education.

We also recommend to the presiding Bishop, Dr. R. H. Alderman to be appointed as president of Southern College, and Dr. Olin Boggess and E. M. Stanton, Jr. to be teachers in Southern College.

We have appointed a visiting committee to visit the college during the school term, said committee being Rev. W. C. Carpenter, Rev. H. G. Davis and R. E. L. Farmer.

From the reports filed by the various pastors in the conference we find that out of an assessment of \$18,000.00 there was raised during this year for education the sum of \$14,329.

We endorse the holding of the Summer Training School at Southern under the joint management of the Board of Missions, Sunday School Board and our Board in the summer of this year, and recommend that such school be held annually. We urge our young preachers to attend these training schools, and request the examining committees to co-operate with us in securing their attendance, and appropriate \$600.00 for same.

Respectfully submitted,

L. W. DUVAL, *Chairman*.  
JOHN A. HENDRY, *Secretary*.

#### REPORT OF BOARD OF TRUSTEES OF SOUTHERN COLLEGE

As Methodists of Florida, we have profound cause for gratitude and praise to God for His manifest and rich blessing upon our Southern College during the past year. Our high standard for scholarship has been maintained. The academic efficiency of our faculty compares favorably with our best schools. Our college is the only institution of Florida that must submit itself to an inter-state board of classification; but it does, and it stands the test. For ten years Southern College has been listed by the General Board of Education of our church as an institution of

accredited college grade. Never in the history of the college has the quality of work done been surpassed, if equalled, by that which is being done in this present session. To our graduates, upon application, the State grants teacher's certificates without examination. The graduating class of last June was the largest that has gone out from the college for several years past, in number equalling that of the department of liberal arts of the State University. Yes, it is real college work that we are doing at Sutherland, and every Methodist of Florida has a right to the facts and ought to be put in possession of them. The one supreme thing that Southern College needs at this particular time, after the blessing of Almighty God, is a decent and deserved, a fair and adequate introduction to all Florida Methodists. We beg of you, therefore, brethren, that you acquaint yourselves and your people with the gladdening and hope-inspiring facts concerning our college at this present time. We assure you that if you will do this you will readily realize that the very finest returns are sure from all your labors of loyalty and love in the interest of Southern College.

Dr. R. H. Bennett, who visits all the colleges of our church, has this to say of Southern: "On my visits to Southern College I have been agreeably surprised with the beauty of the grounds, the imposing and neatly kept buildings, the satisfactory table fare, the cordial spirit of co-operation between the efficient president and his faculty, and above all, the prominent emphasis laid upon the religious life in the institution." Rev. S. A. Stewart, who held our revival last spring, in which the entire student body, except those who were absent at the time, were reached by the Gospel appeal, said that the spiritual atmosphere at Southern surpassed that of all other institutions that he had visited in his extensive work among the colleges of our church.

According to the reports of President Alderman and our Sutherland pastor, Rev. G. F. Scott, the spiritual life and Christian purpose of the faculty and among the students were never better at this stage of the school year. The faculty is a unit in its desire and earnest efforts to prepare the way for God's blessing upon their labors and upon the superb student body under their tutelage and care. The pastor, the Epworth League and the Sunday school are all definitely praying and zealously working toward this same end. Several voluntary prayer groups have been formed among the students, at the suggestion of students, which meet daily and are interceding before God in behalf of their unsaved school mates. The mission study class has grown to such proportions that it has become necessary to divide it into four sections, the class including at least one-fourth of the entire student body. Fifty-two students are enrolled in the Life Service Band, six are volunteers for special missionary service and thirteen are preparing for the ministry. A distinguished layman and successful business man of this State has within the past week made the following significant and very true statements. The first: "If Florida Methodism is to have leaders, preachers and missionaries, they are to be trained in Southern College." And the other: "If we business men are to have a loyal and competent organization, we must have Christian education." Brethren, let us never forget or fail to appreciate this fact, that our conference college has given to us already fifty-two preachers, not to speak of the hundreds of men and women of our hundreds of churches throughout Florida and elsewhere, who are today pursuing Christian ideals and fighting for Christian principles because of the start and training they received at Southern College and at the old Florida Conference College in Leesburg.

You will be delighted to know that the enrollment of the college is forty-five per cent. above the splendid record of last year. During the past summer we substantially increased our dormitory capacity and thus provided for the accommodation of fifty-six more boarding pupils. These

extra rooms were quickly claimed by eager applicants, and for days before the opening of the fall term we were turning away pupils for the lack of still more rooms.

We are deeply grateful to God for this heartening new era of prosperity and bright promise in our educational enterprise, and it is our confidence that our people will not fail their one and only institution in this great and growing State in this its day of glorious opportunity and urgent need, the need so manifestly growing out of the unparalleled opportunity, that has at last come to us in the gracious providence of God.

## BOARD OF CHURCH EXTENSION

With gratitude to God we note the spirit that is on all over the church to build or remodel church buildings to meet the needs of our enlarged church program.

At the meeting of the General Board in May, applications were made for aid to the amount of one and three-fourths millions of dollars to assist in the erection of churches. Only about half of this amount was available.

Applications for donations and loans aggregating more than \$15,000 came before our Conference Board, all worthy cases. Only a little more than \$4,000 was at our disposal.

Our J. C. Ley Loan Fund should be largely increased. The pastors of the churches receiving aid from this fund are earnestly requested to keep the interest and principal paid when due so that the money may go on its mission of relief and blessing.

The amount paid on the Church Extension assessment coming to our Conference Board was \$2,625.00, from the J. C. Ley Loan Fund special \$569.94.

Applications for aid were granted as follows:

## REPORT OF SUNDAY SCHOOL BOARD

We are able to report continued advancement in the department of work committed to our hands.

At our last annual session certain definite objectives were set forth to the accomplishment of which the Board would definitely work. These objectives have been realized, with very good results.

The Training School, held at Southern College, was a success. More than a hundred students enrolled, and fifty credit awards were issued.

The attendance on the Training School, held at Lake Junaluska, N. C., was much larger than any previous year, and, our Florida representatives received more certificates of credit than any other conference represented.

The observance of Sunday School Day has been more general, and the results much more satisfactory than in any previous year. The offerings on this day have increased more than 250 per cent. over last year. In the Miami district every Sunday School observed this day and remitted an offering to the Treasurer of Board.

The schools of our conference have exceeded their Centenary quotas, and lead all the conferences in our church in the per capita payment for the Centenary.

The Wesley Bible Class Federation, held in Gainesville in October, was conducted on departmental lines. The attendance was very good, and the work done of the highest order.

The Jacksonville District Federation was a fine meeting, and productive of great help to the Wesley Bible Class work in that part of the conference.

In the Elementary Department there has been splendid progress. An Elementary Workers' Conference was held in Gainesville in connection with the Wesley Bible Class Federation. A considerable number of Elementary Workers were in attendance, and the work done for them was very fine.

We are fortunate in securing the services of our two field workers. They have been zealous, diligent and faithful in their service, and deserve our praise, co-operation, and prayers.

It is our purpose to continue Dr. J. H. Therrell as Field Secretary, and Miss Lola Lawler as Elementary Field Worker, for the coming year.

Our plans for next year include: More general observance of Sunday School Day, a larger and better Training School in the summer, to be held at Southern College; larger attendance at the Junaluska Training School, more efficient district organization, District Wesley Bible Class Federations wherever practicable, a greater Wesley Bible Class Federation next fall, and a general advance in all phases of Sunday school work.

We desire, and request, the same hearty endorsement and support that has been accorded to us in the past.

Respectfully submitted,

S. W. LAWLER, *President*

A. H. COLE, *Secretary*.

## REPORT OF EPWORTH LEAGUE BOARD

Your Board is pleased to report most substantial progress in all departments of Epworth League work during the past year. The number of local chapters now is 166, an increase over previous year of 7 per cent.; number of members 5,597, an increase of 15 per cent.; amount raised for missions \$2,724.00, not including \$700.00 sent direct, an increase of 60 per cent.; Anniversary Day offering \$137.00, an increase of 180 per cent., and collections for all other purposes of \$5,974.00, an increase of 60 per cent. Total raised \$9,535.00.

In most of the districts the work is going forward with great strides,

but in a few districts the condition of the League work is such as to call for our immediate concern and that we all work diligently to bring those districts up to standard.

The Summer Assembly, held at Southern College last June, was the most successful ever held and the influence of this great session has since been felt by the young people throughout the length and breadth of our State. New Leagues have been organized and old ones revitalized. Many of our young people have reached such degree of training in Epworth League work that the local churches have felt the effect of this training of the young people and in some localities there is no lack of leadership. The number of Life Service Volunteers in our conference now numbers over 100 and there were approximately twenty-five who volunteered at our last assembly. There are those who said they had never before seen such a spiritual meeting as was our consecration service during this assembly.

Out of fifteen city Epworth League Unions in Southern Methodism, Florida has four, and three of them are as wide-awake and progressive as any in the Southland. There is also another union in process of organization. The contribution of the Epworth Leaguers to the African Special, 30 per cent. of which goes to Latin work in Tampa, has made possible the erection of "Epworth Mission" in Tampa. The Epworth Leaguers of our conference will raise more than \$4,000.00 for missions this year.

The Epworth League is proving that it is the one thing needed and adequate to hold the young people to the church, bring to them spiritual growth and make of them the trained and enthusiastic leaders of our church of tomorrow. It has a definite and important place in the work of the church and we as a Board earnestly ask that the pastors of our conference earnestly support the Epworth League and make an endeavor to organize leagues in their charges wherever possible.

Your Board has outlined a constructive and progressive program for our Epworth League work during the coming year. We wish to devise means by which the few neglected districts may be reached and brought up to standard; to support the district secretaries more than they have heretofore been; that the members of the Board and the Presiding Elders will take advantage of the district conferences to put in some effective work for the Epworth League work of their respective districts, and that the co-operation of the ministry be secured to work for an increase of 50 per cent. in organized chapters during this year; also that the Epworth Leaguers, the ministry and the women of the church co-operate in organizing our younger people into Junior and Intermediate Leagues in correlation with the Young People's Societies; and that Anniversary Day, the second Sunday in May, be universally observed over our conference, the Epworth League taking charge of one of the church services on that day, or if no league, have some of the young people take charge. We ask for the co-operation of the pastors that each league may have at least one representative at our next Summer Assembly at Southern College next June, and that each pastoral charge where there is no league be also represented by some of the young people.

In order that these ends, and others, may be reached during the coming year, we ask again that the ministry of our conference as a whole appreciate the value of the Epworth League and help us to carry out this program.

We recommend the appointment of Rev. Karl Koestline in place of Rev. R. E. Smith, and Rev. H. A. Spencer in place of Rev. J. B. Rooney, as members of the Board.

S. A. WILSON, *Chairman.*

D. D. DIEFFENWIERTH, *Secretary.*

## REPORT OF BOARD OF FINANCE

*To the Florida Annual Conference, in Session:*

Dear Brethren: As is to be expected the claimants on the Superannuated Fund is constantly increasing, yet with the increasing numbers there is an increase of the Board of funds collected for their support. Last year we increased the appropriations of each claimant 20 per cent. This year we have added 25 per cent. to the appropriations of last year, thus making an advance of 45 per cent for the two years. We pay to all claimants the amount due them each quarter of the conference year.

We request an assessment on the conference of the following sums:

For the Claimants.....	\$19,500.00
For Superintendent Endowment Fund.....	2,207.00

## Report No. 2

We recommend that the petition of the Board of Temperance and Social Service, that an assessment of three hundred dollars (\$300), separate and distinct from the regular assessment for conference work be placed upon the conference for use by said committee in its work be not granted.

## BOARD OF TEMPERANCE AND SOCIAL SERVICE

We re-endorse the report of this committee as the same was adopted by the 1919 session of the conference and published on page 44 of the year book of that session.

We ask the members of the conference to assist the committee in its efforts to organize and lead the local Social Service Committee of the several churches in a larger and better application of social service ideals in social and civil life.

We pledge the support of the conference to the Anti-Saloon League, the Federal Law Enforcement Officer, and all other authorities engaged in the enforcement of the prohibition laws.

We appreciate and approve of the work done for the starving people in Armenia by our Mission Board, and commend their work to the financial and moral support of our people.

We endorse and support the work of the Commission on Inter-Racial Relations in their effort to improve conditions among the negroes of the South.

### REPORT OF BOARD ON LAY ACTIVITIES

We, your committee, beg leave to submit the following recommendations:

That the whole scheme of Lay Activities for the local churches be enlisted in the continued support of the Centenary cause, especially in the further collection of the unpaid pledges.

That every church be urged to adopt the assessment plan, and every member canvass and to enlist as rapidly as possible the laymen in supplying needy churches with religious services.

That we pledge our conference, district, and local organizations the fullest co-operation and support of the Christian Educational Movement.

We hereby nominate L. P. McCord conference lay leader.

Respectfully submitted,

A. E. SUMMERS, *Secretary.*

### REPORT OF TRUSTEES ORPHANAGE

The Orphanage has had a successful, though a somewhat trying, year for the reason that the applicants are far in excess of the capacity of the home. The trustees have to be very exacting as to terms, and deserving cases now must be held up because of the lack of housing facilities.

The very best possible has been done for the children in our charge, but the condition mentioned has cost us an entire year of solicitude. Not only the comfort but the moral welfare of our children demands enlarged quarters—the growing boys and girls to be housed in separate quarters.

This is an absolute necessity and it would be very unwise and short-sighted to longer delay the matter.

The report of the superintendent is so complete that it is incorporated as a part of this annual report.

### FLORIDA METHODIST ORPHANAGE

Your Superintendent of the Methodist Orphanage at Enterprise, Fla., begs leave to submit the following report:

At present there are forty-seven children in the Home, ranging in age from three to eighteen. During the year eighteen have been admitted, seven have been returned to guardians, one has been placed in a home, three are self-supporting, four have been sent to special schools.

Estimated value of clothing received, \$650; estimated value of food-stuff received, \$125.

Notwithstanding a most unfavorable season we have had a wonderful garden, raised by the assistance of the orphanage boys. More of everything was raised this year than last, with the exception of Irish potatoes and tomatoes, which, owing to wet weather, were practically a failure.

We canned 6,000 quarts of vegetables and fruit. Several hundred of these were canned for outside parties, and by this means we were able to partially pay for the cans we used.

We have 300 chickens, thirty ducks, one horse, two cows, one heifer and seven pigs.

*Educational*—All the children except two, who are too young to attend, are doing excellent work in the school. Three are doing corresponding work with the University of Florida; two are at Brevard, one at Sutherland, one at Montverde; twelve of the girls are studying piano, and all the children are trained in chorus singing in a class which meets weekly under the direction of Mrs. Louise Wilson.

The reading of the best literature is encouraged and only the highest grade of books and periodicals are allowed in the Home.

*Religious*—All the children over ten years of age are members of the church. All who are of proper age belong to Senior and Junior League. Every child is a tither and the Centenary obligation has been met in full. All attend Sunday school and careful attention is given to Bible study.

Last February we had an epidemic of influenza, but all cases recovered with no lasting ill effects. Since that time it has not been necessary to call in a physician for any case of illness among the children. They are now in excellent health, due largely to care of diet and food preparation, outdoor life with corrective exercise, and in warm weather swimming and diving.

The county visiting nurse and the doctors and dentists are very kind in giving valuable advice and gratuitous service when necessary.

*Needs*—The greatest and most pressing present need is for funds sufficient to build a dormitory for boys. The present sleeping quarters are far too crowded for the best moral and physical health.

*Aim*—The constant aim of the Superintendent is to make the Orphanage a real home and not an institution; to give careful, prayerful attention to the individual child, studying its weak and strong points, with due regard to hereditary traits and previous environment and to help it in every possible way to attain a well rounded and symmetrical development mentally, physical and spiritually.

The Superintendent asks of Florida Methodists not only a larger financial support for this branch of God's work, but a deeper and more sympathetic interest and a larger place in your prayer life. This is not the day for standing still, but for going forward, and the future of the Orphanage depends upon the loyal support and co-operation of every Methodist church in Florida.

Your Superintendent appreciates to the fullest extent the interest and generosity of many organizations now contributing to the upkeep of the Orphanage, but the work is seriously crippled in extent and efficiency because sufficient funds are not provided for the larger work which a united church, wide interest and support would make possible.

*Recommendations*—The trustees make the following recommendations:

1. That Rev. J. W. Austin be elected trustee in place of Bro. Inman, deceased, and that Rev. M. H. Norton be elected to fill the vacancy of Bro. Barnett, resigned.

2. Instruct the conference Commission on Finance to recommend an assessment of \$10,000 to be distributed among the districts as are the other assessments, and request the district stewards to lay the Orphanage assessments as a separate item from the conference work budget.

3. That the sum of \$25,000 be raised for building and other needed improvements.

4. That Rev. J. R. Cason be appointed superintendent and agent of the Florida Conference Orphanage and travel within the bounds of the conference in the interest of the work.

5. Instruct the Conference Treasurer to receive and handle the Orphanage money as a separate item.

6. Instruct the Conference Treasurer, in cases where District Stewards include the Orphanage assessment in the budget for conference work, to settle with the Orphanage Board on the basis of the percentage that assessment bears to the sum placed on the district for conference work.

7. That each fifth Sunday be observed as Orphanage Day, and that the pastors and Sunday school superintendents be requested to present claims of the Orphanage, and that collections be raised on the Orphanage assessment by free-will offerings from both Sunday schools and congregations.

## REPORTS OF THE TRUSTEES OF THE FLORIDA CHRISTIAN ADVOCATE

The past year has been a difficult one for news publications generally, and especially for religious newspapers. The continued advance in publication costs has made it very difficult to maintain them.

We have been greatly aided in the publication of our Advocate by the generous co-operation of the Florida Methodist Publishing Company, which has placed the conference under renewed obligations by its service. We recommend that the publishing contract with this company be renewed for five years.

We recommend the reappointment of Rev. J. Edgar Wilson as Editor and Publishing Agent, and Rev. D. B. Sweat as Assistant Editor, and request that The Advocate assessment for next year be placed at \$4,000.

The Endowment Fund which The Advocate possesses has grown but slightly during the past year, but small as it is, it is nevertheless of great value to the paper. We request that the editor shall try to build up this fund, by voluntary contributions, to as large an amount as can be secured.

Inasmuch as the budget plan of circulating the paper possesses some advantages over every other plan yet tried, we strongly recommend that our charges adopt this plan wherever practicable, and put The Advocate into the home of all our people. Forty-four churches did this during the past year, and it is believed that every church doing so found the plan beneficial.

The coming year promises to be a difficult one in some respects. We urge that all our pastors co-operate heartily in circulating the paper, thus helping to overcome these difficulties the more successfully, and at the same time enabling our paper to minister the more helpfully to our people.

We recommend that Rev. J. F. Bell, Rev. Holmes Logan and T. J. Fraley be elected trustees of The Florida Christian Advocate for four years in the place of Rev. W. M. Poage, Rev. J. E. Mickler and L. N. Pipkin, whose terms have expired.

L. D. LOWE, *Chairman.*

J. D. MAJOR, *Secretary.*

## BOARD OF CHRISTIAN LITERATURE

Since the printed Word reaches so many more people than the spoken Word, we would call the attention of our people to the great possibilities for God's Kingdom by a more extensive use of our publications.

We must heartily commend that excellent paper, the Nashville Christian Advocate, the Quarterly Review, The Epworth Era, to our preachers and people.

We are pleased to note that our Sunday School Literature continues to maintain its high rank, and urge that it be used by all of our Sunday Schools.

We are glad to report that our own paper, The Florida Christian Advocate, continues to grow in interest and efficiency. Our Advocate is

indispensable to the success of our work, and we urge our preachers and people to continue to work for its increased circulation until it is placed in the homes of all our people.

C. A. SAUNDERS, *Secretary*.

### TRUSTEES PREACHERS' RELIEF FUND

We are gratified to report to you that this has been by far the best year in the history of the Board, and that the future of our work for our brethren on the "Honor Roll" is bright with promise. Through the wise and untiring efforts of our agent, Rev. B. K. Thrower, new homes have been secured at Orlando and Miami, and we have excellent prospects at Plant City, Lakeland and possibly other points. Our endowment fund has been increased by \$1,500 and larger gifts are in sight.

We respectfully request the reappointment of Rev. B. K. Thrower as agent of the Board for the ensuing conference year.

## DISTRICT CONFERENCE RECORDS

Your Committee on District Conference Records have carefully examined the records of each of the nine (9) District Conference Records of the conference and found them neatly and properly kept. We wish to commend the district secretaries for the excellent manner in which their journals are kept.

We would recommend, however, that a more substantial book be used in the Tampa and Tallahassee Districts, as the common loose leaf books in use do not properly provide for the safety of such important records as those of a district conference.

Respectfully submitted,

J. E. SHEPHERD, *Chairman*

B. D. BOURN, *Secretary*.

## COMMITTEE ON SABBATH OBSERVANCE

We beg to re-emphasize upon the conference, and the church and the Christian citizenship of the State the vital importance of the Christian Sabbath in our social and civil life.

We urge on our membership to give active support to the equal and uniform enforcement of our civil laws protecting the Sabbath.

We endorse the movement inaugurated in the Tennessee Conference, and endorsed by many other conferences, to secure a national Sunday law that will give the Christian Sabbath a fixed place in our national code and recognize it as a vital feature of our civil institutions.

And we ask the conference to appoint a committee composed of C. W. Mathison, T. W. Tomkies and I. W. Longacre to co-operate with the other conference committees in securing the passage of such a law.

We urge on our people a more strict observance of the Sabbath in its religious character. It is the Lord's day for service and study and worship—it should be the busiest day in the week in the Master's work of building the kingdom of God.

J. T. MITCHELL, *Chairman*.

C. W. MATHISON, *Secretary*.

## REPORT OF WOMAN'S MISSIONARY SOCIETY

The Woman's Missionary Society of the Florida Conference has had a year of good work. There are 141 auxiliaries (adult) with a membership of 3,969. The departments of young people and children are growing in interest and numbers.

For the first three quarters of 1920, \$12,866.81 was sent to the Treasurer. This amount does not include money expended locally on parsonages and in relief of the needy.

Of special interest is the work of the City Mission Board of Tampa. Under the supervision of this board a free clinic is maintained, a nurse is employed and in this way a large number are ministered to. The women of this mission do a great work, and are eager to serve in a larger way those whom God has put near them.

The prayerful interest of every pastor is sought, in order that the best work may be done.

MRS. J. M. GROSS, *President*.

MRS. I. C. JENKINS, *Cor. Sec'y*.

## PART IV.—MEMOIRS

### REV. EDWARD F. LEY

Edward F. Ley was born in Micanopy, Florida, September 23rd, 1858. His father, Rev. J. C. Ley, was for more than half a century an honored member of the Florida Conference. Three of his sons, John B. Ley, Edward F. Ley and E. L. Ley, entered the Christian ministry and joined the Florida Conference.

The subject of this memoir was converted in early life and felt called to the work of the ministry but did not at first answer the call of God. The pleasures of life and the allurements of business life held him back from yielding to the voice of God. But the deeply religious life of father and mother and association with earnest and godly Methodist preachers led him later to give himself with full purpose of heart to the gospel ministry.

After spending some years as a student in Vanderbilt University, he was received on trial in the Florida Conference, January, 1882, at Monticello, where he gave himself without reserve to the ministry of the word, and looking faithfully after all the interests of the church. Early in his ministry he was happily united in marriage to Miss Lula Coffee, of Madison County, who proved a helpmate indeed through the years of their itinerant life. This union was blessed with eight children, six of whom, with devoted wife and mother, remain to mourn their loss.

He was a good and sound gospel preacher and abounded in labors as a pastor. He visited from house to house and his uniform cheerfulness and good cheer gladdened many hearts. In every place he won the love and confidence of his people and all who knew him held him in highest esteem.

In his ministry in Florida he served missions, circuits and stations. He was for one term Presiding Elder, and served for two years as editor of the Florida Christian Advocate.

Brother Ley was a devoted husband and father. He loved his home and was loved and honored by those nearest and dearest to him.

After completing four years of splendid service as pastor of Fort Meade Methodist Church, he was assigned to Hastings station. He had only entered his labors in his new field when in February, 1920, the Master called him suddenly from labor here to the higher services and enjoyments of the saints in light.

Servant of God, well done;  
Thy glorious warfare's past;  
The battle's fought, the race is run,  
And thou art crowned at last.  
In condescending love,  
Thy ceaseless prayer he heard;  
And bade thee suddenly remove  
To thy complete reward.  
Redeemed from earth and pain,  
Ah, when shall we ascend,  
And all in Jesus' presence reign  
With our translated friend?

### CHARLES WESLEY INMAN

Rev. Charles Wesley Inman was born June 25th, 1859, at Wadesboro, Ware County, Georgia. His name, Charles Wesley, reveals a Methodist parentage. These parents prayed for a preacher, baptizing him with that hope and a preacher was given.

The first years of his life, through early manhood, were spent in his native State. He was married to Miss Susan V. Knowles, of Homerville, Ga., April 2nd, 1878. To this most happy union was born eight children, one of whom, Charles Grady, died while young; Mrs. E. W. Steward, Kate B., now of the Women's College at Tallahassee; Mrs. C. L. Turner, of Montgomery, Ala.; Alfred H., now of Jacksonville; Willie and Charles, now in Albany, Ga., and Dorothy Louise with the mother, in Live Oak, survive him.

Brother Inman joined the Methodist church when a child; was converted in his own home in July, 1879. For more than forty years men knew where to find him. The year of his conversion he yielded to the call to the ministry, was licensed to exhort and was faithful in his duties and was active in that relation, being sought by his pastors and others for protracted meetings because of his evangelistic spirit and success. He came to Florida in 1881; in the fall of that year was licensed to preach. He preached his first sermon at White Springs. He served in the local ranks for several years.

Brother Inman came into the itinerant ministry in 1885. His educational advantages were few and his education was limited; his appointments were places for hard work and great privation; at times he was compelled to walk to his appointment and swimming swollen rivers—but always gladly and smilingly going from place to place preaching the blessed gospel which was the joy of his own heart.

For thirty-five years, by hard study and application, his was a steady climb in efficiency and usefulness until he was filling some of our best appointments with acceptability. Monticello was his last. One who knew him intimately through his ministerial career, said of him: "All who knew him can say that Brother Inman was 'chosen of the Lord' for a faithful and uncompromising preacher of righteousness; and in this the Lord was not disappointed. At all times he seemed to be saying, 'His word is the burning fire shut up within my house; I am weary of forebearing.' The gospel he preached was not his own for first of all 'It pleased the Lord to reveal His Son in him,' and thus the precious message was lodged in his heart by divine power, while he mused the fire burned. When he entered the pulpit his face talked before he uttered a word. His heart was hot within him, and his face was that of one who had a vision. When he 'uttered his voice the earth melted,' the earth of man's fallen nature. Fear took hold of men when he pictured the fearful consequence of a sinful life and when his raptured soul leaped heavenward and his message carried his hearers up toward the 'third heaven,' there followed a spiritual exodus from the lowlands of this present evil world. In fact, wherever Rev. Charles Wesley Inman lived and labored the spiritual temperature of the community went upward."

Brother Inman was a man "full of faith and the Holy Ghost." Jesus Christ was a living reality to him. He prayed through difficulties to victory. He trusted in God in times of financial straits; on one occasion, in moving from one charge to another, he boarded the train with his family without sufficient funds to complete the journey; while en route a friend who knew nothing of his circumstances, handed him more than enough to meet his need. Many times God came to his relief in wonderful ways.

His sunny disposition and his open heartedness gave him access to both old and young. His love for men was the impelling force in his ministry. He drew men to him. This love was the Christian type. It caused him to be true to them, which at times brought opposition. His intense love for the truth gave him balance and enabled him to stand even while friends forsook him.

To the end his face was to the enemy of the King. The war drives and the great Centenary objective gave him a goal which actually con-

sumed his physical force; yet his vision grew larger, his aspiration and desire more intense. Only a few days before his death his wife asked him, in course of conversation, if his health should grow better, would he be willing to take a supply's place until conference? He answered, "It would be the delight of my soul. I would gladly walk to the appointment, if necessary."

Well does Browning's words fittingly express his life principle:

"Never turned back but marched breast forward, never doubted clouds would break;

Never dreamed, though right were worsted, wrong would triumph.  
Here we fail to rise, are baffled to fight better, sleep to wake."

Brother Inman, on account of failing health, was superannuated at the last session of our conference, and with his wife and daughter moved to Live Oak, occupying the superannuate home, where he passed away on February 6th of this year. His body was taken to Jacksonville. The funeral services were held in Wesley Memorial church, which was completed while he was its pastor several years ago.

#### REV. ROBERT JAMES WELLS

Rev. Robert James Wells was born near Murray, Ky., January 16th, 1857, and died in Tampa, Fla., August 10th, 1920. He was one of a family of thirteen children. At the age of eleven years, while plowing in the field, he was happily converted. When he was nineteen years old he heard the call of God to preach, but he hesitated and waited until he was twenty-eight before he decided to give his life to the ministry. At that time he was made to feel that he would be lost if he did not preach the gospel. He prepared as best he could, sold his home and started out on his mission. His first appointment was in the State of Illinois in 1889, and for eight years he labored in that field. In December, 1896, he transferred to the Florida Conference, where he did faithful service until God called him to his reward. He served the following charges in this conference: Callahan, Seville, White Springs, Umatilla, Micanopy, Key West, Largo, Fort White and Rochelle.

Brother Wells was superannuated three times. The first time he remained out of active work only one year, and the second time two years. He loved to preach and it was a hard task for him to remain out of the pastorate. Six years ago, while on the Rochelle charge, he was forced to give up his work in the middle of the second year, and was on the superannuate list the balance of his life. He was devoted to the service of the Master, and it is estimated by those who knew him best that about fifteen hundred persons professed conversion under his ministry. He was first married to Miss Virginia Evans, August 31, 1876. Two of the children by this union survive him—Walter E. Wells, of Sanford, Fla., and Mrs. S. N. Igou, of Winter Haven, Fla. His second marriage was on November 4, 1888, to Miss N. J. Alexander, who, with her six living children, now mourn the loss of the devoted husband and father. The last six children are R. J. Wells, Jr., of Leesburg, Fla.; Mrs. T. L. Carter, of St. Petersburg, Fla.; J. C. Wells, of High Springs, Fla.; Mrs. Raymond Smith, of Dewey, Okla.; A. J. and Tullis E. Wells, of Tampa, Fla. The funeral services were held in Hyde Park Church, Tampa, August 11, 1920. The pallbearers were selected from the Methodist pastors of the city. We buried him in beautiful Myrtle Hill cemetery at Tampa, to await the resurrection of the just. A good man has gone to his reward.

T. J. NIXON.

**REV. GEORGE SYLVANUS HENDERSON**

Brother George S. Henderson was born June 1st, 1872, in Madison, Florida, and died in Seffner, Florida, August 22d, 1920.

He had been in uncertain health for several years, suffering from high blood pressure. Just prior to his death he was very weak, and on Sunday his family had insisted he should not try to preach, but having promised a friend to preach on a special subject, he began the service, never to finish it. Stricken with paralysis, he lost consciousness before loving hands could bear him to the parsonage near by. The end came in a few hours.

On Monday, August 23d, the funeral services were held by Rev. John A. Hendry, assisted by Dr. W. F. Dunkle, Rev. W. C. Fountain, Rev. W. J. Palmer and Rev. S. G. Meadows, in the Methodist Church at Seffner, and in the presence of a large concourse his body was laid to rest in the cemetery near by.

Brother Henderson was converted at the age of sixteen in a revival meeting held in Fort Myers, and it was then he felt the call to the ministry at that time. In the years that followed his experience was not satisfactory, though he was a friend to the church and loved his pastors.

It was a few years before I met him, in 1906, that he had been restored in a gracious experience of salvation. And now, pressing on, he sought and obtained the experience of entire sanctification. Then it was he was ready to respond to the call to preach, and in doing so he gave up a good home and a profitable business, but with the vision God had given him there was no other course for him. His ministry was fruitful in souls for Christ. For some time before entering the work of the conference he engaged in evangelistic work. After he became a pastor it was my privilege to engage with him in many meetings, and I never had more effective help.

He was a positive character. You knew where and what he was. In preaching, he knew no compromise. He studied the Scriptures faithfully, and having a most retentive memory he was able to quote many passages in his sermons. This trait of mind enabled him to get and retain more from the conference course of study than most men do.

He was admitted on trial in the Florida conference in December, 1907 in Tampa, Fla., having served two years as supply on the Brownsville Circuit. The following charges were served by him: Webster Circuit, four years; Micanopy, two years; Williston Circuit, two years; Punta Gorda, one year; Lawtey, one year, and was at Seffner for the second year at the time of his death. He was ordained a Deacon by Bishop Atkins in December, 1909, and ordained an Elder by Bishop Morrison in December, 1912.

Brother Henderson was married to Miss Ida May Brown from Illinois, on July 24, 1891. To them eight children were born. Two of the children preceded their father to the heavenly home. One son and five daughters are left with their devoted mother to mourn their loss.

Thus we chronicle a few of the outstanding facts of his life. More than that we cannot do. For it is not possible to express in words the real excellences of his life. God knew them, and his friends appreciated them. He had been urged by some of his friends and family to cease from the active work, but on one occasion he replied by putting his hand over his heart and saying: "When this stops beating I'll quit preaching." This was literally the case, for he ceased at once to labor and to live.

JAS. T. MITCHELL.

**HENRY BASCOM FRAZEE**

Henry Bascom Frazee was born in a college at Augusta, Ky., December 24, 1837. His father was Bradford Frazee; his mother, Miriam Allen

Brooks. His father was a Methodist minister, president of the college at time of his birth. Later he lost his life in the yellow fever epidemic in Louisville, Ky.

When H. B. was twelve years old he was converted; was licensed to preach by a quarterly conference at Plaquemine, La., June 20, 1857. He was ordained local deacon at New Orleans, December 14, 1866, by Bishop John Early; was ordained elder at Jefferson City, Mo., September 26th, 1868, St. Louis Conference, by Bishop Kavanaugh.

Before coming to Florida, among other pastorates, he served First Church, Little Rock, three years; First Church, St. Louis, two years. He refuged to Waverly, Texas, in 1862, from Louisiana, and was president of the college there three years. On his return to Louisiana he entered the regular ministry. He was married to Amelia Lewis in Opelousas, La., in 1860, who shared with him his trials until 1895, when she left him for the better world. He moved to Jacksonville, Florida, in 1876, where he served his first charge, old St. Paul's Church, now our First M. E. Church, South. He served the following charges in succession: Live Oak District, Jacksonville District, MacClenny, Ft. Myers, Lakeland and Plant City, Arcadia, Madison Ft. Myers, Apopka, Dade City, Largo, Palmetto, Bronson, Inverness, Mulberry. He was placed on the honor roll in 1906.

He was the father of three sons and two daughters: James L. Frazee, New York City; H. M. Frazee, Jacksonville; Dr. E. W. Frazee, Lake City; Mrs. O. P. Likins, Jacksonville; Mrs. H. A. Gruetzmacher, Dade City, who survive him.

He was gifted with the power of eloquent speech. The writer has witnessed him sway a multitude on several occasions. He was a great camp meeting preacher in his younger days, and was very fruitful in winning souls to Christ. His was no ordinary mind, but underlying the culture received from schools, was a native mental clearness and grasp, that would have lifted him into notice had he never had collegiate training.

He became noticeably frail, nearly a year ago, and gradually weakened during the summer, but his spirit was bright and cheerful, and he remained happy to the last. Saturday afternoon, November 20th, he was seized with apoplexy and passed to his eternal reward November 22nd, 1:30 a. m. He was seemingly unconscious until about two hours before his departure, when he opened his eyes and recognized his children who were present at his bedside, folded his hands upon his breast, closed his eyes, and passed peacefully away. He spent his last days in the home of his son, Harry, and was privileged to receive the ministrations of his daughter, Miriam, also, who lives in Jacksonville, and it was from this home his transition took place.

Burial services were held in Westley Memorial Church, Jacksonville, Rev. J. B. Rooney, his Presiding Elder, assisted by his pastor, Rev. D. D. Dieffenwierth, and his longtime friend, Rev. F. Pixton, conducting same. Rev. J. B. Mitchell lead in prayer, and each of the brethren above named paid tributes to his worth. Our pastors in Jacksonville were the pallbearers, and a large congregation of his friends were present. His body was carried to Starke, Florida, at which place a great concourse of people met the train and accompanied his body to the beautiful cemetery in that place, where he was laid to rest, beside the body of his wife, whom he buried there some twenty-five years ago.

Florida Methodism is more largely indebted to him than any of the present generation realize. He laid foundations upon which we are still building. The older members of the conference knew his value and will not forget his work.

When Henry Bascom Frazee's spirit left his body his brethren of the Florida Conference could say, "A prince and a great man in Israel" hath

ascended this day. It is not a time for sorrowing, but rejoicing at his completion of life's task. He had wrought long and well on earth. We joy in the assurance of his blessedness in Heaven. He often doubted his own strength but never that of God.

While we grieve to lose his presence here, shall miss him in our midst as we gather in annual meetings each year, we are proud of the noble heritage he left us; his goodness and unselfish service for mankind. We will strive to emulate his virtues and to meet him in the Father's presence on high. "Servant of God, well done! Rest from thy loved employ."

IRA S. PATTERSON.

#### MRS. ADDIE RUTH DIEFFENWIERTH

Addie Ruth Foster, she was, through all but nineteen beautiful years, March 27, 1890, to February 4, 1909. Her sweet babyhood in the Louisiana home passed normally into a bright, innocent childhood, and then into a remarkably useful girlhood and youth. Through her "teen" years she was superintendent of the Junior Missionary Society and organizer of the church in her home community, Sebastian, Florida. It was here that the invitation came to her to join the ranks of the Methodist itinerancy. Doubtless, it was the attraction of this life of sacrificial service as well as the love of her noble young pastor that completely won her heart. God blessed and honored her by giving her and her devoted husband six children—three boys and three girls. Strange Providence it is, that this husband and these six children, her father and mother and two sisters, and the host of fast friends must forever henceforth look away to another world for their next meeting with wife, mother, daughter, sister, friend; but, thanks be unto God, ours is the comfort unspeakable that comes with the Christian's hope.

He who knew her best says: "A truer wife and mother never lived." Really, Sister Dieffenwirth was, in her devotion to her husband, in her dedication of time and thought and strength, yea, her very life, to her children, in her ability to plan and systematize and dispatch all the activities of home, and in her beauty of person and spirit and service for Christ, an unusual woman. Her first request on reaching the hospital was: "Read me the ninety-first Psalm." Her Bible is extensively marked. She loved the Word of God. She entered soulfully in worship each day, with her husband and the nurse, even while she was desperately ill. Until the very last she was forgetful of self and thoughtful of others; unselfishness, which is the essence of Christian living, having become more than her habit of life, it having become her very life itself.

The writer, assisted by Rev. J. B. Rooney, conducted the service in Wesley Memorial Church, Jacksonville, Fla., where a throng which crowded the building and later followed the body to the cemetery paid eloquent and touching tribute to our departed and loved sister. Lavish floral offerings also bespoke most comfortably the deep appreciation and love and felt loss of individuals and societies and churches.

Addie Ruth Dieffenwirth is not dead, but only translated; and she now lives, more richly, more fruitfully, more gloriously than ever she did while here with us. That life that began in Pleasants, Louisiana, thirty and one-half years ago, on October 7th, 1920, underwent a mysterious change that cannot but cause us real and deep sorrow, but even that change we will some day be able to interpret in terms of infinite love. That deeper life that began in the Sebastian revival of 1889 simply continues in all its purity and devotion to the Father's will, supremely happy now in the home that knows no pain or shadow.

Our prayer is that the broken family circle may be completely restored after awhile, and that the broken hearts may be comforted and sustained now and ultimately healed by the adequate and unfailing grace of the loving and Almighty Father.

## PART III—REPORTS

### REPORT OF BOARD OF MISSIONS

#### Number One

Your Board desires to call especial attention to the status of our Centenary payments.

In spite of the utmost diligence on the part of our Missionary Secretary, and of the presiding elders, and pastors, our Centenary payments have fallen far below any previous year. And since our conference receives ten per cent of the total payments for use in carrying on our work, this shortage presents a serious situation, and unless it can be corrected in the early part of next year, our missionaries will be compelled to live and work on smaller appropriations. In view of this fact, we think the conference should appoint a "Pay-Up Week," at which time we should endeavor to collect all the unpaid balances due, including the fourth installment which will fall due January 1st, 1922.

We recommend, therefore, that you set apart the week from March 19th to 26th, inclusive, as "Pay-Up Week," on the Centenary, and that pastors and local treasurers do their best to secure full payment of the fourth year on January 1st.

Respectfully submitted,

J. B. MITCHELL, Chairman.  
C. E. GUTTERIDGE, Secretary.

#### Report Number Two

Your Board desires to submit a special report on Lake Okeechobee Mission.

At the beginning of the year we created "Lake Okeechobee Mission," to cover and care for the Everglades lying along the shore of Lake Okeechobee from Bare Beach around eastward to St. Lucie Canal, and down several of the drainage canals, including Bare Beach, Miami Canal, Canal Point, Bacom's Point, Pahokee, and other points.

Rev. C. C. Cecil was placed in charge and later in the year was given an additional helper. Our Missionary Secretary was instructed to raise a building special in the bounds of the conference, and the Home Department of the Board of Missions undertook to contribute toward this special dollar for dollar. The sum total raised on this special from both sources has amounted to six thousand five hundred ninety-two dollars and twenty-five cents (\$6,582.25). The expenditures for buildings have amounted to \$6,945.14, leaving an unpaid balance of \$352.89. With this money we have erected churches at the following places: Bare Beach, \$1140.08; Miami Canal, \$558.22; Canal Point, \$838.21; Bacom's Point, \$578.30; Pahokee, \$3050.67, including \$1000.00 donated for lot; and parsonages at Pahokee, \$525.56; and Bare Beach, \$454.10.

We estimate that for next year we should have three men in that field and not less than \$4800.00 for their expense. Besides the salary of these men we should have not less than \$3000.00 with which to erect small churches at five other places. The shortage in payment on Centenary pledges and in the collections for conference work is such that your Board will not have the money to meet these estimates. They must be met or we must in a large measure fail to meet our opportunities in the Everglades, and if we fail now we shall in all probability lose the field permanently.

In view of these things we recommend that a "Special" be raised

for the Okeechobee Mission and that a collection on the same be taken at this conference.

Respectfully submitted,

J. B. MITCHELL, Chairman.

C. E. GUTTERIDGE, Secretary.

### Report No. 3

With profound gratitude to God for His manifold blessings upon our missions, our missionaries and their work, and for the signal way in which the Holy Ghost has manifested His presence and power, your Board of Missions brings to you its report for the year.

From the communication of Dr. W. W. Pinson, Secretary of the General Board, we are informed that gracious revivals and unparalleled ingatherings have characterized the year in both the home and foreign fields. These large gatherings call for an increased number of missionaries and trained workers, both in the home lands and in the foreign fields, and we are rejoiced to report that large numbers of our young people are pledging themselves to life service, and to definite forms of Christian ministry.

Among the significant developments of the year has been the thorough going policy of the Home Department, which has worked out a comprehensive city mission policy; a survey of our territory, both rural and urban, the holding of schools for rural pastors and for city workers; and the development of standard mission training schools in co-operation with training departments of the Sunday School Board. This latter is commended to our pastors with the request that they do all in their power to promote mission training classes in their churches.

The individual church is the unit in our connection. Through this unit everything must be done: the Centenary pledges must be collected through this unit; the ministry must be recruited through this unit; revivals must be conducted through this unit; Christian education must be carried forward through this unit; and all the rest must finally come down to this unit. It is highly important, therefore, that our mission charges, of which we have seventy-three for the year just ending, shall be supplied with a class of missionaries so well equipped in head and heart that they can and will develop this unit,—the local church,—to the nth degree of its possibilities.

### The Centenary

We have already placed before you the status of payments on Centenary pledges. The solemn fact is that we face both moral and financial disaster unless these Centenary pledges are honestly redeemed. No revival can save a people from moral disaster when that people has become financially dishonest. We must redeem our Centenary pledges. Moreover, unless we collect the \$277,000 and more dollars due us on pledges, already past due, we shall not be able to meet the necessities that are upon us in Florida. We shall have to face the alternative of abandoning portions of the field, or of reducing the salaries of our missionaries when they are already at an irreducible minimum. But we believe that our people mean to pay every dollar of their Centenary pledges. It will require work—honest, persistent, earnest work—to bring to the attention of every pledger this fact. But nothing short of this will absolve us of our duty.

We urge, therefore, that all our pastors and laymen take to heart the collection of the Centenary pledges in their churches; and that the pay-up week, which you have set for the week, March 19-26, be made a sure enough pay-up week. During this pay-up week we

should collect all unpaid pledges on the first, second, third and fourth years. And the monies should be promptly sent to our Centenary treasurer, Roger Dodd, Ocala, Florida.

#### Administration Matters

We have done our utmost to handle and use your money with the strictest economy. A monthly report is required from our conference missionary treasurer.

The policy of grading our missions into three grades, and of reducing the appropriations annually on grade A and B, has already proven a good policy, and will be continued.

A monthly report is required from our Conference Missionary Secretary. Quarterly reports from our missionaries are required, approved by the presiding elder, before payment of the appropriation. And this policy will be continued.

Requests for appropriations to missions are made on blanks provided by the Board. These requests will hereafter be approved by the district missionary committee and the quarterly conference of established missions before being acted upon by the Board. This cannot apply to new missions, which the Board may desire to form with the consent of the bishop.

Missionaries are required to secure permission from the Board before engaging in any other work.

Preaching places may not be discontinued on any of our missions without the consent of the Board.

#### Conference Missionary Secretary

We have been urged by the General Board to continue employing a conference missionary secretary, who shall give all his time to the Conference Board of Missions and the Centenary Commission. We think this a most needful thing. Our Missionary Secretary, Dr. Ira S. Patterson, has been in labors abundant and faithful during the year past. No better man could be found, and none so familiar with every part of our field, and every phase of our missionary work. His knowledge, his wide sympathy, his accurate sense of detail, his sane judgment, and his unimpeachable integrity pre-eminently fit him for this place, and we, therefore, request the Bishop presiding to appoint Rev. Ira S. Patterson, Conference Missionary Secretary, (as provided in Par. 289 of the Discipline).

#### Evangelists and Evangelism

We recommend the appointment of Rev. J. S. Chapman and Rev. J. B. Culpepper as conference evangelists (as provided for in Par. 286 of the Discipline).

We recommend Rev. Frank P. McCall and Rev. Will H. McLeod to the general committee on evangelism for general evangelists; and that they be endorsed as conference evangelists together with Rev. Sam A. McCook, Rev. T. E. York, and Rev. H. L. Ezell.

Our evangelists have held many gracious revivals and have brought into the church a large number. It is our judgment that our endorsed and recommended evangelists should be used as far as possible within our own conference. If they can and do hold successful revivals outside of Florida, they can and will hold them in Florida, if given a chance.

At the beginning of the year we again urge all our pastors to give themselves earnestly and definitely to the promotion of a revival that shall reach every home in their charge. To this end we urge again the pre-Easter campaign. For two years we have conducted in many of our churches this pre-Easter campaign, beginning at least thirty

days before Easter, and concluding Easter day. The results have been wonderful.

Board of Missions, Florida Conference.

Brethren: I am pleased to report that I have carefully examined the records and accounts of your treasurer and am pleased to say that same are carefully and neatly kept.

Individual accounts are kept against each assessment and each appropriation, and all vouchers balance with the records.

I have carefully checked every voucher in every account and the "Recapitulation" carried in the ledger is a true and accurate statement of the standing of all accounts for the year 1920. All vouchers are carefully numbered and filed.

Respectfully submitted,

C. H. SUMMERS.

## REPORT OF THE BOARD OF EDUCATION

## Number One

To the Bishop and Members of the Florida Annual Conference:

We, the members of the Board of Education, submit to you this report.

We give thanks to God for His guidance in our Educational campaign, and acknowledge our indebtedness to the faithful pastors, pre-

siding elders, secretaries and directors and to all who have aided us in this work in gifts of service, substance and sacrifice.

We note with great pleasure the progress of our educational work throughout our connection. We deplore the fact of our inability to give Christian educational advantages to all who knock at our doors. The more than 5,000 volunteers who have laid their lives upon the altars of our Church and are asking of us the advantages to qualify themselves for the work to which they feel divinely called presents to us a problem of no less proportions and significance of a call from God to answer this demand.

By reason of the destruction by fire of our principal college buildings at Sutherland in January of this year it became necessary to find temporary quarters for our institutions. Through the timely and devoted thoughtfulness of E. T. Roux, the splendid hotel owned by him at Clearwater Beach, with its entire furnishings, was placed at our disposal without charge only that we should carry the insurance until permanent quarters for the institution were established.

Immediately after the fire the Board of Trustees of Southern College, vested with the responsibility of the care and maintenance of the college, after months of careful and prayerful consideration of the entire field, along with the propositions submitted to it, selected Lakeland as the permanent location for Southern College, which action of the Board of Trustees this Board heartily endorses. We find that this action provides not only a location for the college, but furnishes a source of revenue equal to an endowment of approximately \$200,000.00. In this connection we desire to express our appreciation to the citizens of Lakeland for this splendid gift of property costing \$127,000.00 and additional gifts in the form of bankable notes amounting to \$48,000.00 and service from the city of electricity and water amounting to \$50,000.00.

After a study of the personnel and work of the faculty we are glad to say to you that we believe we have the strongest faculty in the history of the college, and, while the attendance this year is necessarily limited for lack of quarters to care for a larger student body, the class of work in the school is commendably high. We confidently look forward to the time when we are housed in our permanent buildings, the plans for which have been adopted by the Board of Trustees and drafts are being made; which will be a credit to our great church and which will amply reward those who have made sacrifices making possible this modern educational plant in that it will provide for the growing demand for Christian education in our conference.

We recommend Rev. R. H. Alderman for appointment by the presiding Bishop as President of Southern College; Rev. Olin Boggess and Rev. G. F. Scott members of the college faculty; and Rev. G. E. Summers as student in Emory University.

We recognize the indispensable service rendered by our universities, and particularly are we glad to note the phenomenal growth of Emory, its increased attendance and its devotion to the standards and principles that have always been dear and fundamental to our Methodism. We heartily commend this university as the place where our young people should seek their higher education.

We commend the system of ministerial supply and Christian training being conducted by our Church and urge our young people to avail themselves of the advantages this system offers.

Our Conference Training School that has been conducted for the past two years has been a great benefit to the several departments of our Church's interests in Florida, and the standards maintained affords at our doors the same advantages offered at the general summer training schools, making possible by reason of the limited cost,

for many of our people to equip themselves for better service. We endorse the action of our boards in establishing and maintaining this school and recommend that all our pastors bring it prominently before their congregations and induce as many as possible to attend.

In connection with the Educational campaign we recommend to you for adoption the following resolutions:

First. That the presiding elders in the first round of the quarterly conferences secure accurate reports from the pastors and church collectors of directors concerning the quotas and the amounts already subscribed, and concerning the general economic conditions in each charge.

Second. That we urge our people to pay promptly their educational subscriptions when they fall due; that pastors and presiding elders do what they can to secure prompt payment, and that as most subscriptions fall due November 1st, we fix that first week in November as Pay-Up Week.

Third. That because of the disastrous fire and our dire necessity for funds with which to start our new buildings, we recommend that the third week in January next be set apart as a time for securing the payment of the pledges due November 1st, of this year, which may remain unpaid.

Fourth. That if church collectors in any charge or charges have not been elected, they should be elected at the first quarterly conferences of the ensuing year.

Fifth. That where the original pledge cards have not been sent to the Educational Secretary the pastor arrange to have them sent to him at an early date.

We recommend to the Bishop and Cabinet for appointment as Educational Secretary-Treasurer Rev. S. W. Lawler.

Respectfully submitted,

L. W. DUVAL, Chairman.

JOHN A. HENDRY, Secretary.

## REPORT OF BOARD OF EDUCATION

### Number Two

We submit this our supplemental report for the Board of Education:

After a careful consideration of the report of our Educational Secretary we have ascertained that our conference failed to reach its quota in the Educational campaign by about \$20,000.00, due doubtless to the failure in some charges to carry out the plans and put on the campaign. We earnestly urge the pastors of those charges who have not carried out the plan to immediately make an every member canvass for education and the presiding elders to assist the pastors in completing the work that our conference may subscribe its quota.

We respectfully request the presiding Bishop to appoint a committee consisting of three presiding elders and two laymen, none of whom shall be a member either of our Board or of the present Board of Trustees of Southern College, for the purpose of recommending to this conference for election Trustees of Southern College under the charter as amended.

We have requested the Commission on Finance to make the same assessment for educational purposes as we have had during the past year,—\$18,000.00.

Recognizing that if we succeed in our educational work in Florida it is imperative that the members of the conference stand solidly in

support of our institution, we prayerfully beg of every one of you to give your new Board of Trustees your undivided loyalty and Christian co-operation in the stupendous task of rebuilding your college plant.

L. W. DUVAL, Chairman.

JOHN A. HENDRY, Secretary.

## BOARD OF TRUSTEES, SOUTHERN COLLEGE

### Number One

The Board of Trustees of Southern College beg leave to report that they met in the First Methodist Church of Tampa, May third and fourth, and after full discussion of all the offers made by Tampa, Lakeland, St. Petersburg and Fort Pierce, it was moved and seconded that the offer of Lakeland be accepted and it was adopted.

At the annual meeting of the Board, held at Sutherland, May 24th, 1921, the action of the Board locating the college at Lakeland was approved and L. W. Duval was requested to take all legal steps to change the charter of Southern College so as to conform to the action of the Board in locating the college at Lakeland

In accordance therewith the Board of Trustees of Southern College offers the following preamble and resolution to the Florida Annual Conference for adoption:

Whereas, at a meeting of the Board of Trustees in the First Methodist Church, Tampa, Florida, May 3rd and 4th, this Board accepted the proposition of the city of Lakeland, Florida, for the location of Southern College; and

Whereas, the Board of Trustees ratified and confirmed their action of locating the college at Lakeland at their annual meeting held in Sutherland, May 24th; and

Whereas, the charter of Southern College has been duly and legally amended;

Therefore, be it resolved that the Florida Annual Conference approve and confirm the action of the Board of Trustees and that Lakeland, Florida, be and hereby is designated as the location of Southern College.

J. EDGAR WALL, President.

W. A. COOPER, Secretary.

### Number Two

Your Board of Trustees of Southern College beg leave to report that we have labored through fire and flood to save the institution and to maintain the high standard of religion and scholarship during the days of storm and stress. There was great rejoicing that no lives were lost during the fire even though the financial loss was large. The Board had just finished its work of enlarging the capacity of the girl's dormitory and it was filled with earnest students. This work had been done at the cost of \$25,000.00, but the fire completely destroyed the building.

Your Board met in special session and through the generosity of Mr. E. T. Roux in offering to us the use of the Clearwater Beach Hotel we were able to reopen the school without the loss of the student body or of time. The work of the school was continued and both the student body and the faculty testified their loyalty to the institution by their fidelity to the work. Your Board of necessity had to erect several buildings for the boys' dormitory and class rooms at a cost of \$21,000. After the fire came the storm and the winds blew and the floods beat against the houses but they stood and the work of

the school was immediately taken up and continues until this day.

Your Board would be ungrateful and derelict in its duty did it not testify to the courage and fidelity of President and Mrs. Alderman and several others of the faculty and student body who refused to seek their personal safety but elected to remain on the island and struggle against the storm king in order to save our property and to protect the school.

Your Board is also glad to report that there is peace and harmony among the officers, teachers and students of the college at this time. There is a spiritual atmosphere in the school which will contribute to the development of the religious life and deeper consecration of the student body.

The president in his report to the Board of Trustees truly says: "Our financial problem has always been a very serious one. Since the income from students pays only one-third of the operating expenses, we have had to depend upon the education assessments and contributions for the balance. It takes at least \$25,000 a year over and above the income from tuition to maintain a standard college. We have had for operating expenses less than half this sum and have had to face a deficit each year. We are looking forward to the time when our Educational Movement will bring relief from this embarrassing situation."

One other item of finance should be stated in this report and that is that just before the fire over five thousand dollars of new equipment, with \$5,000 of supplies had been put into the college, the loss therefore in the new buildings and equipment, with the cost of the buildings at Clearwater Beach to our loss was more than the insurance on the buildings.

Your Board desires to call your attention to several changes in the charter of the college governing the election of the Board of Trustees, which are as follows:

### Report Number Three

The members of this Board shall be elected in accordance with the provisions of our charter as amended: Eleven ministers and eleven laymen shall be chosen or designated by the Florida Conference of the Methodist Episcopal Church, South, at the session of the Florida Conference of the Methodist Episcopal Church, South, held in the year 1921; three ministers and three laymen shall be chosen to serve as trustees for the term of one year; four ministers and four laymen shall be chosen to serve as trustees for the term of two years; four ministers and four laymen shall be chosen to serve as trustees for the term of three years; annually thereafter as vacancies occur the term of trustees shall be for the term of three years. There shall also be chosen three trustees who shall be members of the Methodist Episcopal Church, South, and alumni or alumnae of Southern College or its predecessors, to be known as alumni trustees, and they shall be chosen in the following manner:

The Board of Trustees at its annual meeting in June, 1922, shall elect seven members of the alumni-ae of Southern College or its predecessors whose names shall be printed upon a ballot to be mailed to each alumnus or alumnae by the secretary of the Board to be voted for as trustee: the one receiving the highest number of votes shall be elected as trustee for the term of three years, the one receiving the next highest number of votes shall be elected to serve as trustee for the term of two years, and the one receiving the third highest number of votes shall be elected to serve as trustee for the term of one year: annually thereafter as vacancies occur one trustee shall be so nominated by the alumni-ae and the term of office shall be for the term of three years. The Alumni Trustees so nominated shall

be recommended to the Florida Annual Conference for election.

The term of office of all trustees of this institution elected thereafter by the Florida Annual Conference shall begin at the end of the sessions of the Florida Annual Conference at which said trustee may be elected.

We therefore call to your attention that the term of all the trustees expire at this session of the Florida Annual Conference and that a new board is to be elected.

J. EDGAR WALL, President.

W. A. COOPER, Secretary.

#### RESOLUTION ON SALE OF PROPERTY

Resolved, That the Board of Southern College request the Florida Annual Conference of the Methodist Episcopal Church, South, to authorize said Board of Trustees to sell, at such time, for such price and upon such terms as it may determine for the best interests of Southern College all real estate and personal property now owned by Southern College at Sutherland, Florida; and be it further

Resolved, That the said Board of Trustees of Southern College request the Florida Annual Conference of the Methodist Episcopal Church, South, to authorize the said Board of Trustees to sell, manage and dispose of any and all real estate that is now owned by Southern College as investment property during the year of 1922 as it may determine; Provided that nothing in this resolution shall be construed to authorize said Board of Trustees to sell or to dispose of any real estate in Lakeland, Florida.

L. N. PIPKIN, Vice-President.

W. A. COOPER, Secretary.

#### RESOLUTION ON SOUTHERN COLLEGE

Whereas, it was the purpose of the Board of Trustees in negotiating and accepting the property in Lakeland, Florida, known as the Fraley property for educational purposes to hold such property for the Florida Annual Conference; and

Whereas, the Board of Trustees before accepting the deeds to the real estate offered by the citizens of Lakeland to Southern College secured the opinion of competent counsel and had their services in the matter of the conveyance of said property, and acted upon the advice of counsel, that under the laws of the State of Florida, it was not necessary to include in the deeds the "Trust Clause" as published in the Discipline of the Methodist Episcopal Church, South, in order that Southern College, the corporation, hold said property in trust; therefore be it

Resolved that the Executive Committee of the Board of Trustees of Southern College be and they are hereby charged with securing a Declaration of Trust or such other instrument as they may be advised by competent counsel to insure to the Florida Annual Conference of the Methodist Episcopal Church, South, the holding of said property in trust for educational purposes in such manner as to make it impossible for the Board of Trustees of Southern College to dispose of by conveyance of any kind the said property without first having obtained the consent and approval of the Florida Annual Conference of the Methodist Episcopal Church, South, and that such Declaration of Trust or other instrument be recorded in the County of Polk in the State of Florida; and be it further

Resolved, That any other real estate that may hereafter be conveyed to Southern College, the corporation, by the citizens of Lakeland

for educational purposes shall be safeguarded in like manner for the use and benefit of the Florida Annual Conference of the Methodist Episcopal Church, South.

Signed,

L. N. PIPKIN, Vice-President.

W. A. COOPER, Secretary.

### BOARD OF CHURCH EXTENSION

This year records great progress in the realm of church building. The large number of members coming into the church and the renewed building spirit reveals the vitality of its spiritual life. Old style church architecture is being replaced by modern and well arranged buildings which provides for the departmental features of our church life and activities.

Dr. S. H. C. Burgin, our General Secretary of Church Extension Board, declares in his annual report to this conference that "Progress continues to be the watchword of your General Board. The total income from all sources for the year ending March 1st, was \$1,450,769.51, about \$397,000 of this coming from the Centenary, while that of the previous year was \$1,324,061.31."

In our own conference the J. C. Ley Loan Fund with only a nominal assessment has grown to be real help to many of our small churches. It has reached the sum of \$8,467.65. We wish to call the attention of the pastors of those churches obtaining loans from this fund that the principal and interest should be paid when due, so that other places equally as needy and as worthy may have the help they are so earnestly seeking.

Many sought aid this year, who will receive very little, if anything, because of the lack of funds at our disposal.

We ought to have at least \$50,000 in our Conference Loan Fund to meet the growing needs of our conference. Only about 30 per cent of the amount asked for could be granted.

The amount coming to our Board from the general assessment this year was \$2,340.46; from the J. C. Ley Fund assessment was \$535.64.

Applications for aid were granted as follows:

We recommend that the fourth Sunday in March be designated as Church Extension Day in our conference and ask that the pastors preach on the subject and take a collection to be added to our donation fund to aid struggling churches in our conference.

### SUNDAY SCHOOL BOARD

In presenting our report of the Sunday school work for the year now closing, we wish to express our gratitude to God for His gracious help; and to all our presiding elders, pastors and our noble band of Sunday school workers who have labored faithfully and co-operated with us in our plans.

#### Training School

We recognize the Sunday school as a part of our system of Christian education. We are directing our attention to the elevation of the standards of work done. To this end, we conducted a Standard Training School at Clearwater Beach in June, in co-operation with the Board of Missions, which was a pronounced success. The attendance was very gratifying and the work done, fully met the requirements of our Teacher Training Department at Nashville. The results of this school were sent to headquarters, and the Department issued 151 Credits, 3 Incomplete Diplomas, 2 Blue Seal and 1 Gold Seal Diplomas; a total of 157 credits. A large number of our workers attended the Junaluska Training School, receiving 62 additional credits and diplomas.

#### District Organization

The splendid results to be obtained by a thorough organization of the districts are clearly demonstrated in the Jacksonville District. For several years a District Training School and District Bible Class Federation have been conducted by the District Secretary and committee. The results have been most helpful to the work in this district.

It is one item in our plans for the coming year to secure an organization in every district.

#### Sunday School Federation

This was formally called the Wesley Bible Class Federation, but now includes all departments of our work; hence the change in name.

Our Federation met in St. Petersburg; was conducted on departmental lines and was an inspiring, stimulating occasion.

The attendance was not quite so large as in other years, but the good accomplished was broader in its scope.

#### Organization and Administration

In this item, there has been improvement in many schools. Thirteen Primary Departments have been organized in as many schools; better systems of records; graded lessons placed in thirty-one schools; twenty-six classes organized; a number of Circuit Conferences promoted, and several new schools are some results in this department.

#### Centenary

Very nearly all our schools made a pledge to this movement and have met the payments promptly. The last published report of

amounts paid by the schools to this cause showed our conference held first place. We trust we can maintain this position.

### Field Workers

Realizing that our work has made much more rapid progress in every way since we placed a secretary in the field, twelve years ago, we desire to continue two workers. We have employed Prof. F. M. Williamson as Field Secretary, and Miss Lola Lawler as Elementary Superintendent for next year, and ask your endorsement of this action.

### Budget

Our budget for the coming year is the same as last year; and we ask for an allotment of \$10,000 in the Conference Budget. The items of our budget are attached hereto.

### Plans

Our plans for the coming year include: 100 per cent observance of Sunday School Day in every district; a Conference Training School at Clearwater Beach; a larger attendance at Junaluska School; an efficient working organization in each district; more complete organization and more efficient administration in the local schools. We ask for your hearty co-operation in carrying out these plans.

We pledge our loyal and hearty support to the Centenary, the Orphanage, and each department of our church life to which we can in any way contribute.

Respectfully submitted,

S. W. LAWLER, Chairman.

A. H. COLE, Secretary.

### EPWORTH LEAGUE BOARD

Your Board is gratified that it is able to report such substantial and unprecedented progress in League work in our conference during the past year. This is partly evidenced by the following figures:

At last Annual Conference the number of chapters reported was 166. At this date they number 214, an increase of 48 chapters, or 29 per cent over last year, against an increase the year before of 7 per cent. The Leaguers pledged at their Assembly of 1920, \$3268.00 for

African Special, and at close of their League year in June of 1921, they had paid \$3396.00. At this Assembly last June they pledged for their next year to pay to African Special, \$4140.00, besides pledging \$1900.00 to help your Board pay the salary and expenses of our Field Secretary. At last conference the Life Service Volunteers numbered 100; now there are 131. One year ago there were three Epworth League Unions; this year there have been four new ones organized, making seven at the present time, and within the next two months three more will be organized, making ten in our conference. This will place it undoubtedly in the lead of other conferences as to number and efficiency of Epworth League Unions. League unions are mediums thru which the interest and efficiency of the local chapters are wonderfully increased and our young people are trained in a larger way than the local chapters can do.

Miss Alice Crone, the Field Secretary employed by your Board, has, since March, covered the State in Epworth League work. Its worth has been partly made apparent to you thru the above figures, but her greater service as a spiritual leader and teacher of the young people has been made manifest to the pastors on the local charges as they have seen her in her labors. It will suffice to say that she has not neglected the out-of-the-way places, but facing cheerfully some trials and inconveniences, she has carried her messages of efficiency, inspiration and spirituality to those in need. Her work has been a great factor in bringing the Epworth League work of our conference to its highest point of interest, efficiency and spirituality, in bringing many souls into the Kingdom of God, and in winning volunteers for life service in home or foreign fields.

At this point we, your Board, mindful of the greatness and importance of this work, make the request that you appropriate for Epworth League work the sum of \$2,000, the same amount as last year, that we may keep this worker in the field.

As an important advance in our work we would call your attention to the "Florida Epworthian," a monthly League paper that is being edited by our State League organization. Publishing this paper is an important step and we feel that it has done and will do much toward increasing the interest, efficiency and general progress of our League work.

Your Board wishes to call your special attention to the "Correlated Plan" thru which the work of the Junior Epworth Leagues, and Junior Missionary Societies are co-ordinated and made more widespread and effective. This plan is being supported by the State League organization and by the Woman's Missionary Society of our conference. Its plan in detail is outlined in the Year Book of our last Epworth League Summer Assembly, or can be obtained from the League headquarters. We call upon the pastors to familiarize themselves with this plan and to see that it is adopted in their charges wherever possible.

It is the plan of your Board to see that the League work is presented during sessions of the District Conferences, either by our Field Secretary or by some member of this Board, and in this we would like to enlist the effective co-operation of the presiding elders.

We would urge that League Anniversary Day, the second Sunday in May, be universally observed over our conference, and that where possible the Epworth League be given charge of one of the church services on that day; or where there is no Epworth League, that some of the young people be given charge of a service.

The Epworth League is rapidly proving that it is the one thing needed and adequate to hold the young people to the church, bring to them spiritual growth, give them the opportunity and desire to win souls; teach them how to do social service work and help us make

of the church of today a "Church of service, not merely of profession;" to place before them a wholesome program of Christian recreation; to call workers to life service in the home or foreign fields; and to make of our young people the enthusiastic, aggressive, trained, and consecrated leaders of our greater church of tomorrow.

We close by asking the continued and increased co-operation of our ministry in this important work.

S. A. WILSON, Chairman.

D. D. DIEFFENWIERTH, Secretary.

C. E. EARNEST, Chairman.  
L. P. McCORD, Secretary.

### BOARD OF TEMPERANCE AND SOCIAL SERVICE

The conference notes with approval and gratification the constantly increasing interest among the Christian citizens of the State in all matters affecting the moral and human welfare of all classes of our people as expressed in better legislation and law enforcement protective of the rights, spiritual, physical, and political, of our children, of juvenile delinquents, the poor, orphans, the blind, and prisoners, and other classes dependent on the mercy and charity of the State and its people.

We want to commend in the strongest and most appreciative terms the executive conduct of the State's Chief Executive officer, the Governor, for his fearless, outspoken enforcement of the State's Sunday laws, the prohibition laws and other human welfare laws. And especially do we commend the repeatedly and publicly announced position of the Governor that he will remove from office any official of the State who refuses to enforce the laws of the State upon the subjects of whiskey, gambling, and the statutes protecting the Sabbath from illegal desecration.

We deplore the lax enforcement of the prohibition laws in some sections of the State and request our pastors and laymen to lead popular movements to bring public sentiment and public co-operation to the support of the Anti-Saloon League, the State and Federal officers and municipal officers who are endeavoring to make the enforcement of the anti-liquor laws efficient and thorough, and to this end we recommend that special services shall be held in the churches to emphasize the duty of all good citizens to join in the enforcement of those laws. We recommend that C. W. Croke be appointed as Superintendent of the Anti-Saloon League of Florida.

W. A. COOPER, Chairman.

C. W. MATHISON, Secretary.

### BOARD ON LAY ACTIVITIES

We, your Board, beg to submit herewith some observations and suggestions for the work of the laymen of our conference and the peculiar place of privilege and power they now occupy in the life of the church.

With the success of the Missionary Centenary and Christian Education Movements the lay forces of the church played no small part, but the subscription and the collection of these pledges is one and the same work and we therefore call upon the district, charge and church leaders of this conference to get squarely behind the latter phase of these movements and see that they fail not in their objectives for lack of follow up work.

The work of every interest of the church as represented by the several boards, general and conference, are absolutely tied up with and contingent upon our making good in dollars and cents the pledges we have made to the building of the kingdom through these two movements.

We therefore urge that in every church the lay forces place themselves squarely behind the work of the church and use the minute speakers, the bulletins and all other educational means to keep the conscience of the church membership sensitive on the subject of these two great movements.

We urge that the lay leaders of the several districts in co-operation with the presiding elders see to it that there is some religious service held in every church in the conference every Sunday in the year.

We urge the budget system of finance upon all our church officials

with weekly or at least monthly payments of the finances of the local church so that there will be no necessity of eleventh hour appeals to "pull the church out in full."

We respectfully request the aid of the Sunday school superintendents, the Missionary Society and the Epworth League officers in putting on a full program of lay activities in each charge in the conference during the year 1922.

We recommend the putting on of an intensive campaign, by the lay forces of the conference, of cultural work early in the new year looking to the informing, enthusing and consecrating of every member of every church in the conference to the great task of building the spiritual life of the local church and through them the world-wide kingdom.

We nominate for our Conference Lay Leader for next year, Mr. L. P. McCord, of Jacksonville.

For the Committee,

J. H. THERRELL, Secretary.

### THE ORPHANAGE BOARD

The Orphanage Board reports a year of gratifying grace and work, with corresponding satisfactory results.

Without invidious comparisons we feel it to be a work of no minor importance, being a place of refuge, as a last resort for the orphaned children of preachers and laymen alike.

And the Board is grateful to all charges, preachers, superintendents, individuals, educational bodies, doctors, dentists and others who in any way have contributed to the welfare of these children, particularly to Dr. Cason, who has given diligent service and Mrs. Brooks, who has shown unflinching devotion to the cause.

The Orphanage property consists of the original seventeen acres and the home, to which have been added during the year eleven acres of orange and grapefruit grove, which this year will yield some fruit, the grove costing \$7,000, of which \$2,000 has been paid, and also a new boys' dormitory, built of brick, costing \$10,000, entirely paid for, and the installation of a new water power plant and storage tank. The total value of the property being \$35,000.

The number of children reported at the last Annual Conference was forty-seven, to which there have been added during the year thirty-one, returned to guardians, eight; dismissed, having attained legal age, two; leaving total inmates in orphanage, seventy-one, including three in boarding schools—two at Brevard and one at Mont-verde.

Fourteen girls and three boys are studying music and all of the children receive training in chorus singing.

All are regular attendants at Sunday school. There is a Senior and Junior Epworth League and the Intermediate League won the Conference Banner.

There have been only two cases of illness, the general health being excellent, due largely to wholesome food, open air sleeping, swimming pools, etc.

The farm, under the cultivation of the boys, superintended by the farmer, produces a large part of the vegetables used, as well as canning supplies for the winter.

Live stock consists of 350 chickens, 100 ducks, 12 hogs, 2 cows, and one horse.

Estimated value of clothing received, \$877; of feed stuff, \$135. The

pressing need now is a new sleeping porch for the girls, and enlarged dining room facilities, which will cost \$3,000.

Also a baby dormitory to relieve the crowded condition of babes and girls in some quarters, and a high school recitation and study hall to provide education for children above grammar school grades, since the county of Volusia does not grant a teacher for this department and the Orphanage is now paying for a resident teacher who has at this time eight pupils doing high school work.

And, if the conference is really intending to build a modern orphanage it is necessary to arrange for suitable buildings and equipment for vocational training, since this important department so necessary to fit the children for life's work is all in the future.

The Board respectfully asks that in view of the fact that at this time one-third more children are being provided for than there were last year that the appropriation be \$15,000.

For information the Board wishes to report that whereas there was raised for all purposes during 1920, the sum of \$9,714.00, there has been raised during the past year, 1921, with the agent in the field, the sum of \$19,687.00.

The Board respectfully recommends:

- (1) That the agent be retained in the field.
- (2) That Dr. J. R. Cason be appointed by the Bishop as Superintendent and Field Agent.
- (3) That the pastors receive him in their churches to plead for the orphanage and co-operate with him in the work.
- (4) That in view of the fact that there are now one-third more children being cared for, with many more on the waiting list, that the assessment be \$15,000.
- (5) That the conference treasurer receive and handle the Orphanage money as a separate item and that the Conference Commission on Finance recommend the assessment be distributed among the districts as are the other assessments and request the district stewards to lay the Orphanage collection as a separate item from the conference work budget.
- (6) That each Fifth Sunday be observed as Orphanage Day in the church and Sunday school and that each Sunday school superintendent and pastor be requested to present the claims of the Orphanage, raising the collection by free-will offerings.
- (7) That the following changes in the Board be recommended:  
Dr. J. P. Hilburn is nominated in place of Dr. T. J. Nixon; J. E. Foxworthy in place of J. W. Tucker; E. T. Roux in place of R. L. Phillips; J. H. Mercer in place of A. R. Curry; Col. T. L. Wilson in place of W. H. Cassidy.

The financial report in detail, having been duly audited, is attached to this report.

JOHN R. CASON, President.

C. E. HOWARD, Secretary.

Respectfully submitted,

FLORIDA METHODIST ORPHANAGE,

By C. BRINKLEY, Treasurer.

TRUSTEES OF FLORIDA CHRISTIAN ADVOCATE

Your Board is glad to report that this has been a better year than usual for the Advocate, its circulation having advanced at one time to above 5,000. It is now about 4,800. This increase has been largely due to the adoption, by a number of our churches, of the budget plan; and we earnestly urge our churches to adopt this plan wherever possible. Under this plan, if generally adopted, it should be possible to

run our circulation up to 10,000 copies.

Again we have to report that we have been greatly aided in the publication of the Advocate by the co-operation of the Florida Methodist Publishing Company, without which our difficulties would have been much greater. In return for this, we should give this Company our co-operation, by our patronage in every possible way.

As directed last year, we have entered into a new publishing contract with this Company for five years.

Our endowment fund has grown but little during the year, mainly because of the Educational campaign. We again recommend that this fund be built up, by voluntary subscriptions, to as large an amount as possible.

We recommend the re-appointment of Rev. J. Edgar Wilson as Editor and Publishing Agent, and of Rev. D. B. Sweat as Assistant Editor.

The terms of three members of this Board having expired—L. D. Lowe, J. D. Major and W. F. Johnson—we recommend their re-election for the four year term.

In the Centenary and Educational Campaigns, in securing the splendid new site for Southern College, and in other forward movements of the conference, our paper has borne an active and very helpful part. It has doubtless brought into the treasury of the church thousands of dollars for every dollar we have expended upon it, besides exerting a constructive and helpful influence in our homes and churches. We most earnestly urge our pastors to do all in their power to put the Advocate into the homes of ALL our people; that its ministry may be thereby greatly enlarged.

We request that the Advocate assessment be placed for the coming year at \$4,000.00.

L. D. LOWE, President.

J. F. BELL, Secretary.

#### BOARD OF CHRISTIAN LITERATURE

Two reports were referred to us: one from the Publishing House and one from the Christian Advocate.

We are pleased to know that the business of the Publishing House has increased during the last year nearly half a million dollars; and the net profits have increased nearly two hundred thousand dollars.

We recommend to our people the large number of useful books carried by our Publishing House.

We are glad to report that the Christian Advocate continues to maintain its high standard as a Christian paper. It is indispensable to our church in carrying on our great enterprises. We most heartily commend it to all our people.

Our Sunday school literature still maintains its high rank; and we urge that it be used by all our Sunday schools.

Our own paper, the Florida Christian Advocate, continues to grow in interest and usefulness. It is indispensable in carrying on our conference work. We commend it to our people and respectfully urge our pastors to do all in their power to increase its circulation.

C. A. SAUNDERS, Secretary.

#### TRUSTEES PREACHERS' RELIEF FUND

The Trustees of the Preachers' Relief Fund beg leave to report that through the labors of our very efficient agent, Rev. B. K. Thrower, our Miami superannuate home, an excellent house, valued at \$6,000.00, has been completed, and the Tomkies Memorial in Tampa will soon be ready for occupancy.

We have set \$5,000 as the addition to our endowment to be raised during 1922. To this end we bespeak your prayers and co-operation in behalf of the "Old Guard," our honored superannuates.

We respectfully request the reappointment of Rev. B. K. Thrower as agent for the Board for the ensuing conference year.

#### COMMITTEE ON DISTRICT CONFERENCE RECORDS

We, your committee on District Conference Records, have carefully examined the records of each of the nine district conference records of the conference and found them neatly and properly kept except that the Ocala District Conference record has no signature of the president.

We wish to commend the district secretaries for the excellent manner in which their journals are kept.

Respectfully submitted,

C. W. MATHISON, Chairman.

MRS. C. S. GARDNER, Secretary.

### SABBATH OBSERVANCE

Your Committee on Sabbath Observance calls the attention of the conference and the church to the fact that the Christian Sabbath, or Lord's Day, is no ordinary day, because that all Christianity has its foundation on the Lord's Resurrection Day, and must be distinctively kept if Christian, as well as social and civil life is to succeed.

Therefore, we urge that our preachers vigorously proclaim that no Christian can be in a right relationship with God who does not pay due respect to the day so closely connected with our justification from sin.

Second, That we urge every Christian to strenuously oppose every act of social and civil life that tend to disgrace the day.

Third, That we push in every possible way the enforcement of our laws made for the protection of the day, especially against Sunday baseball, moving picture shows and other forms of amusements unworthy of the day, or the securing of laws that will prohibit the same.

Fourth, We recommend that our preachers present this cause at least one Sunday in the year in every church and Sunday school in the conference.

L. MUNRO, Chairman.

PAUL KENDALL, Secretary.

## RESOLUTIONS

### Co-operation With College Authorities

Whereas, after years of struggle and heroic effort to build a Christian college for Florida Methodism, God's gracious help and providence have brought us to a place where we can foresee the consummation of our hopes; and

Whereas, the necessity is upon us for prompt, united and efficient action in locating, building and equipping our college;

Resolved, That as a body of Christian ministers and laymen it becomes us to stand unitedly in the prosecution of this great work, laying aside our differences of opinion and judgment, and our personal preferences; cordially co-operating with the constituted authorities of the college, its Faculty and Board of Trustees; earnestly, loyally pressing home on the hearts of all our people this great issue, and sparing no righteous effort until the "Greater Southern" stands complete, the joy and blessing of our Florida Methodism. "And this will we do if God permit."

W. M. POAGE.

R. H. BARNETT.

W. J. GRAY.

### EXPRESSION OF THANKS TO BROTHER ROUX

Resolved, That the conference express its high appreciation of the large hearted generosity of Mr. E. T. C. FRED BLACKBURN, Sec'y.

### RESOLUTION REGARDING THE ORPHANAGE

Whereas, there are so many and varied interests connected with our Orphanage work and vitally related to that large and growing family, which can be most efficiently handled by good women; therefore

Resolved, That we request each pastor to appoint, some time during the month of January, an orphanage committee consisting of two women and one man, to represent the local church in connection with the Orphanage Board.

W. J. CARPENTER.

J. F. BELL.

SMITH HARDIN.

**RESOLUTION OF APPRECIATION**

Whereas, Brother John W. Veach, who died in Orlando, Florida, July 3rd, 1884, left all of his estate to his wife, Mrs. Sarah G. Veach, to be used in her life for her support, and specified in his will that the larger part of whatever was left at her death, which occurred December 11th, 1899, was to be divided as follows: One half to the worn-out preachers of the Florida Conference and the other half to the Reverend J. B. McFerrin or his successors to be used equally for the foreign and domestic missionary cause; and

Whereas, about nineteen (19) years after the death of the said Sarah G. Veach the authorities of our church collected nearly Ten Thousand Dollars (\$10,000.00) for the above-mentioned cause;

Therefore, be it resolved, that this paper be published in our journal in loving remembrance of their gift and devotion to the Church of Christ, and to show our thanks to our Heavenly Father for this blessed gift made by Brother John W. ## PART IV.

### Memorials To The General Conference.

#### Memorial Number One

We therefore memorialize the General Conference to add a paragraph to the Discipline of 1906; or to so change the present ritual as to conform to the teaching of article number seven on Original Sin.

Signed,

H. E. PARTRIDGE,  
and adopted by the Conference.

#### Memorial Number Two

Whereas, our conference claimants are annually increased in numbers, and in needs; therefore, be it

Resolved, That the General Conference at its approaching session be petitioned by the Florida Annual Conference with other conferences to authorize the Board of Finance to arrange within two years, or by the middle of the ensuing quadrennium, to raise for its superannuate endowment fund the sum of not less than ten millions of dollars to be administered under the terms of its charter for the claimants.

Signed,

E. J. GATES,  
and adopted by the Conference.

#### Memorial Number Three

Whereas, it appears that the law providing for the deeding of property for school purposes, as stated in paragraph 494 of the Discipline is ambiguous; and whereas, it is of vital importance that all church property for school purposes should be so secured to the church as to as nearly as possible eliminate all doubt as to the title of such property.

We therefore memorialize the General Conference to add a paragraph to the Discipline containing a Trust Clause as follows:

"In trust that said property shall be used, kept, maintained until disposed of as a place for educational purposes for the use of the ministry and membership of the Methodist Episcopal Church, South, subject to the Discipline, usage and ministerial appointment as from time to time authorized and declared by the General Conference of said church, and by the Annual Conference within whose bounds said property is situated."

Signed,

J. P. HILBURN.  
C. FRED BLACKBURN.  
and adopted by the Conference.

#### Memorial Number Four

We, the Florida Annual Conference, respectfully memorialize the next General Conference to enact the following:

That the General Boards of the Church shall include in their membership one member elected from each Annual Conference within the bounds of the Annual Conferences in the United States.

Signed,

W. A. COOPER,  
and adopted by the Conference.

That the law regarding the term of appointment of any preacher or presiding elder be made the same that it was immediately prior to the General Conference of 1918; that is that the time for which any bishop may appoint a preacher or presiding elder to the same charge be four years, with the same exceptions as in the Discipline of 1914.

Signed,

MRS. P. N. KING,  
and adopted by the Conference.

#### Memorial Number Five

Since our Church has granted the rights of the laity to the women of the Church; and whereas, the superintendents of Sunday schools and presidents of Epworth Leagues are, by virtue of their office, members of the Quarterly Conference; be it

Resolved, That the General Conference be memorialized by the Florida Annual Conference to change the law so that the presidents of Woman's Missionary Societies will be members of the Quarterly Conferences.

Signed,

MRS. J. M. GROSS.  
MRS. C. W. WHITE.  
and adopted by the Conference.

## PART V—MEMOIRS

### Rev. John T. Coleman

Rev. John Thomas Coleman was born in Merriwether County, Ga., December 2nd, 1847, and died in Tampa, Fla., June 9th, 1921.

When he was ten years of age his parents moved to Talladega County, Alabama, and there he grew up to manhood, and lived for a good many years.

He united with the Church in 1865, when he was 18 years old and in 1869 was licensed to be a preacher of the Gospel.

In the year 1879 he was admitted on trial in the North Alabama Conference of the Methodist Episcopal Church, South, and completed the prescribed course of study in four years.

While living in Alabama he married Miss Elizabeth J. Ramsey, with whom he lived happily until her death on May 26th, 1892. On account of illness in his family he located and for several years served the church as a local preacher.

In January, 1894, Brother Coleman was readmitted into the traveling connection at the session of the Florida Annual Conference, held in Palatka. During his active ministry in the Florida Conference he served the following charges: Levy Mission, Wildwood Circuit, Kathleen Circuit, Bowling Green Circuit, Leon Circuit, Kings Ferry and Woodville Circuit.

He took the superannuated relation in the conference in 1902, but after four years in that relation he again became active, and during the years of 1906 and 1907 he was pastor of the Woodville Circuit. This was his last charge, and again he was placed on the honor roll, where he remained until God called him to his reward.

After moving to Florida, Brother Coleman was married to Miss Leonora M. Riviere, of Alachua County, Fla., who made him a devoted wife, a faithful helper in his ministry, and a true Christian mother in the home. Two sons were born to them. Coke Pierce lived to manhood, and died in the service of his country during the world war, and now sleeps in a soldier's grave in Tampa, Fla. The other son, Thomas Earle, lives with his mother in Tampa, and has recently answered the call to preach the Gospel, and is now getting ready for his work.

Our dear brother has lived a useful Christian life and we know where to find him.

"Servant of God well done,  
Rest from thy loved employ,  
The battle fought, the vict'ry won,  
Enter thy Master's joy."

T. J. NIXON.

### Rev. Thomas Walker Tomkies

The subject of this memoir was born in Hanover County, near Ashland, Virginia, January 24th, 1846, and passed to his heavenly home from Tampa, Florida, November 25th, 1921. He was born and reared in a Christian home and was converted when a mere lad. He availed himself of all educational advantages of that early time and prepared himself for teaching in which he engaged for several years and for his life work in the Christian ministry.

His call to the ministry was clear and definite and under divine compulsion he gladly gave himself up to preaching the gospel. He

felt that divine honors had been conferred upon him and he was not disobedient to the heavenly vision. When a young man of twenty-three, December 13th, 1869, at Lake City, Florida, he was admitted on trial into the Florida Conference, and from that time until he was released from earthly service, he never turned aside a day from his sacred calling.

It is an interesting fact that when he was a boy of 17 years he heard and answered his country's call to arms and followed Gen. Robt. E. Lee through two bloody years and when he surrendered with his gallant commander at Appomattox, the war closed with him, and no bitterness was harbored in his heart for his former foes.

Loyalty and obedience to his country prepared him for high service and invincible courage under the captain of his salvation. How gentle he was and yet how brave. He never quailed before any foe. He was a good soldier of Jesus Christ. His ministry embraced the larger part of this conference. His appointments were as follows: Concord Circuit, one year; Fernandina, three years; St. John's Circuit, one year; St. Matthews Mission in Jacksonville, one year; Orange Springs Circuit, two years; Archer Circuit, four years; Newnansville Circuit, two years; Leesburg-Orlando District as presiding elder, four years; Apalachicola station, two years; Sanford station, one year; presiding elder Jacksonville District, three years; Tallahassee District, three years; Orlando District, four years; Gainesville, one year; Tampa Heights Mission, one year; Fort Pierce, four years; Palmetto Mission, one year; South Boulevard, Tallahassee and Havana, three years; Tarpon Springs, two years; Boca Grande, two years; Manatee, two years; Eighth Avenue and Edgewood, Tampa, two years—a grand total of fifty-two years of itinerant service.

His ministry began before there were any modern conveniences. There was no railroad south of Jacksonville—no South Florida—no East Coast—all of the southern part of the peninsula was largely a physical desolation. Many of his appointments were what we call hard ones, involving frequent and long absences from home, and many hardships, sacrifices and small salaries, but none of these things tempted him to secularize and to enjoy the comforts and ease of life. In his fifty-two years what an enviable record he made—what history he helped to write. He helped to lay deeply and wisely the foundations of Florida Methodism and rear the splendid superstructures thereon, that is our pride and joy today.

Dr. Tomkies married the woman of his choice, Miss Anna Timanus, September, 1874, in Fernandina, Florida, who stood by his side for 47 years, the mother of his sons and daughter, the faithful and devoted wife until the end. She shared willingly his trials and hardships and rejoiced in his triumphs and successes. The noble deeds, privations and sacrifices of the heroines of our Methodist itinerancy, are they not recorded in the chronicles of the skies?

Dr. Tomkies was a true gospel preacher. His sermons were invariably characterized by systematic and orderly arrangement, clearness and continuity of thought, and flawless logic and above all by forceful presentation of the gospel truth as to carry conviction to mind and heart. Had they been written they would have been models of sermonic literature.

The literary embellishment was not an end but the means of enforcing the sacred truth. His sermons were always reinforced by the man who was back of them. His stainless reputation and irreproachable character were appreciated by his brethren. No finer spirit ever dwelt among us. His wife says that no brighter jewel ever adorned a home. The characterization of the Holy Spirit of Barnabas is true of our ascended brother. He was a good man, full

of faith and of the Holy Ghost and much people were added unto the Lord. The Acts of the Apostles did not cease when St. Luke recorded his last words. Why not Apostles Wesley, Asbury, McKendry, Marvin, Galloway, Lambuth and Tomkies? Indeed, why not? Dr. Tomkies was a golden hearted man. I have not known a more lovable character. When the Prince of Orange died it is recorded that the children went through the streets weeping. The children loved Brother Tomkies—he always had a smile and a kind word for them. Goldsmith's Village Pastor may have been recorded of our Brother Tomkies:

“Thus to relieve the wretched was his pride,  
And e'en his failings leaned to virtue's side.  
But in his duty prompt at every call,  
He watched and wept, he prayed for all.  
And as a bird each fond endearment tries,  
To tempt its new-fledged offspring to the skies,  
He tried each art, reproved each dull delay,  
Allured to brighter worlds and led the way.”

I do not claim any angelic attributes for our glorified brother, but I do claim, and justly, that the excellencies of our holy Christianity flowered and fruited in his life and ministry abundantly.

Billy Sunday in a moment of great inspiration while describing his reception in heaven reached a splendid climax when he said that Jesus would say: “Here, archangel, come show Billy to his mansion.” Our brother had the ministry of angels here and doubtless in “the land of the unclouded day,” arch-angels are his servants. How fully he appreciates today the dying words of Frances E. Willard, who has been appropriately called the uncrowned queen of America, “how beautiful to be with God.” He is with God today.

I was with him for several hours and until the end came. As long as he was conscious he held my hand and would not let me leave his bedside. Just before he passed into the reveries of death, I said, “Brother Tomkies now at the close of life is the way clear?” He answered, “Yes, sir.” “Have you any fear as you pass down ‘into the valley of the shadow of death?’” And he replied, “No, sir.” And in a little while, like a tired child upon its mother's bosom, he went to sleep, and the transition was so easy that we scarcely knew just the moment when his spirit was released. I am confident that he found the darkly rolling river of death only a rivulet. “There was no mooring of the bar when he put out to sea.”

B. K. THROWER.

#### Mrs. J. S. Brooke

The subject of this memoir, the wife of Rev. J. S. Brooke, was born in Garstang, England, October 1st, 1843, and died in Delray, Florida, May 6th, 1921. She was married to Rev. J. S. Brooke in 1876. This union was blessed with six children. Three of these, Mrs. Knox, Mrs. Diamond, and Mrs. Mastenbrook, and their father remain to mourn their loss.

Sister Brooke was converted at fifteen years of age and immediately entered active Christian service as a Sunday school teacher, and continued this good work until near the time of her death. She loved this line of work and became quite proficient as a Bible class teacher. She was also a zealous worker in the Woman's Missionary Society. Her pastor writes that she magnified every relation of life, which made her a blessing to many; and that she was a power in

prayer, and her presence at any service was a benediction. These qualities and Christian graces made her a model wife for a pastor, a good mother and as her husband expressed it, "an every-day Christian." Her last words from one of her favorite hymns, "My times are in thy hands," breathes that confidence and resignation which has characterized her life of unselfish service and usefulness.

Sister Brooke rests from her labors and her works follow her. Let us who remain be encouraged by her example, to follow her as she followed Christ.

#### Mrs. Sarah Gertrude Mason

Mrs. Sarah Gertrude Mason was born July 7th, 1853, at Davisboro, Georgia; died February 23rd, 1921, at Miami, Florida.

In 1880 she was married to Rev. B. F. Mason who was many years a consecrated member of the Florida Conference and she knew well the work of a Methodist preacher's wife and always went cheerfully to the appointments where she delighted to serve the church in whatever way she could. Her faithful husband preceded her to the glory world three years ago where this happy couple were re-united in the going of Sister Mason.

She is survived by three children: Bernard Fay Mason, Key West; Mrs. Maude Mason Blackwell, Miami; and Charles G. Mason, also of Miami. She is also survived by two little grand-daughters and four sisters.

About two years ago she had a nervous collapse from which she never fully recovered. Skilled physicians did all in their power to restore her to her normal health, but to no avail, for she was never herself again.

It was the writer's privilege to be her pastor for a short time before her death and he always found it a real pleasure to visit her and talk with her as he could tell she had had real comfort and pleasure in doing her Saviour's will, for she loved her Lord devotedly and it was always her delight to do something for her church and family. Those who knew her best before her health failed, can truly say, "she was God's own anointed." Her faith in God was absolute and unwavering and her assurance was such that she turned to Him as a constant source of guidance through her every day life. In sorrow and misfortune her sympathies always found expression in gentle ministrations and kindly deeds. Since her husband's death she had made her home with her two children in Miami, Maude and Charles, where they did all in their power to relieve the devoted mother of the ills and pains which it was her misfortune to endure.

Her body was laid to rest in Gainesville by the side of her husband on February 25th, Rev. I. C. Jenkins, pastor of the First Methodist Church, officiating.

May God's richest blessings constantly be with the children, friends and loved ones and may we all meet in that sunbright clime where death is not known and peace and happiness shall reign eternally.

Her pastor,

S. A. WILSON.

#### Mrs. Mary Antoinette Blake

"But Zion is our home; Jerusalem, the city of our God.

O happy home O happy children here!

O blissful mansions of our Father's house!

Here are the harvests reaped once sown in tears:

Here is the rest by ministry enhanced:

Here is the banquet of the wine of heaven."

"The good die young," is not true, for God spared Mrs. Mary A. Blake to bless this world with her pure spirit nearly ninety-two years. Mary Antoinette Myers was born in Tallahassee, Florida, September third, eighteen hundred twenty-nine. Left an orphan at an early age, she made her home with her brother, Selim W. Myers, in Tallahassee.

She received the best education this country afforded at Wesleyan Female College, her brother, Dr. E. H. Myers, being at first professor and later president of this institution, while she was there.

In 1847, Edwin L. T. Blake was sent by Bishop Capers as pastor of Trinity Methodist Church in Tallahassee. He was then in his fourth year in the ministry. Young, handsome in person, courtly in manner, scholarly and pious, he could but be attractive to, and attracted by, the fair, cultured and deeply spiritual young lady of whom I am writing. The old, old story was repeated when they became husband and wife together, January 11th, 1848.

That Dr. E. L. T. Blake had so large and important part in planting Methodism in Florida is a fact of history; but the inspiration and personal service given by his devoted wife and helpmeet lives only in the memory of a very few, who still survive.

Their wedded happiness was uninterrupted until death claimed her noble husband, February ninth, eighteen ninety-seven. His death took place in Ocala, Florida. These forty-nine years were spent together, serving humanity and humanity's God, in the places their church appointed.

What unwritten volumes these years contain! No, not unwritten, for the recording angel writes in a book, and this record will gladden them thruout eternity. O, if the tears they dried, the sorrows they shared, the counsels they gave, the sacrifices they made, the lost they found! If all these should be written?

"Look backward! From thy lofty height survey—  
Thy years of toil, of peaceful hopes outrun.  
Look forward! Brighter than earth's morning ray  
Streams the pure light of Heaven's unsetting sun,  
The unclouded dawn of life's immortal day!"

After the ascension of her husband, in company with her daughter Jessie, she returned to the home of her childhood to spend her remaining days among relatives and friends of early life.

The mightiest influences are noiseless. The leaven works unseen, unheard, and in her little cottage home "where Jesus loved to dwell," was manifested a spirit of communion with God, and in love with all mankind. Frail of body, continually in pain, dependent on the strength of others, yet, no note of repining, no thought of self, she dwelt in loving trustfulness of God, and constant thoughtfulness of others.

Nearly nine years ago she was paralyzed, partially, and has been helpless ever since; never able to walk alone. For the past three months she had been confined to her bed, and her suffering was acute. She lost her sight some months before her death. Patient so long, when the shadows of this world wrapped her about, she longed for release that she might "go home."

When I saw her last she said, "Brother Patterson, I want to go home;" and in the dawn of the Sabbath, June twenty-sixth, her Lord cried to "The gates of Heaven, to lift up"—her loved ones on earth kissed her good bye for a season, and those who had waited so long for her coming, welcomed her to the "everlasting habitations."

From the church where her wedding vows were plighted, to a place beside her husband's dust, her frail body was carried, amidst

the tears of relatives and friends. Dr. Seymour Grady, pastor of old Trinity Church, conducted the funeral service.

She left four children: E. M. Blake, Washington, D. C.; Mrs. Florence B. Gorman, Brooklyn, N. Y.; Mrs. F. B. Biddulph and Miss Jessie P. Blake, Tallahassee, Fla., to follow her as she followed Christ, while four others preceded her, and awaited her coming.

For twenty-four years her children and friends ministered to her, but her constant companion and nurse through all these years, was her daughter Jessie. She not only lived with, but for her mother, and laid her life upon the altar of her devotion. No more beautiful picture of companionship and devotion has poet or artist ever drawn.

IRA S. PATTERSON.

### Mrs Emily Denny Haynes

Mrs. Emily Denny Haynes, wife of Rev. L. D. Haynes, was born in England, February 14th, 1853, and departed for her heavenly home at Gainesville, Florida, Sunday afternoon, April 24th, 1921. Her parents were Thomas and Diana Denny, of England, her father being an active Methodist class leader for more than fifty years. She comes of the same family as that of Bishop Collins Denny. Hence her people began and continue in honorable activity in Methodism.

Sister Haynes was a great worker in the Sunday school, her heart being in that great activity of the church. She was teacher of a class in Hawthorne to which she clung, even after failing health, until she was too weak to stand and do the work. Something less than a year before her death, when her health was practically gone, she moved to Gainesville, but was never again strong enough to be active in the church work.

Her husband bears testimony to the fact that she was an unfailing helper to him in his pastoral work, and to the end they made a congenial and happy couple.

Brother and Sister Haynes were married Feb. 9, 1902, and both in active ministry and in retirement she was his true helpmeet. Some weeks before her death she had a fall and suffered the spraining of her ankle, and from that time she gradually failed until the end. She was a patient sufferer, ready to go, and submissive to the will of the Master.

She gave an unselfish life in labor in the Master's vineyard; she deserves the reward which was laid up as a crown of glory for the faithful. Brother Haynes is lonely without her, but cheerful in the love of God.

## PART III---REPORTS

### Board of Missions

*Report No. 1*

#### *The Centenary*

Brethren of the Conference, the status of our Centenary pledges is such as to cause the gravest concern. Unless these pledges are redeemed at face value, every interest of the Church must suffer disaster. Our General Conference Board of Missions calls attention to the fact that already it has faced the necessity of stopping all building work and all advance in the Foreign fields and cannot begin again unless these pledges are paid. In the homeland the situation is no better. All advance in our own Conference or in any part of our Connectional territory awaits the payment of the Centenary pledges. In our own Conference we are in no better fix. Either we must collect these pledges or find a way to get the money they would bring in thru an added assessment or let our fair State be evangelized and taken by some other body of Christ.

Dr. J. M. Glenn, of the South Georgia Conference, has been appointed Centenary Secretary for this Conference and the South Georgia. He takes the place of Dr. Ira S. Patterson in looking after all the interests of the Centenary among us. And we bespeak for him the fullest co-operation.

We have been gratified at the interest taken in our missionary work in Florida by the Home Department of our General Board as well as by the Foreign Department. The Home Department is mainly supporting our work among foreign speaking peoples in Tampa and Key West. It has also given us large help in the Lake Okeechobee Everglades region, and will take over that section for this year.

We begin the quadrennium with 53 mission charges. During the four years we have raised to self support 56 missions charges, have created 68 new missions and now have 61 missions. At the beginning of the quadrennium the average salary including appropriation paid to our missionaries was \$633.00, the average appropriation being \$223.58. We now pay an average salary, including appropriation, of \$1,120.00.

During the quadrennium our missions have raised for all purposes \$203,060.00, the average per capita payment being \$17.54. It is worthy of note that 25 per cent of our total membership in Florida Conference holds its membership in our missions, that 2,473 members were received last year by our missionaries, and that 11,884 pupils are in the Sunday schools of our missions.

Your Board feels that it would be unkind to our missionaries if it did not express to them its profound gratitude for their loyalty and abundant labors during these four years.

#### *Evangelism*

Our late General Conference set the keynote for the whole Church when it adopted that ringing resolution pledging the whole Church to undertake to bring to the feet of our Lord and to membership in our Church a million converts during the quadrennium. And our Bishop has given us added enthusiasm for the undertaking by his generous and ardent words. Shall we not pledge ourselves to our Bishop, our Church and our Lord to seriously undertake this great evangelistic movement, and to co-operate in the fullest way in all the

plans of our Bishop and his cabinet in whatever plans they may make looking to these ends?

### *Evangelists*

Our Conference and approved evangelists have been in abundant labors during the year and have brought hundreds to Christ and to membership in our Church. We bespeak for them during the new year the place in our evangelistic campaign they deserve. Let all our pastors use them as far as possible.

### *Recommendations*

We recommend to the Conference that it nominate to the Bishop for appointment as Conference evangelists the following: Rev. J. S. Chapman, and the Rev. I. M. Belt, to labor under the direction of the Board but without expense to it; Rev. M. B. Cox to be district evangelist in Tallahassee District, to labor under the direction of the presiding elder of that district and without expense to the Board; Rev. T. W. Carlton, a local preacher, to be District Evangelist for Bartow District under the direction of the presiding elder of that district and without expense to the Board; Rev. A. D. Buck, a local preacher to be District Evangelist for the Ocala and Jacksonville Districts, under the direction of the presiding elders of those districts and the Board and to have an appropriation of \$1,500.00; Rev. J. I. Whitworth, a local preacher, to be district evangelist for the Miami and Palatka Districts, under the direction of the presiding elders of those districts and of the Board, with an appropriation of \$1800.00; Rev. P. K. Rowell, a local preacher, to be appointed as District Evangelist for Gainesville District, under the direction of the presiding elder of that district and without expense to the Board; Rev. F. E. Tiffin, to be appointed as District Evangelist for Orlando District, under the direction of the presiding elder of that district and the Board with an appropriation of \$900.00, it being understood in every one of these cases that they shall make a report to the Board as the Discipline requires, and that those who receive appropriations shall be paid as the Board pays its other missionaries.

We also recommend that the Conference approve the following local preachers to be evangelists; Rev. John B. Culpepper, Rev. W. H. McLeod, Rev. Frank P. McCall, Rev. John B. Culpepper, Jr., Rev. Henry L. Ezell, Rev. T. E. York, and Rev. Sam A. McCook; and that the first three be recommended to the General Conference Committee on Evangelism for General Evangelists.

We recommend also,

1. That the Conference nominate to the Bishop for appointment as Conference Missionary Secretary, Rev. Ira S. Patterson, to give his whole time and to be paid by the Board his salary and travel.

2. That Rev. W. F. Dunkle be nominated to the General Conference Board of Missions to fill the vacancy in the Board from Florida caused by the transfer of Rev. J. B. Mitchell to the North Georgia Conference.

3. That W. F. Dunkle and Ira S. Patterson be appointed directors of the Conference Summer School.

Respectfully submitted,

W. F. DUNKLE, *Chairman*,

C. E. GUTTERIDGE, *Secretary*.

## **Board of Education**

We desire to give in the beginning of this Board's report the marvelous work of the Board of Trustees of Southern College since the session of our last Annual Conference. One year ago we were housed in the buildings loaned to the Board of Trustees by Bro. E. T. Roux. During this year there has been erected on your splendid campus at Lakeland the Woman's Hall and the Social Hall Buildings, which are in kind and equipment unsurpassed in our great Church. The President's home, which was on the property when acquired, has been greatly improved, at his expense. This achievement has been made possible only through the loyal devotion of L. N. Pipkin, E. T. Roux and E. E. Edge. This Board for itself and on behalf of the Conference takes this occasion to record our appreciation.

That we are in debt is both a natural and necessary consequence, in view of the following facts:

1. One year ago we had no funds.

2. Out of the more than 13,000 pledges made to the Christian Education Movement, less than fifty per cent have had any payments made on them, though two payments on these pledges are past due.

3. Out of the \$774,500.00 pledges secured approximately only \$114,000.00 have been paid, and this includes several pledges which have been paid in full.

In view of the foregoing we recommend the following:

1. That this Conference pledge its hearty and earnest co-operation and support of the plans of the General Conference Board of Education in carrying on the Christian Education Movement.

2. That we endorse W. O. Lemasters as Secretary-Treasurer of the Christian Education Movement, and express our appreciation for his untiring services in connection with this movement.

3. That in view of our shortage in the collection of the pledges and the very urgent need for funds for the completion and carrying on of our work at Southern College, the size of the territory to be covered and the utter impossibility of the Secretary-Treasurer being able to cover the field, we respectfully recommend John A. Hendry to be Conference Secretary of Education, who shall, with the Secretary-Treasurer give his full time and effort in collecting funds for Southern College, the dissemination of Christian literature and the bringing home of every Methodist in Florida his responsibility in building and maintaining Southern College.

4. That beginning on March 1st of the coming year and continuing through the month of April, or until such time as may be necessary to carry this campaign into every church in our Conference, such time to be known as Christian Education Pay-Up Period, that every dollar then due on the pledges be collected and turned into the Treasury.

5. That this Conference pledge every member to hearty support and co-operation to this program and to Southern College.

6. That the third Sunday in June be designated as Southern College Day and there be a Special Service in each Church.

We further suggest that the Commission provided for by paragraph 462 of the Discipline, recently elected by this Conference be reduced to three members.

We further suggest that this Conference pledge its hearty co-operation with the General Conference Board of Education in prosecuting in our Conference the work of Religious Education in developing "a complete program of moral and religious training in the primary, grammar and high school grades of the public schools, and in providing for optional courses in religious and moral subjects to be offered in the colleges and universities of the State."

We recommend for appointment the following:

President of Southern College, Dr. R. H. Alderman; Professors in Southern College, Dr. Olin Boggess and Rev. Geo. F. Scott; Students at Emory University, George E. Summers, E. H. Crowson.

Respectfully submitted,

L. W. DUVAL, *President.*

JOHN A. HENDRY, *Secretary.*

## Board of Trustees, Southern College

At the session of our Conference held in Orlando, last December, this Board was using borrowed quarters for your college; today Southern College is occupying its own buildings in its permanent home at Lakeland. One year ago you commissioned this Board to build at once a permanent home for our only educational institution; today

we come to you with the report that we have gone far towards carrying out this commission. We were then told to undertake a task that appeared impossible of accomplishing, there being no funds ready for the undertaking; with faith we began at once, and while we have been forced to borrow the funds, and have called largely upon three laymen, we feel that the work already accomplished at Lakeland justifies every step we have taken, and with confidence we present this report and ask ratification of our acts at your hands.

The payment of the Educational Campaign pledges has been slow, less than \$50,000.00 having come into our hands for building purposes. The necessity of opening the college at Lakeland was imperative. To meet this we were forced to borrow \$250,000.00, giving as security therefor a first mortgage upon our property and this was possible only when Mr. L. N. Pipkin, Mr. E. T. Roux and Mr. E. E. Edge guaranteed the payment thereof. We ask that you in ratifying this report approve our action in this respect.

That you may be advised of the present financial condition of Southern College we are attaching as a part of this report a summary financial report for your information, and this report we hope to place in the hands of every member of our church in Florida during the month of January.

We earnestly beg every member of this Conference to give his support to such organization program and campaign, as may be recommended by your Board of Education, for collecting all educational pledges in every charge during the months of February and March. We must carry on to its full completion the work already done, and we must at once provide at Lakeland a Boy's Hall and the Administration Building.

And not only do we want to stress the financial obligation resting upon you as well as upon the members of this Board, but we want to lay upon your hearts Southern College, that it may have your prayers, your unswerving loyalty and your active work in sending to its halls every Methodist boy and girl within the bounds of our Conference. Give all these to Southern College and let us build there an institution devoted solely to the religious training of our young people and to the keeping of the faith of our fathers.

There is one vacancy in the Board of Trustees and we nominate for your consideration and election if you approve, Rev. M. H. Norton for the term of three years. At this session of the Conference the terms of those Trustees elected at the last session to serve for one year expires. We nominate for your consideration and election, if you approve, the following, whose terms of office shall be for three years: Clerical, G. F. Scott, R. Ira Barnett; Lay, E. E. Edge, J. Edgar Wall and G. W. Tedder; Alumni, J. H. Daniel.

Of the spiritual welfare of our students and of the care given them in this respect by the members of the Faculty we cannot add to the report made by our three pastors living in Lakeland, who have made to us the following report:

"The pastors of the three Lakeland churches desire to offer the following brief report of Southern College as they have viewed it from the standpoint of the leaders of the religious life of the city.

1. We have made it our business to keep in close touch with both the Faculty and the Student Body. We have been in practically every classroom and observed the nature of the work being done in each room. We have attended the Chapel Services. One of us meets regularly with the Ministerial Association; we have also walked into the Y. W. C. A. meetings rather unexpectedly but much to our own profit. We have talked with individual members of the Faculty and asked very

direct questions. Last, but not least, we have them each Sabbath in our church services.

2. It is not therefore strange, having had such opportunities for close observation, that we should reach a few conclusions concerning "Our Southern College." Southern College is sanely, earnestly, definitely, practically religious.

3. The Southern College standard of education is high. Our close acquaintance with the individuals of the student body prepares us to confirm the statement recently made by a good Christian woman when she said, "For intellectuality, marks of Christian character, and all that goes to make up the real man and woman of worth,—the student body of Southern College, (with of course a few exceptions), have the finest faces of any group of young people I have seen for a long time."

4. Of the 26 members of the Faculty, all are Christians. Twenty-one are members of the Methodist Church and the other five are in full accord with the doctrines of our Church.

5. The discipline and general management of Southern College, which rests largely in the hands of President R. H. Alderman, is firm, yet kind, efficient, but always Christian.

6. The equipment of Southern College is all that could be desired as far as completed, and just as it should be when laying the foundations of a great Christian College. Our great task will be to see that buildings and equipment keep pace with the body of students who will be coming to Southern College in ever increasing numbers.

(Signed).

G. W. ROSENBERY,  
HOLMES LOGAN,  
J. M. GROSS."

## Board of Church Extension

*Dear Fathers and Brethren:*

This Board comes to the close of the quadrennium in the midst of a church building program unparalleled in the history of our conference. There seems to be a determination to be prepared to do the best work possible which requires a building suited to modern church life and work. The demands are growing more numerous and more insistent on this and the General Board to aid in meeting this need.

We are advised that it is the purpose of the General Board to begin the operation of the Insurance Department on January 1, 1923. The cost will be 10 per cent lower than the rates of the old line insurance companies. Full information may be obtained from the general offices.

Dr. J. A. Baylor, Supervising Architect of Louisville, Ky., should be consulted before a church building is started. He has plans for the smaller church as well as for larger ones. He should be called into counsel even when a local architect is employed, so that there shall be no mistake made in the building to be erected.

The assessment from the General Board for next year is \$4,530.00. Conference Board assessment is \$4,530.00. J. C. Ley Fund is \$900.00. The amount received on assessment 1922, \$2,366.71; J. C. Ley Fund, \$531.36. Grants made on the applications made at this conference were as follows:

## Sunday School Board

In making this, our final report for the present quadrennium, we are glad to be able to report continued progress in this field of the work of our church. A few facts concerning our general work may be of interest. During the four years, there has been a noted increase in our Sunday school enrollment. During the last year, 1921, the increase in our enrollment was more than 5000 every Sunday. During the same year, there were more than 100,000 pupils united with the church.

The same marked increase in students in our training schools will also be noted. We shall not mention all the indications that are so favorable; but will remark that more than 15,000 credits were awarded to students in 1921. Our two training schools, one East and one West of the Mississippi, are attracting larger attention and have increased attendance each succeeding year.

In our conference there has been continued increase in the interest in our work, particularly so among our officers and teachers. Our present enrollment is much larger than four years ago, and the number of students in our training schools has also increased at a very encouraging rate.

During the past summer, we were not able to conduct our conference training school, because no facilities were at hand with which to conduct it. This school will be resumed next summer, holding its session at Southern College, in connection with the board of missions and the board of education.

During the year there have been held seven district training schools in as many sections of the State. The attendance on these and the number of credits awarded was very gratifying indeed. The interest awakened in all the schools that were touched has put our work forward at many new places. The plans of the Board for next year include eight such schools.

In order to carry forward the work committed to our hands, we again ask you for an allotment of \$10,000.00 which we most sorely need in this field of labor. Our budget for 1923, a copy of which is hereto attached, will show the purposes for which this fund is desired.

In conclusion, we wish to thank all those who have in any way contributed to the progress we have been able to make. We recommend most highly the faithful work of our Field Secretary, Mr. F. M. Williamson, and our elementary worker, Miss Lola Lawler. These have been employed by the Board for the coming year; and to this we ask your hearty approval. And now, as this Board is retiring and a new Sunday School Board takes up the task, we ask for them the hearty co-operation of our pastors and workers throughout our conference.

## Conference Epworth League Board

We are pleased to report that in both membership and Chapters there has been a decided gain during the past year. There are now 266 Chapters, and 9,157 members.

Last year year we reported 7 Unions, this year we rejoice that there are organized and active 24 League Unions. The spirit developed by these Unions represents activity by the young people which augurs for a new day in our church life, and in which we believe continues the spirit of Wesley in his anxiety that the Church properly conserve the preached Word through organized efforts.

Life service responses for full time Christian work continues to characterize the work of the young people's societies. It is recognized that only through careful instruction under the guidance of the church can we expect our young people to assume these definite places of leadership. To this end let our pastors see that all names of volunteers be reported to the proper authorities and seek to give them all possible guidance.

The Assembly held last June registered an attendance of 225 delegates and visitors. The spiritual results of the Assembly fully met the high standard expected from the work of class room and platform. In the development of the future programs it is the purpose of the Executive Committee to develop our own Conference men in the work of speakers and instructors.

The work of the Field Secretary, Miss Alice Crone, is well known to the members of this Conference. The Board approves her continuance in this office under the policies which have been approved by the Executive Committee. During the year she has held 7 Young People's Revivals, visited approximately 107 Chapters, conducted 10 Institutes (from three to five days in length), organized 7 Unions, 9 new Chapters. In her revival work we note with especial interest one item in which over 300 young people definitely agreed to give up card playing and dancing.

Again we mention the importance of observing Anniversary Day and call attention that it is now to be held on the second Sunday in April. This service is intended to be a public service for the entire congregation at which time an offering should be taken for Epworth League Extension and promptly forwarded to the Conference Epworth League Treasurer. (See paragraphs 434 and 416 of the Discipline).

The Epworth League is not a money raising organization. Your interest is solicited in helping young people discover their places in assuming financial obligations as church members rather than as individual organizations of the church. Spiritual results must be recognized as the outstanding objectives of our young people's work, to which end they will be true if given the proper encouragement.

*Whereas*, forty-four states of the Union have state codes to enforce their own prohibition laws, and forty-six states have ratified the Eighteenth Amendment which has become the supreme prohibitory law of the land, making the United States the first nation of the earth to adopt national prohibition, and

*Whereas*, while prohibition has vastly improved conditions in every walk of life, especially in commerce, the schools and the homes, yet these state laws and the Eighteenth Amendment are being so grossly violated in various parts of our country as to approach conditions of anarchy, especially in our own state, and

*Whereas*, United States Attorney General Daugherty declared in his annual report as follows: "Rum running vessels of American and foreign registry, carrying liquors from foreign ports to our shores, swarm along our seaboard, smuggling liquors into the United States in violation of our laws, and

*Whereas*, President Harding, in his message to Congress on December eighth, declared that, while "The day is unlikely to come when the Eighteenth Amendment will be repealed," yet "In plain speaking there are conditions relating to its enforcement which savor of nation wide scandal. It is the most demoralizing factor in our public life," and,

*Whereas*, these things being so, therefore, in order that the United States may be true and faithful to the declarations in its Constitution and the Amendments, and be a righteous example among the nations of the earth, be it

*Resolved*, First. That, as a guarantee of the perpetuity of the government, the laws of the government, including the Eighteenth Amendment, shall be enforced; that all its citizens shall obey all the laws; that to obey only the kind of laws we like breeds anarchy; that the idea that an enforcement officer, municipal, state or national, is at liberty to permit any law to be violated is monstrous; and that any citizen who violates them by buying intoxicating liquors is a criminal as well as the man who makes or sells it.

Second. Resolved that we commend the Attorney General of the United States in his orders to the United States District Attorneys to push all pending liquor cases, keeping the dockets clean, up to date; and to District Judges to impose the severest penalties possible on convictions in liquor cases; and in instituting nuisance proceedings, closing for one year all buildings used for or in violation of the liquor laws.

Third. That we commend the President in his decision to call together in January the Governors of all the states for a conference with the federal executive authorities to consider the difficulties arising out of concurrent jurisdiction in the enforcement of the Eighteenth Amendment, and to devise ways and means for its better enforcement.

Fourth. That we commend the governor of this state in removing certain county officers who were derelict in enforcement duties, and at the same time we call his attention to conditions in several parts of the state that border upon anarchy, where life is not safe because there is scarcely a semblance of law observance or enforcement.

Fifth. That we memorialize the coming session of the Legislature requesting the passage of an effective search and seizure and other such necessary measures for the effective enforcement of our prohibitory laws.

Sixth. That since it is notorious in this state that "wet" newspapers defend and encourage bootlegging, shinemaking and rumrunning, be it resolved, that the press of the entire state be furnished with a copy of these resolutions with a request to publish them, and to assist in the mobilization of a healthy public sentiment for the patriotic observance of our country's laws, which will guarantee the sanctity and perpetuity of the institutions of liberty which we defend, protect and love.

We recommend the appointment of Rev. C. W. Crooke as Superintendent of the Anti-Saloon League.

We recommend to the Legislature of Florida:

First. The enactment of a law that will give the Bible a larger place in public education; that will, at least, provide that it be read every day in every public school.

Second. The enactment of a law providing for the proper censoring of motion picture films under the supervision of a State Board of Censors.

W. A. COOPER, *Chairman*.

C. W. MATHISON, *Secretary*.

## Board of Lay Activities

The Conference Board of Lay Activities beg leave to report that we have completely organized for effective service during the coming year and plan through our district, charge and church lay organizations to carry out the entire plan as submitted by the General Board, but propose to place special emphasis on the following: First, Evangelism, giving special attention to the erection of family altars in every Methodist home. Second, collections in full, which includes Conference Claims, Centenary and Education. Third, Stewardship and proportionate giving.

We place our organization at the complete disposal of the Board of Finance in the preliminary work of the Superannuate Endowment Fund Program.

We appreciate the co-operation of all our pastors for we can only do our best work for them by working closely with them.

We nominate L. P. McCord, of Jacksonville, Conference Lay Leader for next year.

Respectfully submitted,

C. R. MORGAN, *Secretary*.

## Orphanage Board

It is indeed gratifying to the Orphanage Board to give an account of the most important trust committed to them. It is, therefore, with pleasure that we submit the following report:

We have a very happy, healthy, vigorous and prolific family. We have grown from sixty-eight to ninety-three during the year—a most remarkable and unsurpassed health record. The children have enjoyed most excellent health, no illness of sufficient moment as to require the services of a physician. We wish to record here with thanksgiving to our Heavenly Father, that since the very beginning of our institution, we have not had a death. This bespeaks to you of the healthy locality and the wise supervision of those in charge.

Seventy-four of the children are attending the local public school and are doing excellent work. We have provided a most capable teacher for our high school pupils. We have ten pupils taking the studies in the ninth and tenth grade as required by the State. We have made a beginning in vocational training. We have pupils taking shorthand and typewriting, manual training, domestic art and printing. Besides this we have a splendid school of music, twenty-five girls making rapid progress on the piano. A band has been organized, instruments have been purchased, a competent director employed and seventeen of the children are making fine progress in this work. Special attention is given to the moral and religious training. Morning prayer and scripture readings are attended by all the household and vespers are held every evening. Regular Sunday School and prayer meeting are attended on Sundays and Wednesdays. For two years the Intermediate League has held the State banner for the best all round work and the Senior holds the banner for attendance upon the meeting of the Central Florida League Union.

Our increased numbers have necessitated making more room. We have enlarged the dining room and sleeping apartments for the girls at the cost of Two Thousand (\$2,000.00) Dollars.

The demands of this rapidly growing institution are becoming more and more; at present there are some very urgent necessities that must be met in the near future; some of these are a baby dormitory, an administration building, a manual training and vocational building and a residence for the gardener. It is the purpose of the Board to meet these demands and to make adequate provision to take care of every interest as rapidly as possible. The immediate pressing demand will call for the outlay of at least \$25,000.00, this coming Conference year.

The Board is very grateful for the splendid and liberal co-operation it has received from all our churches, Sunday schools, Epworth Leagues, Women's Missionary Societies and to each and every individual contributing to the welfare of this Institution: We desire to call special attention and to acknowledge our great appreciation to two very liberal and generous gifts; one is a gift of Ten Thousand (\$10,000.00) Dollars by that liberal hearted man, a lover of the children, Calvin Brinkley, of Jacksonville; this is to be known as the Brinkley Endowment Fund; the other is a gift of another very liberal and generous man, D. E. Williams, of Williston, of a section of land valued at Six Thousand Four Hundred (\$6,400.00) Dollars, as a Memorial Fund to his son Bryan. We trust this is but a beginning of the endowment fund of several hundred thousand dollars.

In view of the fact of the rapid growth and increased demands the Board respectfully asks for the same loyal co-operation and liberal support.

The Board respectfully recommends:

First. That the agent be retained in the field.

Second. That Dr. J. R. Cason be appointed by the Bishop as Superintendent and Field Agent.

Third. That the pastors receive him in their churches, to plead for the Orphanage, and to co-operate with him in the work.

Fourth. That the assessment for the maintenance of the Orphanage be the same as last year, Fifteen (\$15,000.00) Dollars.

Fifth. That the Conference Treasurer receive and hold the Orphanage money, as a separate item, and the Conference Commission on Finance recommend the assessment be distributed among the districts, as are other assessments and request the District Stewards to lay the Orphanage collection as a separate item from the conference work budget.

Sixth. That each fifth Sunday be observed as Orphanage Day in the Church and Sunday school, and that each Sunday school Superintendent and Pastor, be requested to present the claims of the Orphanage, raising the collection by free will offerings.

Seventh. That we request each pastor to appoint sometime during the month of January an Orphanage Committee, consisting of three to represent the local church in connection with the Orphanage Board.

Eighth. That we nominate for the Board of Trustees, for the next quadrennium, J. R. Cason, S. Hardin, F. Pixton, G. H. York, J. W. Austin, M. H. Norton, J. P. Hilburn, C. Brinkley, C. E. Howard, H. B. Carter, J. H. Mercer, Edward Robson, R. A. Gray, L. P. Hagan, and W. H. Cassady.

Ninth. That an Auxilliary Committee be appointed of one woman from each district to co-operate with Field Agent in organizing the districts. The following are appointed: Mrs. P. N. King, Miss Alice Crone, Miss Emma Tucker, Mrs. Edna Fuller, Mrs. W. M. McIntosh, Mrs. J. Lawton Moon, Mrs. L. P. McCord, Mrs. R. B. Rutherford, and Mrs. W. W. Clyatt.

Tenth. That we recommend that the last week in October be observed as Harvest Week.

### Trustees of the Florida Christian Advocate

Our conference paper continues to render the church valuable constructive service. Many have voluntarily expressed the opinion that it ranks among the best of the conference organs of our church.

The adoption of the budget plan by a number of our churches has this year run the circulation up to above 8,000 copies. Indeed, for a short period, the Tampa District was said to have the paper in every Methodist home in the district. This is, so far as we know, the only instance in all Southern Methodism where this has been done.

Our last General Conference recommended the general adoption of the budget plan in all of our churches. If this were done in the Florida Conference it would run the circulation up to nearly 15,000. We earnestly hope that every presiding elder will strive to make his district 100% in this respect this year; and that this will be done early in the year.

Our Publishing Company has added considerably to its facilities during the past year, and is prepared to handle such an increased circulation with dispatch and efficiency. Their co-operation with our Editors has been unfailingly generous: and to them, in no small degree, is due the increasing success of the paper in reach-

ing and serving our constituency. We again commend them to the good will and patronage of our people.

Some effort has been made during the year, as directed by the last conference, to increase our Endowment Fund. Owing to the enormous pressure for funds for the College, and other causes, no money was secured as a result of these efforts; but several of the Stockholders in the Florida Methodist Publishing Company have kindly donated their stock to the Trustees of the Advocate. Their holdings now amount to \$850.00, almost one-tenth of the common stock of the company. It is believed that other stockholders have similar action in contemplation. We recommend that the efforts to increase this fund be continued, as far as practicable.

The terms of three of the Advocate Trustees expire with this conference: E. C. Calhoun, F. D. Jackson, and D. W. Hall. We recommend their re-election for the four-year term.

We recommend the re-appointment of Rev. J. Edgar Wilson as editor and publishing agent: and of Rev. D. B. Sweat as associate editor.

We request that the Advocate assessment be placed for the coming year at \$6,000.00.

We recommend the election of Rev. A. C. McCall to fill out the unexpired term of Rev. J. F. Bell, resigned.

L. D. LOWE, *President*

HOLMES LOGAN, *Secretary*

## Christian Literature

Your Board of Christian Literature has carefully considered all matters referred to us.

We most heartily commend the *Florida Christian Advocate* to all our people. Our paper has improved from year to year, and the Conference number was indeed a fine number. The Advocate is needed in all the work of our Florida Methodism. The churches that place it in the budget and send it to every member will find it a splendid investment in the work of the church.

The General Organ of our church is worthy of a place in all our homes, and should have a much larger circulation among our people.

The Quarterly Review is ably edited and if widely read by our preachers and laymen will fulfill a very useful mission in our church.

Our Publishing House has done a largely increased business during 1922 over any previous year. Our people ought to buy and read many of the excellent books on sale by our own church.

We especially call attention to the tracts published by our house which will be furnished at cost to all self-sustaining charges in our Methodism and free to all mission charges. We trust that all our preachers will see to it that their people are supplied with these tracts. The thoughtful reading of good books, tracts, and the excellent papers provided by our church would greatly increase the intelligence and efficiency of preachers and people.

C. A. SAUNDERS, *Secretary*

## Trustees Preachers' Relief Fund

The Board of Trustees of the Preachers' Relief Fund beg leave to submit the following report:

Rev. B. K. Thrower, the Board's very efficient field secretary, has completed another year of most valuable service to this Board and in behalf of the interests involved in its work.

Through Brother Thrower's tireless labors this year the Tomkies Memorial Home in Tampa has been completed at a cost of \$4,300.00. A splendid bungalow home has been completed and furnished in Lakeland at a cost of \$3,000.00. Four lots secured at Lake Wales, conservatively valued at \$2,000.00, and two lots secured in Plant City, valued at \$900.00. Brother Thrower has also raised in cash this year \$2,933.53 and one Orange County Hospital Bond, par value \$100.00, same to be added to the Endowment Fund of the Board.

Through a benevolent gift from Rev. J. L. Kilgore, formerly a member of this Board and now a superannuate member of this conference, this Board will shortly come into possession jointly with the Orphanage Board of forty acres of land in Manatee County valued at about \$1,000.00.

We respectfully recommend the re-appointment of Rev. B. K. Thrower as field secretary of the Board for the ensuing conference year.

We recommend the following changes in the personnel of the Board: Gus A. Davis in place of Dr. I. S. Patterson, and H. E. Carlton in place of J. P. Phillips.

## RESOLUTIONS

## THE LEGAL CONFERENCE

*Whereas*, the Florida Annual Conference of the M. E. Church, South, is a body corporate by a special act of the Legislature of the State of Florida; and

*Whereas*, the last General Conference of our Church elected Mr. J. W. Barton as one of the agents of our Publishing interests, which interests are vital to the work of our great Church; and

*Whereas*, Mr. Barton is fully measuring up to the demands of an aggressive and successful management of these vital matters and is manifesting great business ability in the conduct of the large interests committed to his hands; and

*Whereas*, it has come to our knowledge that the trustees of Southern Methodist University have tendered Mr. J. W. Barton the presidency of that institution which carries with it a great opportunity for usefulness as well as no small honor; therefore

*Resolved*, That believing as we do that the call of the Church voiced by the General Conference is the call of God, we, the members of the Florida Conference, do unhesitatingly and most earnestly urge Mr. Barton not to sever his official connection with the Publishing interests of the Methodist Episcopal Church, South.

## ORDER IN CONFERENCE

*Resolved*, That we, the Florida Annual Conference, regard the demonstration of hand-clapping as irreverent and unbecoming in our conference body and the sanctuary of the Lord and herein disapprove of such cheering in our body as destructive of reverence and sacred dignity.

F. L. CROWSON.

## PART IV---MEMOIRS

SEYMOUR GRADY.

Seymour Grady was born in Hardy County, West Virginia, February 10, 1875; was converted at Pine Grove Church, Hardy Circuit, at a meeting held during the year 1893 and joined the church. He was licensed to preach by the Quarterly Conference of the same circuit, December 3, 1894; admitted on trial into the Baltimore Conference, M. E. Church, South, in the spring of 1898; ordained deacon by Bishop Candler, 1900, and elder by Bishop Galloway in 1902, and served the church for nine years in that conference.

On May 23, 1900, he married Miss Behethlen A. Tucker of Fairfield, Va., and this union was blessed with four children: Eunice, Evelyn, Marian and Seymour, Jr.

In 1907 he was transferred to the South Georgia Conference; and from thence to Florida in 1909. In this last field he served as pastor in Worthington Springs, Sarasota, Leesburg, Palatka, St. Augustine, and Tallahassee; and toward the close of his second year in the Capitol City, after a brief illness, passed from labor to reward, October 16, 1922.

Brother Grady was a man of warm heart and cheerful disposition, which under grace made him a pleasant companion. He thought deeply in spiritual truth; and held firmly and fearlessly to his convictions of right.

As a preacher, he was forceful and helpful and was always heard with pleasure. As a pastor, he was painstaking and tender, visiting regularly the homes of the people and especially among the poor, ministering in temporal as well as spiritual things. He gave freely and fully of his best to the cause he loved; while to the loved ones of his own home, the wealth of his noble manhood and tender heart.

Our brother lived and wrought well; and in dying thus in the prime of his life left an ineffaceable testimony to the sufficiency of divine grace and the certainty of a deathless hope. "Our people die well."

H. E. PARTRIDGE,  
*for the Committee.*

THOMAS S. ARMISTEAD.

Rev. Thomas Stewart Armistead, the subject of this memoir, was born in Gadsden County, Florida, July the 23rd, 1842, and entered into "The General Assembly and Church of the First-born which are written in Heaven" November 10th, 1922, from Bartow, Florida, in his eightieth year.

Born of godly parents, trained in a Christian home and converted at an early age, his whole life was devoted to the uplift of the world. His heart beat high with an unquenchable desire to help God save a lost world and share in its final conquest.

Our ascended brother was a hero of two wars. In the war between the States, in the lamentable fratricidal strife of the sixties, he enlisted in the Confederate army May 13th, 1862, and for four long, bloody years he did his duty to his country. His prison experience was most eventful and tragic. Lieut. Armistead was the last survivor of the immortal "Six Hundred" who were captured in the battle of the Wilderness, Virginia, May 6th, 1865. In a hospital in Washington, in a dungeon in the old capitol prison, at Fort Delaware, Charleston, S. C., at Morris Island where, with other prisoners, he was placed under

fire of the cannons of their own army, which were defending the city, then being bombarded by federal gunboats. Our brother's last sad war experience, before he was honorably discharged June the 17th, 1865, was with others in Fort Paulaski, where he was fed on rotten corn meal and pickles. These were some of his frightful experiences.

But, higher and nobler than his patriotic services to his country was his loyalty and devotion to Jesus Christ, the Captain of his salvation. He was a good soldier of Jesus Christ. I think he was a fearless man and that he never quailed before any foe. He seemed to have passed through the evils of war with his manhood and Christian character unimpaired, as he was licensed to preach January 6th, 1866. He was ordained deacon in 1868 and elder in 1870 by Bishop H. N. McTyerie. What holy hands were placed on his devoted head!

In the forty-three years of his active ministry he never had anything approaching a first-class appointment. Missions and circuits were assigned him, some of them hard appointments, where support was meager, yet he was never heard to complain. His pure life, coupled with the plain and earnest preaching of the Gospel, made his ministry useful. "His speech and his preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power: that their faith should not stand in the wisdom of men but in the power of God." Like Barnabas "he was a good man, full of the Holy Ghost and of faith and much people were added unto the Lord."

Since his death his youngest son, Thomas Bryan Armistead, has written saying that he has been converted and is preparing himself for the Christian ministry. What a joy it would have been for him to know that his mantle was to fall upon his youngest son. Perhaps he knows. If so, he is striking his harp with bolder strains and is singing in notes almost divine "Worthy is the Lamb that was slain to receive the power, and riches, and wisdom, and strength, and honor, and glory, and blessing."

For several years Brother Armistead was much afflicted, but was a patient sufferer. A few years ago he was visited by the member of the Conference who is officially charged with looking after the superannuated preachers, and was found living in a shack of a home in Bowling Green. His wife observed on that occasion "you see, we are almost out of doors." In a few months he moved into a good home in Bartow, provided by as generous a people as our Lord has on earth. There he lived without anxiety, tenderly ministered to by his family and his devoted pastor and people, until the end came.

A number of his ministerial brethren offered tributes of love to his memory at his funeral and devoted men bore his body to its burial.

He leaves a widow and three daughters of tender age to the good providence of God and the helpful and loving care of his Conference.

Brother Armistead was called away not too early or too late, "but came to his grave in a full age like as a shock of corn cometh in his season."

#### WILLIAM NICHOLAS SHEATS.

William Nicholas Sheats was born at Auburn, Georgia, March 5th, 1851, and died in Jacksonville, Florida, July 20th, 1922. He attended the public schools of his native state and graduated from Emory College with A. B. degree 1873, and M. A. from the same institution in 1876. From Emory he went to Moore's Business College, in Atlanta, Georgia, and completed a business course. In 1913 Stetson University, DeLand, Florida, conferred the L.L.D. degree upon him. He

earned by manual labor the funds with which to pay for his education, and entered educational work upon graduation.

He was married to Mary Susan Williams, of Newton, Georgia, November 14th, 1877, who shared with him his struggles and triumphs through all these years, and is left to mourn the departure of her loyal and devoted husband. His daughter, Mrs. Elizabeth Sheats Davidson, also survives him. At the age of 15, he came to Florida as a permanent resident, and his life almost at once began to be interwoven with her history. After his graduation, he devoted his life to the cause of education. He served as principal of high schools and seminaries sixteen years in all. It was while he was professor in East Florida Seminary, Gainesville, that I first knew him, and had the privilege of sitting at his feet, as a student in that institution. That was some forty-two years ago. There and then I learned to know and appreciate his many sterling qualities, and render loving admiration to him. He served as County Superintendent of Alachua's schools for twelve years. His record of twenty-one years as State Superintendent has not been equalled, to my knowledge, in our nation. And what those years meant to our state a readier pen than mine could not justly portray. Out of chaotic conditions he brought order to our schools. Incompetence in this service lost its place, to the great benefit of the children and youth of Florida.

As a member of the State Constitutional Convention in 1885, it was his mind that framed and secured the enactment into constitutional law, the article pertaining to education, which has been the foundation of our educational progress in Florida since.

He was trustee of the East Florida Seminary, and Southern College, a member of the National Educational Association, Southern Association, and State Educational Association. He was a Free and Accepted Mason. Author of eleven volumes of Florida School Reports. These are the outlines in service to his state, but how meager compared with his part in her history, growth, material and mental development! His was a busy life, and he literally "wore himself out" in the service of the state and people he loved so much. The best of his record has not been recorded. William N. Sheats was a devoted Christian, after the pattern of Methodist devotion to Christ and his cause.

I knew him as "A Member" of the Church, giving to it the same untiring devotion that he gave his state. Others never carried his obligations, either in money or service. As a steward he was faithful. Sunday school superintendent for many years, he put into this work the same thought, sought the same efficiency he demanded in public school teachers. His heart was in it. He despised what he called "perfunctory performances" in the discharge of any duty, to the state or church.

I served with him many years upon Boards of the Annual Conference, and he never shirked, or dealt lightly with these responsibilities. He was as painstaking in a report to the conference as in the preparation of bills for introduction in the Legislature. In his school days, he was co-temporary with some of our leaders in the church. He was a Methodist, not from inheritance or association, but from a full knowledge of her teachings and history, and an experience that was in perfect accord with her spirit and purpose.

Our church is sorely bereaved and has suffered incalculable loss in the "passing to the upper place, prepared by our Saviour," for this brother beloved. Not only metaphorically, but literally we can say, "A prince and a great man" in our Israel hath ascended.

No truer patriot ever struggled, bled and died for his country. His life was one long battle for the betterment of his fellowmen, mentally and spiritually. His death, (He Is Not Dead!) let's say, "departure," was sudden, and yet "Calmly he went to where death is no more. Voices have blessed him, before silent and dumb." Voices will bless him, in long years to come.

IRA S. PATTERSON.

#### A PROTEST TO THE GENERAL BOARD OF MISSIONS

To the General Board of Missions, Methodist Episcopal Church, South, Nashville, Tennessee.

The Florida Annual Conference in session at Bradentown, Florida, December 6th, 1923, hereby respectfully enters its protest against what it believes to have been hasty and ill-advised action by the Board of Missions, when by a vote of thirty-two members, out of a total membership of eighty-two members of the Board, or by a vote of thirty-two to twenty-three of those members present and voting, it was determined to move Scarritt Bible and Training School from Kansas City, Mo., and locate it at Nashville, Tenn., in close proximity to the campus of Vanderbilt University and affiliate it with the George Peabody Teacher's College.

It is our deliberate judgment, that the matter is of too great moment, its operation fraught with too great consequences to the future of our Church, to be thus determined. We have no desire to

unduly delay action nor to hinder the great work of Scarritt, nor to embarrass those who have hitherto given it support and direction. But we do earnestly protest against what seems to us, hasty action by a minority.

Therefore, we earnestly request that no further action be taken until the whole matter can be reviewed, either by the whole Board at its regular annual session, or by the General Conference in regular session.

J. P. HILBURN,  
O. A. THROWER,  
W. A. COOPER.

W. H. Budd, representative of the Centenary Movement for South Georgia and Florida, was introduced to the conference, and spoke briefly, announcing that he would receive money for that cause.

Perry, of the Board of Missions and the following who had been formerly transferred to the conference, but not introduced: J. T. Guy, A. M. Hughlett, C. F. Starnes, J. O. Grogan.

Announcements were called for and made in order. The pastor, Smith Hardin, requested that since dinner would be served in the church below, that the Bishop pronounce the blessing for dinner at the same time that the benediction was pronounced, and the conference adjourned with the benediction and the blessing.

**Report of Board of Education.**—The report of the Board of Education was read by the Secretary, H. J. Haeflinger. Unanimously adopted by the Conference as follows:

#### BOARD OF EDUCATION REPORT No. 1.

In presenting the first section of its report, your Board of Educa-

tion thinks it important to remind the Conference that we must have a strong standard college.

To overlook or underestimate this fact would be a fatal mistake. It is an occasion of profound gratitude that the great Head of the Church has providentially made possible such an institution in our Southern College at Lakeland.

This school is in its second year at the new location, and has an enrollment of 238 students, a strong faculty, and a distinctively Christian atmosphere with lofty ideals. Its possibilities of usefulness are unlimited with prompt and proper financial support.

We therefore make the following recommendations:

1. That our Bishop, Presiding Elders and official laymen be requested and urged to give active co-operation in the effort to collect the Christian Education pledges during the months of February, March and April, 1924.

2. That every subscriber be urged to pay the amount of his pledge due at that time or if possible his entire pledge.

3. That, as members of the Conference, we assure the management of the College and the Christian Education Movement, that we will to the fullest extent help them to place this institution on a sound financial basis and to increase its patronage and usefulness.

We endorse the recommendation of the General Board of Education, stressing the importance of: the call to Life Service in our Congregations, Schools, and Colleges; the continuance of local aid funds for students; attention on the part of under-graduate preachers to the Conference courses of study; care in the use of the two-thirds rule for admitting unprepared men on trial in the Conference.

We indorse the report adopted by the Junaluska Conference on Religious Education; the resolution of the Board of Trustees of Southern College to amend the Charter; the application to the General Conference Board of Education for an appropriation of \$1200.00 for work to be carried on at the University of Florida at Gainesville.

We indorse W. O. Lemasters as Secretary-Treasurer of the Christian Education Movement with appreciation of his earnest and efficient service; and the designation of the second Sunday in February, 1924, as Southern College Day. We submit the following report of W. O. Lemasters, Secretary-Treasurer of the Educational Fund for the year ending December 1st, 1923.

The amount collected on regular subscriptions, -----	\$59,031.00
The amount collected on directed gifts, -----	5,155.00
Total -----	\$64,186.00

To this amount ought to be added \$15,000.00, which has not been reported because held until the adjustment of the loan hereafter explained.

We recommend for appointment: First, R. H. Alderman as President of Southern College; Olin Boggess and George F. Scott as Professors in Southern College.

We indorse, and recommend for adoption by the Conference, the following paper bearing on the proposed loan of \$300,000.00 to Southern College.

"WHEREAS, THE FLORIDA ANNUAL CONFERENCE OF THE METHODIST EPISCOPAL CHURCH, SOUTH, in promoting the erection, at Lakeland, Polk County, Florida, of a college to be known as Southern College, at its ordinary and usual session in the year 1921, authorized the Board of Trustees of said College to procure the necessary funds to build and equip said proposed college, and,

WHEREAS, Said Southern College has heretofore, with the approval of this Conference, mortgaged its property in the sum of two hundred and fifty thousand dollars (\$250,000.00) and has incurred other obligations in the erection of certain new buildings and the equipment thereof, which actions of the Board of Trustees of said

College were duly ratified by this Conference at its regular and ordinary session held in the year 1922, as will appear by the minutes of said session and,

WHEREAS, Said Southern College, through the President and Secretary of its Board of Trustees, has applied to the Mercantile Trust Company, a banking institution of St. Louis, Missouri, for financial assistance in the sum of THREE HUNDRED THOUSAND DOLLARS (\$300,000.00), having negotiated a real estate loan of that amount, to be secured by a first deed of trust on the ground and buildings of the Southern College, comprising a tract of seventy-eight (78) acres, more or less, situated in Lakeland, Florida; the purpose of said real estate loan being to refund the present mortgage indebtedness of two hundred and fifty thousand dollars (\$250,000.00), the remainder to apply to the payment of other obligations incurred in the erection of its said new buildings, and,

WHEREAS, As a condition, precedent to the making of the real estate loan of THREE HUNDRED THOUSAND DOLLARS (\$300,000.00), the said Mercantile Trust Company insists that there shall be a specific and formal consent to and approval by this Conference in organized meeting as a preliminary to its granting; the trusts under which the title to the said Southern College property being held particularly provides that it is impossible for the Board of Trustees of said Southern College to dispose of by conveyance of any kind, the said property without first having the consent and approval of this Conference.

NOW, THEREFORE, BE IT RESOLVED, That, to enable the Southern College to procure the necessary funds proposed to be borrowed, for the purpose aforesaid, the Florida Annual Conference of the Methodist Episcopal Church, South, does hereby consent to and approve in making of the loan of THREE HUNDRED THOUSAND DOLLARS (\$300,000.00) by the Southern College on the ground and buildings hereinafter described. Said loan to be repaid Thirty Thousand Dollars (\$30,000.00) annually, beginning December 15, 1924, and ending December 15, 1933, with interest at the rate of six per cent (6%) per annum, payable semi-annually; payment of the principal and interest to be secured by a first deed of trust in the nature of a mortgage, in favor of said Mercantile Trust Company, Trustee, on the following real estate of said Southern College:

BE IT FURTHER RESOLVED, That the Florida Annual Conference of the Methodist Episcopal Church, South, does hereby grant such additional authority to the Board of Trustees of said Southern College as may be necessary for said College to consummate the loan above provided for in all respects, and does also grant whatever additional authority necessary for said Board of Trustees to carry out the provisions of the agreement for the loan of THREE HUNDRED THOUSAND DOLLARS (\$300,000.00) heretofore entered into by and between the Board of Trustees of said College and the Mercantile Trust Company and to do and perform any other act or thing in the

premises necessary to be done to fully carry out the intent and purposes of this resolution, hereby ratifying each and every action which the Board of Trustees of said Southern College may do in connection herewith."

### RESOLUTIONS OF CONDOLENCE

We, the Sunday School Board of the Florida Conference, resolve: First, That we sadly receive the news of the decease of one of our chief shepherds, Bishop James Atkins.

Second, that our beloved Bishop Atkins, having been in the past the Secretary of the General Sunday School Board, and General Editor of the Sunday School Literature, and Chairman of the General Sunday School Board, together with having been universally recognized as pre-eminenty consecrated to the interest of the Sunday School work and life, we feel it especially fitting that our Board present these resolutions of appreciation of our late Bishop's great worth, not only in the Sunday School life that was so dear to his heart, but also his skilled worth in every part of his varied and many ministries of great service to our beloved Methodism as a part of the Church of God.

Third, that we lament the loss of this, our beloved Bishop, while we humbly bow to the divine and Fatherly Providence that bears him from us unto His own presence in mansions "not made with hands eternal in the heavens."

Fourth, that in sympathy, love and prayer we extend to his family and loved ones such consolation as lies in our power, while we commend them unto the divine Father's love, the Savior's abounding grace, and to the comforts of the Holy Spirit, who is able to impart a peace which the world can neither give nor take away.

Fifth, that a copy of these resolutions be spread upon our minutes, a copy be forwarded to his family, and that a copy be furnished the Florida Christian Advocate for publication.

Lovingly submitted,

FLORIDA SUNDAY SCHOOL BOARD.

Unanimously adopted by the Florida Annual Conference in session at Bradentown, Florida, December 7th, 1923.

### REPORT OF THE SUNDAY SCHOOL BOARD TO THE FLORIDA ANNUAL CONFERENCE

The Conference Sunday School Board is pleased to report a year of unparalleled progress. The emphasis this year has been placed upon

the work of organizing the districts for mutual helpfulness along all lines of Sunday-school endeavors. At the beginning of the year there was one district with a district organization. At the close of the year a district board is functioning efficiently in every district of the conference. Several of the districts have elected all the district officers required by our District Program of Work of the "C" type, others have elected a part of them.

One of the major objectives of these boards is to formulate plans under the direction of the Conference Board for reaching every Sunday-school in the Conference with practical helps.

The training work has received its due proportion of the time and attention of the Board this year. A total of 751 standard credits has been issued through seven standard training schools, a Conference school, Junaluska, local classes, individual students and three of our Methodist colleges. The number of credits issued this year shows an increase of fifty per cent, over last year.

The Sunday School Board, the Education Board and the Mission Board conducted jointly the first session of the Conference Summer School to be held in the new plant at Southern College. The attendance was small, but a great deal of interest was shown. The results were sufficiently encouraging to justify us in offering our hearty co-operation in another school to be held in 1924.

The most encouraging feature of the work of the Board during the past year has been the hearty co-operation and sympathy of the presiding elders, pastors and other workers. A large measure of the successes attained this year has been due to them.

The ever increasing number of communications requesting help, covering all phases of Sunday-school work is an evidence of increased activity in the local schools.

We feel that the splendid work accomplished this year by our Board is largely due to the untiring efforts of F. M. Williamson, and Miss Lola Lawler. The Board will employ a Conference Sunday School superintendent.

As a result of a conference precedent that presiding elders should not serve on Conference Boards, our Board has sustained a great loss in the resignation of Rev. L. D. Lowe as our Chairman and member of the Board. The Board is very fortunate in the election of Brother S. D. Harris to succeed Brother Lowe as chairman and Rev. W. P. Buhrman to succeed him as a member of the Board. To succeed Brother Harris as treasurer of the Board, Rev. T. R. Adams was elected.

In order to carry forward the work committed to our hands, we again ask you for an appropriation of \$10,000.00 which we very much need. Our budget for 1924, a copy of which is hereto attached, will show the purposes for which this fund is desired.

John A. Hendry requested to be relieved from duty on the Sunday School Board. J. O. Grogan was nominated and elected to fill the vacancy.

**Full Connection.**—Question No. 6 was asked, "Who are admitted into full connection," and the Committee on Admissions approving and after taking the vows, Frank Wynn Cramer, Marvin Loami Smith, Marshall Elijah Thompson, George Morris Glazier, Jesse Lee Criswell, and Robert Terrill Caldwell were received into full connection by unanimous vote. Bishop Ainsworth delivered a very forceful address to the above named class.

**Jacksonville District Report.**—The report of the Jacksonville District was presented to the Conference, and commented on by Bishop Ainsworth and the Presiding Elder of the District. Under Question No. 21 the names of the following were called and their

characters passed: A. M. Mann, W. G. Strickland, L. M. Broyles, B. D. Bourn, S. I. Hendrix, F. M. Buhrman, W. A. Myres, H. T. Gaines, F. E. Steinmeyer, J. E. Hartsfield, J. F. Phillips, L. B. Simpson, L. P. Driskell, C. W. Crooke, and I. S. Patterson.

Dr. Harvey W. Cox, President of Emory University, was introduced by the Bishop and ably represented the work of the University.

Moved by J. P. Hilburn, and duly seconded and carried, that when the conference adjourns that it meet at 3:00 p. m.

#### REPORT NO. 3, OF THE FLORIDA CONFERENCE SUNDAY SCHOOL BOARD

Resolved First, That we do hereby express it as our strongest conviction that all of our Sunday School Literature, lessons and books, and our Sunday School Training courses be in all Doctrinal teachings thoroughly Scriptural and Methodistic; and that we call upon the General Sunday School Board of our Church to not only disavow the teachings above mentioned and given out by our Summer School last Summer, but also to ask for the resignation of the persons responsible for such teachings, and others in connection with that board in sympathy with such teachings, and that naught shall be incorporated in those courses that are contrary to the Methodist polity and system. Second, We deplore the occasion that brought about the controversy that developed regarding the lectures delivered by Dr. Bland, during the training school period of the General Sunday School Board at Junaluska last summer. We regret the unfortunate statements reputed to Dr. Bland, and we respectfully urge the management of the future Training Schools of our Church to see to it that no speaker be used, who is not known to be thoroughly sound, touching the doctrines and traditions of Methodism.

Signed by Committee:

F. L. CROWSON,  
J. O. GROGAN,  
J. D. SIBERT,  
P. M. BOYD.

Unanimously adopted by The Sunday School Board.

Question No. 11, "Who are located," was called and the answer "None."

Question No. 12, "Who have withdrawn or been expelled," was called and answered "None."

Question No. 5, "Who are discontinued," was called, and answered "None."

**Board of Missions.**—Reports Nos. 2, 3, and 4 of the Board of Missions were presented by I. S. Patterson. After a motion for their adoption, Dr. W. H. Budd addressed the Conference on the Centenary features of the report, and Dr. J. W. Perry, General Secretary of the Board of Missions spoke on the general subject of missions. The reports were unanimously adopted by the Conference as follows:

## BOARD OF MISSIONS

### Report No. 2.

#### General Board

The General Board of Missions calls attention to the fact that its financial year has not been an easy one, due to two or three facts—the decrease in returns on the assessments, the failing off in regular specials, the decrease in the Centenary collections last year, and the necessity of borrowing heavily in order to carry on work already started that could not be deferred without serious damage. However, the improved business conditions and the splendid results of the the emergency campaign for the Centenary early in the year met the most critical needs, and the work for the year has kept well up with the level of recent years.

The General Board and the Conference Boards have been drawn closer by recent General Conference legislation, and the General Board expects to depend more largely than ever upon the Conference Boards for assistance.

"Because of the Missionary assessment being connected with other claims of the Church in the general work budget, the returns on the assessment have been smaller than formerly." It is of the utmost importance therefore that "the Conference Board by every means at its command seek to stimulate an immediate return to that spirit of emulation and pride in the regular collections which the Church had prior to the Centenary and which seems to have been lost for awhile. This is all the more necessary as we approach the end of the Centenary and return to the normal resources of the Church."

#### Centenary Matters

The five year period of the Centenary will end with this year, with the Centenary payments far from being completed. Foreseeing this, the General Conference made ample provision for carrying on the work of the Centenary Commission until it shall be completed. About half of the pledges remain unpaid. Facing this appalling fact, the Commission called a meeting of the chairmen of Conference Boards of Missions, together with certain other representatives to meet in Memphis, Tennessee, September 18-19, 1923, to formulate a plan for completing the Centenary payments. At this meeting it was decided to undertake a campaign during the months of December and January, to be known as THE PAYOUT CAMPAIGN, during which a most intensive effort should be made to reach every charge, and every church, and every subscriber, in an effort to induce them to "payout" on their pledges. Into this campaign the Conference Boards of Missions, the Sunday School Boards, the Epworth League Boards, the Woman's Missionary Council, and the Presiding Elders and Pastors, together with the Board of Lay Activities are pledged

to co-operate with each other to the end that nothing may be left undone to make it a great success.

It is asked that each Annual Conference shall adopt the following plan of operation:

1. Put all churches that made pledges into four groups. Let the first group comprise those churches that have paid out their pledges. The second group, those churches which have four-fifths of their pledges. The third group, those churches which have three-fifths of their pledges. Fourth group, those churches which have paid less than three-fifths of their pledges.

2. Give proper recognition to the "firstclass" or group by publishing their names in the Conference Minutes or Advocate. Urge the churches of the "second class" to pay in full the whole of their pledges by February 1, 1924. Urge the "thirdclass" to pay a minimum of one-half of the balance unpaid by February 1, 1924. Urge the "fourthclass" to pay a minimum of one-third of their unpaid balance by February 1, 1924.

3. Adopt the Memphis plan for the PAYOUT CAMPAIGN, and pledge all the above mentioned Boards and all the pastors, presiding elders, and laymen, to the fullest co-operation in carrying out the plan in our Conference.

By appointment of Bishop Ainsworth, Rev. W. H. Budd of the South Georgia Conference, becomes the Area Centenary Secretary for the Florida and South Georgia Conferences. We bespeak for him the fullest co-operation.

During the year Mr. J. T. Blalock has been made Conference Centenary Treasurer in the place of Roger Dodd.

The ten percent of the Centenary pledge payments which have been returned to your Conference Board of Missions has been used as follows: one half has been put year by year into the appropriation fund of the Board and used on appropriations for missions. The other half has been divided as follows: one half has been put into a Reserve Fund which your Board has been putting aside to supplement the assessments when the Centenary has ended. Twenty percent has been put into an "Emergency Fund" out of which to meet emergency claims that arise during each year. And five percent has been put into a "Cultivation Fund" out of which we have helped each year to carry on our Conference Summer School.

The total receipts from the Centenary ten percent has been \$30,650.00. Of this amount \$15,326.00 has gone into the "general appropriation fund", \$7,663.00 into the "Reserve Fund", \$6,161.00 into the "Emergency Fund" and been used to meet emergency cases each year, and \$1,532.00 into the "Educational Fund" and been used to maintain the Summer School.

Respectfully submitted,

W. F. DUNKLE, Chairman,

C. E. GUTTERIDGE, Secretary.

#### BOARD OF LAY ACTIVITIES

The Conference Board of Lay Activities desires to report at the closing of their first year that we feel that we have in a large measure achieved success, in carrying forward the plans made at the beginning of the year, in emphasizing evangelism, level columns of finance and Stewardship.

From the reports gathered, we find that about 60 per cent of our churches are organized in whole or in part. Number of services held by laymen since conference is in excess of a thousand. We have about sixty-five laymen within the bounds of the conference who hold services supplementing the pastors when called upon. The number of men assisting in any service or holding special services is about two hundred.

We have about twenty churches where services are held regularly by laymen. We place our organization at the disposal of those in authority to the completion of the campaign for the Superannuate Endowment Fund.

We appreciate the assistance and co-operation of all our presiding elders and pastors and feel that we can only succeed in this work by working with them.

We plan to more thoroughly organize the various churches, and thereby do much more effectively the work entrusted to us, and to continue to emphasize evangelism, level columns of finance and stewardship.

We nominate L. P. McCord of Jacksonville as Conference Lay Leader and the Board elected W. O. Lemasters of Lakeland, Associate Conference Lay Leader

Respectfully submitted,

C. R. MORGAN, Secretary.

Under Question No. 41, L. P. McCord was elected Conference Lay Leader, and W. O. Lemasters, Associate Lay Leader.

### BOARD OF CHURCH EXTENSION

The report of the Board of Church Extension was read by Howard Dutill, and adopted, as follows:

## Report of Conference Board of Church Extension.

Dear Fathers and Brethren:

Your Board of Church Extension gladly reports increasing requests for aid coming to it from the rural sections of our Conference, realizing that this means an awakening to the importance of sustaining and making permanent our work outside of our larger cities. Our grief is that we are unable to grant donations and loans to the full of the askings of these weaker charges.

The General Board reports the same difficulty facing them—requests for donations and loans far beyond the resources of the Board. They say, "We need a loan fund of not less than \$5,000,000."

The General Board has passed a rule concerning buildings for which aid is requested which appears to us a needed qualification for granting such requests. We herewith report it to you.

"The Secretary shall require the plans of all churches to which grants of either donations or loans are made to be submitted to the Department of Architecture of the Board of Church Extension for approval. Should the plans be unsatisfactory it is made his duty to suspend the payment of the grant until the plans are changed to conform to the suggestions of the Department of Architecture. A reasonable charge shall be deducted from the grant for this service rendered by the Department of Architecture."

The General Board reports that the plan for Property Protection has not been completed. When this Department shall have been set up, due notice thereof will be given the Church.

The assessment for the General Board for 1924 is \$4,530.00. The assessment for the Conference Board is \$6,000.00. For the J. C. Ley Loan Fund \$900.00.

Grants have been made on applications at this meeting of the Conference Board as follows:

## EPWORTH LEAGUE BOARD

The report of the Epworth League Board was read by J. E. Hartsfield, and adopted by the Conference, as follows:

## REPORT OF EPWORTH LEAGUE BOARD TO ANNUAL CONFERENCE, IN SESSION IN BRADENTOWN.

Your Conference Epworth League Board begs leave to submit the following report:

The past year has been one of continued progress both in new chapters organized, and in work accomplished. The present number of chapters is 305 with 9,031 members, representing a net increase for the year of 39 chapters. According to the report of the Epworth League Treasurer, there has been an increase of approximately 300 per cent in collections from the local chapters over the year 1922. We call attention to the fact that there were increased contributions to the Epworth League Missionary Specials, which placed us third among the conferences of our Church in the total amount raised the past year. By the expiration of the Centenary period the Epworth League will have raised the entire amount.

We recommend in highest terms the splendid work by our field secretary, Miss Alice Crone, she having visited approximately 100 Leagues, assisted in four institutes and conducted four revivals.

Your Board is persuaded that the greatest task is in cultivating thoroughly the work already organized so that the gains of the past few years and the normal increase of the coming year may be fully conserved.

Perhaps the most valuable service being rendered by the Epworth League at this time is the training of a large group of leaders for our future Church. The finding and the developing of the necessary leadership to carry forward the work of the Church is one of our most important tasks. The Epworth League is the agency provided by our great Church for this purpose.

We suggest that before any city union or local chapter begins the publication of a League paper, they be very careful to avoid any possibility of incurring any financial obligations which might be a burden upon them.

We urge upon the pastors the importance of their attendance upon the meeting of the League Council. This is the place where the service of the pastor for advice and help is essential to the best work being accomplished by the League.

Your Board has been honored at this Conference with the presence of Rev. James E. Ellis, a member of the General Board.

We appreciate the assessment of last year for League work and ask for a like sum for the coming year.

Signed,

W. J. CARPENTER, President,

J. E. HARTSFIELD, Secretary.

### BOARD OF CHRISTIAN LITERATURE

The report of the Board of Christian Literature was read by Mrs. P. N. King, Secretary and adopted by the conference, as follows:

#### Report of Committee on Christian Literature

Whereas, of the printing and reading of many books, periodicals, papers and pamphlets there is no end, and

Whereas, the reading of this literature is helping to mold and shape the destiny of our people and nation, and

Whereas, our country is being literally flooded with literature by all the isms of the age with the intent and purpose of leading away our people from their faith, and

Whereas, the world is full of unrest brought about thru the unsatisfied mind that is fed on modernism, liberalism and higher criticism, etc., which is insidiously and undermining our faith, coming as it does from those who are supposed to be informed, therefore be it

Resolved, First, that we do earnestly recommend much reading

and study of the Bible, taking it with the faith of a little child as being the inspired Word of God that needs not to be explained away, and

Second, that we do condemn any word printed or spoken that tends to make of the Bible anything other than the inspired Word of God, and say let his name be anathema who would thus lead astray, and

Third, that in order to counteract this evil and subtle propaganda with wholesome religious literature we recommend the recognition of Rev. M. M. Lord, who offers to make bond to our Publishing House, as our Colporter for a period of four years, pledging him our moral support, and

Fourth, we recommend among others, the following books:

Life of Thomas Coke—Bishop Candler .....	\$1.50
What We Believe—Franklin N. Parker .....	.75
Methodist Evangelism—Geo. R. Stewart .....	1.25
Beauty of God—G. C. Rector .....	1.00
Aftermath Series—Bishop DuBose.....each	.25

Fifth, we recommend that the Florida Christian Advocate be put in the budget of every church; the Missionary Voice in every Methodist home; Nashville Christian Advocate to have as wide circulation as possible, urging each Presiding Elder to insist in his rounds that all stewards and Sunday School Superintendents take this General Organ of the Church. This alone if accomplished, would give Florida a minimum of 1666 copies and if all our Conferences would do likewise would give us a circulation of 50,000 copies instead of about 16,500.

Sixth, that we commend our Publishing House for their efficient management which has given an increase of \$41,031 over that of the year 1922. We also wish to call attention to the fact that any publication bearing the imprint "Cokesbury Press" is the product of our own Publishing House.

Seventh, We recommend the appointment of Rev. J. Edgar Wilson as editor of the Florida Christian Advocate.

Respectfully submitted,

O. A. THROWER, Chairman,

MRS. P. N. KING, Secretary.

## BOARD OF TEMPERANCE AND SOCIAL SERVICE

Report No. 2, of the Board of Temperance and Social Service was read by E. Watt Smith, and adopted by the Conference, as follows:

### REPORT NUMBER TWO

#### Board of Temperance and Social Service

To the Florida Annual Conference of the M. E. Church, South, Bradentown, Florida, December 8th, 1923.

We desire to submit the following report:

#### Social Service

1st. We endorse the Social Creed of our Church as contained in our Discipline, paragraph 533, page 251, and urge upon all our Preachers to keep the same constantly before our people.

2nd. We heartily endorse the findings of our commission on Temperance and Social Service and the Junaluska Conference, August 1st, 1923.

3rd. We commend the Social Service work now being carried by our churches through Leagues, Sunday Schools, Woman's Missionary Societies and other agencies, and urge that wherever possible, this work be extended, remembering the words of our Master, saying: "I was hungry, naked, sick and in prison, and ye came unto me."

5th. We urge a continued agitation for a law that will give the

Bible the largest possible place in our system of Public Education, calling attention to the fact that it has this place from the beginning.

6th. We are forever opposed to the legalizing of prize fighting in the State of Florida.

### Temperance

We rejoice to note the vast improvement over the old open saloon days. Numbers of our children have never seen a saloon and with Beecher we can confidently say: "My child will not be a drunkard."

We note with pleasure the fact that of five hundred of the largest business men in America, ninety per cent are in favor of the strict enforcement of the Prohibition Laws as we now have them.

That our colleges and Universities are on record as supporting the Law.

That our President and the Governors of the several States in Conference assembled are urging a nation-wide campaign to make fully effective the Eighteenth Amendment.

We commend our Governor, Honorable Cary A. Hardee for his manly stand on this question, and urge all of our people to co-operate with him.

We further urge that all our people give support to the Federal enforcement officials of our State and assist them in the campaign to free our State from the curse of the rum-runner.

We heartily commend the work of Dr. C. W. Crook, and the anti-saloon league, and urge that our Church continue to function through this organization. We endorse to the full, the law enforcement campaign of the League and the effort to secure dry officials, County, State and National.

We call attention to the danger of electing a semi-wet man for Governor of our State, and urge great caution.

With pleasure we reaffirm our faith in the Woman's Christian Temperance Union and give to it our fullest endorsement.

We recommend co-operation in Temperance Day in our Public Schools to the end that this day may become something more than a name.

W. A. MYRES, Chairman,  
E. WATT. SMITH, Secretary.

Moved by W. J. Carpenter, and duly seconded and carried, that a copy of the report of the Board of Temperance and Social Service be sent to the Governor of the State of Florida, one copy to the Speaker of the House of Representatives, and one copy to the President of the Senate.

### HOSPITAL BOARD

The report of the Hospital Board was read by L. E. Wright, and adopted by the conference, as follows:

#### Report of Hospital Board

Your Hospital Board has a good cause to plead, but not much to show for the year's work in the way of Methodist ministry to the sick.

The American people are investing largely in hospitals. They are putting \$350,000,000.00 every year in new hospitals; \$500,000,000.00 a year, in hospital upkeep; and have total hospital investments of \$2,000,000,000.00. They treat 10,000,000 patients a year in these hospitals and 30,000,000 patients a year in the medical dispensaries.

The Roman Catholic Church has done a vast deal of work in this field and it is said that they own or control, sixty per cent of the hospital beds of this country.

The Methodist Episcopal Church, (North) has belted the Nation with hospitals and homes of mercy. The Southern Baptist Church

has twenty-one hospitals, with a total investment of \$8,000,000.00.

Our Lord Jesus said, "Go preach and teach!" The same Lord who said Go preach and teach; said also "Heal".

Our own Church has two really great hospitals: The Barnes Hospital of St. Louis, and the Wesley Memorial Hospital at Emory University, Atlanta, Georgia. Five cities are building great Methodist Hospitals: Dallas, Texas; Ft. Worth, Texas; Houston, Texas; Memphis, Tennessee; and Montgomery, Alabama.

We believe that Florida ought to have a Methodist hospital, worthy of the Methodists of this rapidly developing State.

We suggest that the General Secretary visit our State early in the new year and make a presentation of this cause before representative audiences in several leading cities, and that the Presiding Elders and pastors in the cities thus selected, co-operate to make the visit fruitful.

We believe our people will respond when the matter is brought forcibly to their attention.

We urge the presiding elders to urge the pastors to push the Golden Cross enrollment at once, as December is Golden Cross enrollment period.

We recommend that each pastor go back to his charge and put the Golden Cross Committee to work at once. Experience proves that the Golden Cross will appeal to all classes of our people, if they know what it is. The pastor is the moral leader here, as elsewhere. We must make it the fashion for every man, woman and child to go home from church and Sunday-school on Enrollment Day, with a Golden Cross button on.

Signed,

J. D. SIBERT, CHAIRMAN,  
L. E. WRIGHT, Secretary.

### ORPHANAGE REPORT

Report No. 2, of the Orphanage Board was read by J. R. Cason, and adopted by the Conference, as follows:

#### Orphanage Report No. 2

In submitting financial report we do so upon the claim of an effort to exercise reasonable economy in administration of the business side of the Orphanage. Attention is not called to this fact upon the supposition that our people regard the money expended in the care of Orphan children as an undesirable burden. During the year there has been large increase in our Orphanage family, which calls for increased maintenance expense.

We desire to make plain that it has been the policy of the Board from the time of its organization as set forth in the "Constitution and By-Laws" to first make a Christian home for Orphan children, and second, to place children in private homes wherever suitable homes can be found. There is a request that information be furnished the Board wherever and whenever there is a desire for the adoption of a child, with the assurance upon our part that every case will receive thorough consideration.

We desire to call special attention to the fact that when the emergency arose for the building of a dormitory for little children, Calvin Brinkley, with the faithfulness, characteristic of his past devotion, placed his credit behind the undertaking, and brought it forth to completion within a surprising brief period. The financial exhibit will show this building, besides furnishing, cost upward of Ten Thousand (\$10,000.00) Dollars. The Board requested at its mid-year meeting that the cost of the building be prorated between the several districts and that the Presiding Elders give the Agent their co-operation in the raising of this special fund.

We offer the following additional resolutions: We express to

Brother Calvin Brinkley, our appreciation of the aid rendered, which made possible the erection of the Child's Dormitory, and pledge such co-operation as may be necessary to reimburse him for money thus voluntarily loaned the Church.

The following as a summary of financial reports:

J. R. CASON, CHAIRMAN,  
C. E. HOWARD, Secretary.

Moved and passed, that with a reconsideration of the report of the Board of Missions, the Conference give the Executive Committee of the Board of Missions, authority to make such readjustments as to meet the exigencies necessary as caused by the change of \$5,000 reported in the accounts of the treasurer.

#### COMMITTEE ON SABBATH OBSERVANCE

The report of the Committee on Sabbath Observance was read by W. O. Rencher, and adopted by the Conference, as follows:

##### Sabbath Observance

We, the Committee on Sabbath Observance, beg leave to submit our report.

We call your careful attention to the following findings:

First—There is creeping into our Membership a laxity in the observance of God's command to "Remember the Sabbath Day to keep it holy", and a disregard of that section of our General Rules which enjoins that, all members continue to evidence their desire of salvation by avoiding the profaning of the day of the Lord, either by doing ordinary work therein, or buying or selling.

Second—Parents are failing to train their children in Methodistic Sabbath Observance by abandoning the family pew, and permitting

their children to leave Sunday School and absent themselves from the regular Church Service. These selfsame parents do often fail to attend Sunday School with their children.

Third—Here and there Methodists are absenting themselves and forgetting the injunction to assemble ourselves on the day that commemorates our Savior's resurrection, because they can listen in on the radio to a broadcasted sermon, thereby losing sight of Church Fellowship.

Fourth—Throughout the state those who look upon Florida either as a field of commercial enterprise only, or as a gigantic play-ground of the nation are, for pleasure or for gain deliberately violating the statutory Sunday Laws of this Commonwealth with impunity.

In view of these findings, we, your Committee on Sabbath Observance do hereby make the following recommendations:

First—That the Scriptural and Disciplinary requirements of Sabbath Observance be brought before the congregation of every church at least one Sunday in each year.

Second—That Preacher-in-charge, Stewards, and Sunday School Officials bend every effort to the re-establishment of the family pew, and to the securing of child training in Sabbath Observance.

Third—That a committee on Sabbath Observance be elected at each point in every charge by the first Church Conference of the year, and that this committee be instructed to devote its attention toward securing a more perfect observance of the Sabbath within the Church, toward collecting data on Sabbath desecration in the community, and toward securing needed legislation, or toward bringing officers of the law to enforce those Sunday Laws which already exist.

For purposes of information and instruction, we append to this report Section 5491-5495, Revised Statutes of Florida, which contain the Sunday Laws.

L. E. WRIGHT, Chairman,

Wm. O. RENCHER, Secretary.

### Sunday Laws

#### 5491. (3565) Following trade etc., on Sunday.

Whoever follows any pursuit, business, or trade on Sunday, either by manual labor or with animal or mechanical power, except the same be work or necessity, shall be punished by a fine of not exceeding fifty dollars. Provided, however, That nothing contained in the laws of Florida shall be so constructed as to prohibit the preparation or printing between the hours of midnight Saturday, and six in the morning, Sunday, of any newspaper intended to be circulated and sold on Sunday, or to prohibit the circulation and sale on Sunday of same, or to prohibit the circulation and sale on Sunday of any newspaper theretofore printed.

This section inhibits the following or performance on Sunday of such pursuits, business or trade as requires the use of manual labor, or animal or mechanical power to conduct or perform it. Hooks vs State 58 Fla. 57 50 So. 586.

The execution of a note, mortgage or other contracts, involving neither manual labor or animal or mechanical power, is not prohibited by this section to be performed on Sunday, consequently the validity of any contract made in this State is not affected by the fact that it was executed or delivered on Sunday.

5492. (3566) Selling goods on Sunday. Whoever keeps open store or disposes of any wares, merchandise, goods, or chattels on Sunday, or sells or barter the same, shall be punished by a fine not exceeding fifty dollars. In cases of emergency or necessity, however,

5493 (3567) Employing servants.—Whoever employs his apprentice or servant in labor or other business on Sunday, except it be in the ordinary household business of daily necessity, or other work of necessity or charity, shall be punished by a fine not exceeding ten dollars for every such offence.

5485. Penalty for engaging in game or sport on Sunday.—That whoever engages on Sunday, in any game or sport, such as baseball, football, or bowling, as played in bowling alleys, or horse racing, whether as player, manager, director or otherwise, shall be deemed guilty of a misdemeanor and shall be punished by a fine not exceeding one hundred dollars, or by imprisonment in the county jail not exceeding three months, or by both such fine and imprisonment.

Act held constitutional. West vs State. 50 Fla. 154. 39 So. 412.

L. E. WRIGHT, Chairman,

Wm. O. RENCHER, Secretary.

### BOARD OF FINANCE

The report of the Board of Finance was read by Frank T. Wilson, Secretary-Treasurer, and adopted by the conference, as follows:

#### REPORT NO 1

Report to the Annual Conference at Bradentown, December 1923. We your Board of Finance beg leave to submit the following report:

We have paid all appropriations made to the claimants at the last Annual Conference. Said payments being made quarterly in advance on the first of January, April, July and October. Attached herewith we submit report No. 2, showing the name, address, years of service and the amount paid each by the Conference and the General Boards. This information being required by law, to be printed in the Conference Minutes.

With great regret we report that during the year our Beloved Brothers, E. F. Gates and T. F. Roland, have passed away. We also report that Mrs. May Hice having married Mr. C. F. Kemp, of Key West, is no longer dependent for support upon the Board.

The following widows have been added to the list of claimants by the death of their beloved husbands: Mrs. C. C. Cecil, Mrs. B. K. Thrower, and Mrs. T. F. Roland.

We respectfully call attention to the fact that through the generosity of our people and because of the increased assessment, we were able to pay about 16 per cent more than last year. The amounts however are still pitifully small and inadequate. The average amount paid our 21 preachers being \$257. The maximum being \$400, and the minimum \$100. The average paid our widows being \$181 with a maximum of \$300, and a minimum of \$40.

The above facts are presented to the conference in the sincere hope that if there be a single preacher that has not made up his mind to throw his whole life and soul into the coming campaign in behalf of the "Forgotten Man", he may here and now resolve that he can and will perform his part of the task.

We also wish to call attention to the fact that while the General Board has made it your duty to raise this endowment fund, it has also specifically planned that your Board of Finance assist in this great work in every way possible. Therefore we invite you to call

upon us if we can furnish you with any information, or render you assistance in any possible manner during the campaign.

We report that your Publishing Agents have transmitted \$744.68 profits on the business to us for distribution to the claimants, and we commend them for their good management and thank them in behalf of the claimants.

We call your attention to the fact that all books or other printed matter bearing the imprint Cokesbury Press, are the products of your Publishing House, and particularly worthy of your consideration.

W. A. COOPER, President,

FRANK T. WILSON, Secretary.

## COMMISSION ON BUDGET

The report of the Commission on Budget was read by I. C. Jenkins, and with the passing of an amendment substituting \$5,000.00 for \$10,000.00 as appropriation for the Sunday School Board, was adopted by the Conference.

**Resolution:** A resolution not to require reports from Mission Pastors was offered by J. D. Major and C. C. Tyler, and was lost,

A resolution was offered by C. W. Mathison pertaining to work of District Stewards, and was lost.

Statistical questions were called and answered by the Secretary. (See General Minutes.)

At this point, I. S. Patterson was called to the chair, while the Bishop retired with the Presiding Elders.

**Report of Bible Board:** The report of the Bible Board was read by the Secretary of the Conference, and adopted, as follows:

The Bible Board beg leave to report: We are face to face with a new year with its problems, responsibilities and privileges. On November 2, 1922, the Board of Managers of the American Bible Society, on recommendation of its Budget Committee, and on advice of the Advisory Council, representing 23 denominations which had been in a two day's session with the Budget Committee, fixed a budget for 1923, and made appropriations for the various phases of the Society's work in all parts of the world to the amount of \$1,160,777. This is an increase of about \$40,000 over the budget for 1922, owing wholly to the estimate increase of receipts from sales and gifts on the foreign fields.

The officers of the Society and the Agency Secretaries at home and abroad, present to the Budget Committee estimates and asking totaling \$1,405,244..

### Where and What Are the Needs?

#### In the Homeland

##### (1) Among the Colored People:

It has been found necessary to create a special department to meet this problem in the United States. The American Bible Society has taken it up in earnest with a full-time Secretary in charge. The headquarters of this Agency is located in the Bible House, New York City, with sub-Agents in Atlanta, Georgia, Charlotte, N. C., Memphis, Tennessee, and Houston, Texas. These undertake to provide Scriptures for the 10,000,000 colored people scattered throughout the southern states. Out from these centers are operating 25 full-time colporteurs.

Taking knowledge of the tide of emigration whereby nearly 1,000,000 colored people have moved into the North during the last five years, a fifth sub-Agency has been established in Cleveland, Ohio, and efforts are being made to follow up the emigrants. These have largely settled in the industrial centers and in the large cities of the North. This today is one of the big problems confronting the American Bible Society and demanding its most careful attention.

There is an imperative need for other sub-Agencies, especially in Greater New York, Chicago, and Los Angeles. Only shortage of funds delays the putting into effect of these plans.

##### (2) The Eastern Agency:

This includes the state of New York, together with adjacent

portions of the New England states, not included in the territory of Auxiliary Societies.

(3) The Atlantic Agency:

Which includes the states of Pennsylvania, New Jersey and Delaware. The peculiar problems in this Agency are chiefly connected with the vast industries and mining populations in which there are large numbers of foreign language speaking peoples.

(4) The South Atlantic Agency:

This Agency with headquarters at Richmond, Va., includes the states of Virginia, West Virginia, North Carolina, South Carolina, Georgia and Florida. This is an area of great diversities.

There are 8,000 churches in this territory, but very few adequately supplied with the Scriptures. There are 4,125,000 mountaineers in this area; probably less than ten per cent have adequate church connection or religion instruction. There are 1,200 mining centers, lumber camps, turpentine stills, road construction camps, with forces of men who scarcely ever have come into personal contact with religious workers.

There are 1,700 cotton mills, sawmills, factories, many of them with large forces of workers, located in this area.

A reasonably surveyed estimate is that there are in this territory, 150,000 families without Bibles.

With but very few exceptions the public schools throughout this entire area are open to the distribution of the Scriptures. A program whereby a portion of the Scriptures, might be placed in the hands of each child is easily possible. About 40 nationalities are represented in the population of this Agency.

We might merely mention The Central Agency. The Northwestern Agency, The Southwestern Agency, the Western Agency and the Pacific Agency.

#### In Foreign Lands

The West Indies Agency, The Mexico Agency, The Caribbean Agency, The Upper Andes Agency, The Brazil Agency, The La Plata Agency, The China Agency, The Philippines Agency, The Japan Agency.

#### Europe

Sweden, Germany, Austria, Switzerland, Belgium, France, Italy, Russia, Bulgaria, Norway, Finland, Africa and the Islands of the Seas. When one stops to consider that the present budget is only about one-fifth of what the American Bible Society believes its responsibilities to be, one realizes that those who believe in this program must support it with increasing generosity, if we are to reach the goal which we have set before ourselves and accomplish the purpose for which the American Bible Society exist.

The Report of the Committee on Rules was adopted without reading, as follows:

The report of the Board of Directors of the Florida Conference Summer School was read and adopted, as follows:

## REPORT OF THE SUMMER SCHOOL

As instructed by the Conference at its 1922 session, the Board of Directors of the Conference Summer School made provision for a Preachers Institute and Training School for the year 1923.

We elected Dr. R. H. Alderman president, and F. M. Williamson dean of the School, and gave them power to select a corps of instructors and lecturers for the courses which we decided to offer.

The courses offered included two books in each year of the Conference Undergraduate courses, certain courses in the Standard Training Curriculum of our Sunday School Board, courses in Mission Study, courses in the work of the Woman's Missionary Council, two post-graduate courses, and two series of special lectures. For these courses we had, Dr. Howard of Emory University, Dr. R. H. Bennett, Dr. Lois Rogers of Wesleyan College, and Dr. J. M. Gross.

Our attendance was not as large as we had hoped, but in view of the fact that we had no session in 1922, it was not to be expected that a large attendance would be registered. However, about 100 students enrolled for credit work and a total of 147 credits was granted, of which 44 credits were for undergraduate work, 96 for Sunday School, and seven for Mission Study work.

At a meeting of the directors it was decided to recommend that the Board of Missions, two from the Sunday School Board, two from

the Board of Education, two from the Woman's Missionary Society and three from the Conference at large; and the following were nominated for your election, which the adoption of this report will elect, namely: A. H. Cole, Ira S. Patterson, R. I. Barnett, W. A. Cooper, L. D. Lowe, R. H. Alderman, W. P. Buhrman, S. D. Harris, T. L. Hendrix, Mrs. N. M. Salley, and Mrs. G. Murrell.

We recommend Dr. R. H. Alderman for President, W. F. Dunkle, Vice President for 1924. We recommend that Florida Conference request the General Boards to include Florida Conference Preachers Institute and Standard Training School in their series of such schools for 1924, and furnish such courses and instructions as they do for others and on same terms and conditions.

We recommend that the selection of the courses and faculty and lecturers for 1924 be left to the President and the Faculty Committee of the Board of Directors.

The date for the next session is set for June 6, and we ask you to request the Board and the Elders to keep this date open for the Summer School. We also request that each pastor be urged to attend the School.

Respectfully submitted,  
W. F. DUNKLE, Chairman,  
R. IRA BARNETT, Secretary.

Announcements were made.

Moved and carried that when we adjourn we adjourn to meet in regular business session at 2:00 p. m.

Mrs. R. G. Albury was introduced to the Conference, and announced that the Missionary Council would meet at Tampa in April, and invited the Conference to attend.

The Conference adjourned with benediction by C. H. Summers.

Monday afternoon, December 10, 1923

The Conference was called to order by Bishop Ainsworth. Hymn number 22 was sung, and F. L. Crowson led in prayer.

The journal of the morning session was read by the secretary, and approved.

The report of the trustees of the Florida Christian Advocate was read by the secretary of the conference to which J. Edgar Wilson spoke; the report was amended by striking out all that which referred

to a change of name, and the report was adopted as amended as follows:

### REPORT OF THE TRUSTEES OF THE FLORIDA CHRISTIAN ADVOCATE

Our Conference paper still holds its place as one of the best of our Conference organs: so acknowledged by many who are familiar with a number of them.

The circulation of the paper has not, this year, reached as high a mark as last year, sixty-five hundred being high water mark this year, as against eight thousand last year. This has been due to the fact that a smaller number of churches, than last year, put the Advocate into the homes of all of their members by the budget system. Only seventy-six charges, this year, put the paper into all of their homes, as against one hundred and twenty last year.

It is to be greatly regretted that all of our churches do not adopt the budget system. It is the plan approved by our General Conference, and most of the Annual Conferences. Experience has demonstrated, also, that it is by far the best plan for circulating the Conference organ.

We believe that, if our pastors would press it upon their official boards at the beginning of the year, a much larger number could be induced to put the Advocate into all their homes. The beneficial effects of doing so are so manifest that it is needless to enlarge upon them here.

Our Publishing Company has continued to maintain regularity and promptness of publication, and has rendered us service of great value. Whatever measure of success the paper has achieved, has been in no small degree due to their unfailing and generous co-operation.

During the past year all of our Conference Claimants who expressed a desire to so receive it, were supplied with the Advocate free of charge. We believe that the majority did so. It is our understanding that the Publishing Company intends to follow the same liberal policy during the coming year.

Not much effort has been made this year to increase the Endowment Fund, owing to the extraordinary pressure upon our people to meet the increased assessments and various special calls. Two additional donations of stock of the Florida Methodist Publishing Company have been made to this fund, making one thousand Dollars worth of this stock now held by your Trustees. We recommend that the efforts to increase this fund be continued, as far as possible.

We request that the Advocate assessment for the coming year be continued at the same figure as last year,—six thousand dollars.

We recommend the re-appointment of Reverend J. Edgar Wilson as editor and publishing agent.

We regret to report that Reverend D. B. Sweat, last year appointed Associate Editor, was compelled, by the state of his wife's health, to remove to another state. We desire to express our appreciation of service rendered by Brother Sweat in this capacity; and to wish for himself and his wife God's best blessings in their new home and relation.

L. D. LOWE, Chairman,

A. C. McCALL Secretary.

On motion by G. S. Roberts, report number two of the Sunday School Board was reconsidered. The report was amended by striking out all reference to employes of that Board and substitute in place thereof these words, "the Board will employ a conference Sunday School superintendent."

A motion was then made to reconsider the report of the commission on Budget, which prevailed, and by vote of the conference the item assessed on the conference for Sunday School work was made seven thousand five hundred dollars (\$7,500) instead of five thousand dollars.

A resolution was offered by W. A. Cooper, asking that the college of Bishops change date of the Florida Annual Conference to meet the first Wednesday after the second Sunday in December, which motion was laid on the table.

A resolution of thanks was offered by W. A. Cooper as follows:  
"Resolved that we give hearty thanks

1. To the Methodist churches and pastors of Bradentown, Manatee, and Palmetto for their generous hospitality in entertaining us during this session of the conference.

2. To the secretaries for the faithful performance of their arduous duties.

3. To the newspapers of Bradentown and other cities of the state for their co-operation in giving publicity to the conference.

4. To all others who have contributed to our comfort, especially the ladies who have served us such bountiful dinners.

Signed,

IRA S. PATTERSON,

W. A. COOPER.

The resolution was passed by a standing vote.

J. B. Rooney was placed on the Board of Missions in place of W. F. Dunkle, and E. L. Greer in place of J. N. Blackwell.

A free-will offering was taken for Rev. James Parker, a Methodist minister, who had come to this country from Australia and was reported in need.

The minutes of the morning session were read and approved.

The Bishop read the appointments for 1924, the doxology was sung, after which the conference adjourned sine die with the benediction.

## MEMOIRS

## CHARLES C. CECIL

Charles C. Cecil was born near Newbern, Virginia, July 6, 1853, of a long line of Methodist ancestors.

He was converted when a boy under the influence of a sermon preached by Rev. John Boring at his Grandmother's funeral.

After spending sometime as a student at Emory and Henry College he engaged in teaching for some years. While teaching within the bounds of the Memphis Conference he was licensed to preach under Rev. T. L. Boswell, P. E.

He was married to Miss Susie O'Kelly with whom he lived a happy and devoted life for forty-six years. He moved to Texas and then back to Virginia where he was used as supply pastor in the Holston Conference until 1893, when he was admitted on trial.

This Conference sent him at this time into the coal fields of the great Elkhorn, in West Virginia, and it was here, perhaps, he attained the greatest or most efficient record of missionary zeal and labors of his entire life. As was his general record, he here built churches and parsonages and great multitudes came to Christ under his ministry.

In 1897, he located in order to take up the distinctive work of an evangelist and in 1900 he came to Florida under the direction of the Christian Missionary Alliance.

He was readmitted into the Florida Conference, in 1900 and served the following charges: Parrish, Manatee, Tampa City Mission, St. Augustine and was two years Conference Missionary Evangelist.

He was transferred to Holston Conference in 1910, and there did evangelistic work for three years, transferring back to Florida he served Mayo, Jacksonville City Mission, Zolfo, Homeland and Fleming Street, Key West.

His intense zeal, burning passion for souls, ardent love consumed his physical forces; but the fires of grace and trials purified his heart and strengthened his naturally strong character.

He was vigorous in thought, clear in conceptions of truth, forceful and convincing in utterance.

He preached with power and led many souls to Christ. His personal trust was simple as that of a little child, and his faith in action, heroic.

His love was strong and abiding for he had entered the experience of that "perfect love that casteth out fear,"

After his few last years, on the wonderful opening on the great Okeechobee Lake, where he wrought most successfully, his strength gave way. He was forced to lay aside his dented sword and battle-scarred shield, and lie down to rest.

Surrounded by devoted wife and loving sons and daughters, friends and brethren, on November 6, 1923, he closed his weary eyes on earthly scenes and opened them on the glories of the "Home over There", and to see the "King in His Beauty."

## THOMAS FLOYD ROLAND

Thomas Floyd Roland was born November 14, 1852, in McLane County, Kentucky, and died in Quincy, Florida, June 18, 1923.

He was converted at the age of fourteen, and at once began a life of service for the Master.

He was licensed to preach in 1881, and during that year married Miss Annie Owen, who thus became his life companion in service and trial, and doubtless will be in final reward. To this union were born three children, to whom the father left the legacy of a pure life and good name.

He was admitted on trial into the Louisville Conference in 1889, and was ordained at same session as local deacon by Bishop Hargrove. He was ordained Elder in 1894, by Bishop Duncan. For fifteen years he traveled in the Louisville Conference and transferred to Florida in 1905. Here he served on Circuits and Missions, some of which were poor and hard, but he went with uncomplaining loyalty and served with patient fidelity. He did not receive the gifts and emoluments of earth, but won the respect and love of his brethren, and the commendation of his Lord.

Brother Roland was a plain, earnest, godly man and preacher; and gave his life and best efforts to God and the Church.

His last work, while in the Superannuate Relation for several years, was as Chaplain in the State Legislature where his earnest prayers were an inspiration to our legislators.

Gentle, loving and trustful to the end he has gone to his reward and now rests from his labors.

## BENJAMIN KEY THROWER

Rev. Benjamin Key Thrower was born in Newton County, Georgia, June 18, 1851. He was converted in the spring of 1867 and was licensed to exhort the following autumn. A few months after his conversion he felt the call to preach the gospel and began immediately to prepare himself for his life work. He was prepared for college in Quinn Academy, Conyes, Georgia, and after about two years in Emory College, he spent two years at Oglethorpe University, from which he graduated in 1872. He was admitted on trial into the North Georgia Conference, November 29th, 1872 and at the request of Bishop George F. Pierce, was immediately transferred to the St. Louis Conference and stationed at Kirkwood, Missouri. On October 12th, 1874 he was very happily married to Miss Laura S. Mitchell of Kirkwood, Missouri. Before his transfer to the Florida Conference in 1887, he served the following charges in the St. Louis Conference: Kirkwood Station, Labadie and Washington, Charleston, Bridgeton, and Eden. From Eden Station, on account of failing health, he went to Eureka Springs, Ark., where he served as pastor for one year. After returning to the St. Louis Conference, he was appointed to Bellefontaine, where he served for four years. In the Florida Conference, he served the following charges: Bartow, Orlando, Lake City, Gainesville, First

Church, Tampa; Seffner, Southern College and Clearwater. Conducting meetings in his own charge and assisting his brethren in evangelistic services during the cold winters, before transferring to Florida, superinduced physical conditions which resulted in partial deafness, that continued to grow worse and led finally to the request that he be released from pastoral work, which he loved so much and in which he had led hundreds into the kingdom.

In 1915 he was appointed Field Agent for the Preacher's Relief Board and with his usual zeal and efficiency, addressed himself to the task of securing homes for the superannuated preachers. At least ten of the thirteen homes, stand as a monument to his untiring efforts. In this work that he loved so well, he continued, despite the requests of his noble sons and advice of many friends, until he literally exhausted his strength after more than fifty years of active service as an itinerant preacher, and the earthly tabernacle crumbled and the spirit ascended from his home in Tampa, March 21st, 1923, to mingle with the spirits of the just made perfect, in the home above.

He leaves to mourn their loss, a devoted wife, four sons, Frederick Mitchell Thrower; Lawrence L. Thrower; Hansen Randolph Thrower and Joseph Sale Thrower, besides a number of grandchildren and also one sister, Mrs. P. A. Schench, of Atlanta, Georgia, and one brother, Dr. O. A. Thrower, pastor of the Methodist Episcopal Church, South, Ft. Myers, Florida.

Our ascended Brother Thrower was an able preacher. At times reaching unusual heights and always effective. As a pastor he excelled. His sunny spirit, social qualities, unfeigned love for God's children and consuming zeal for the salvation of those who knew not the Lord, eminently qualified him for the duties of the pastorate. He was a man of profound religious convictions. He not only preached a high standard of Christian experience, but lived so that those who knew him best did not doubt that he enjoyed in his own soul, that perfect love that he commended to others.

Though almost forty years have rolled by since he threw his arm about me and welcomed me to membership in the St. Louis Conference, where even then, as a young man, he was referred to as the "St. John" of his conference. I still feel the impress of the love of this man of God. It is not strange that in Florida, where he spent more than thirty years in the work, he was the most beloved man in our ranks. This love was demonstrated when he was borne to his last resting place by the brethren of the conference, in the city of Tampa, and loving hands literally hid his grave with beautiful flowers.

The writer knew B. K. Thrower as he has known but few men. I have been near him when his kindly heart was almost breaking under bereavement, when duties stern and pressing taxed his strength, witnessed his loving devotion as husband and father, and have never known a more unselfish, guileless man. He was distinguished for his ardent affection, his loyalty and abiding friendship and that tenderness of heart that often dimmed his expressive eyes with tears of sympathy. "If treachery had come near him, it could have stood abashed in the presence of his truth, his manliness and his simplicity."

He has gone from us, but will continue to live in the affections of those who knew him. No one else can fill his place. Shall we ever again see his like?

J. P. HILBURN,

Bartow, Florida.

### EDWARD FRANKLIN GATES

By William Frederick Dunkle

Edward Franklin Gates, the last of the Florida Conference pioneers, is gone to the Better Land. He belonged to that race of men, peculiar to their time, which our country and our Methodism produced. These mighty men who wandered in deserts and in mountains, who dwelt in the dens and in the caves of the earth, who obtained a good report through faith, and by whom God provided some better things for us. We shall not see the like of them again. They were strangers and pilgrims in the earth, as all their fathers were. But they had this testimony that they pleased God.

Of this immortal company was Edward Franklin Gates, a pioneer Methodist circuit rider, a native son of Florida. No man can hereafter write the history of Florida, or the story of Methodism in Florida, and leave out of it Edward Franklin Gates. He lived within its bounderies all his days, the long span of eighty seven years. He saw it grow from a wilderness into a proud and prosperous commonwealth. He was a member of the Florida Annual Conference and saw his Church grow from a few members into a host, and his conference advance from a small body into one of the larger conferences of Methodism with almost fifty thousand members, with great congregations, with stately houses of worship, with growing college, and with altar fires everywhere alight with the old time fire.

He saw his state pass through Indian wars, the war between the states, the Spanish American War, and the World War. In the first two of these he took part, the first as a private, the second as a chaplain. He saw trails become Boulevards, the ox team supplanted by the automobile, the candle and the torch superceded by the electric lamp, the log cabin turned into modern palaces, the private school become part of a great public system, and the little red school house become a stately college. He saw the little log meeting house turned into tall spires, and the church bell take the place of the old-time camp-meeting horn. He saw himself a chief actor in this great and moving drama.

But at last the years and the hardships of his immortal ministry did their slow work upon his iron frame. The aged warrior came home to go out no more. But even then he did not put his armour off or lay his weapon down. He preached whenever and wherever his strength and the occasion permitted.

He was admitted on trial into the Florida Annual Conference, at Alligator (now Lake City) on the 24th day of September, 1856, and two years later was admitted into full connection. For nearly sixty-eight years he gave all there was of Edward Franklin Gates to the Methodist ministry in the Florida Conference. He served it in almost

every capacity, and always with honor, always with cheerfulness, always with the fidelity of a true pioneer circuit rider.

When but thirty years of age he was placed on a district that stretched from Micanopy to Key West. His home was the saddle, his wardrobe and library the saddle bag. His tent was the sky, his bed the pine-straw, his roads were trails with neither ford nor bridge. None but a man of God who had forsaken all to follow Christ could have been sufficient for these things.

And through all the years his wife, the bride of a few days who came to join the conference with him, and who was cast in the same heroic mold, shared with him his privations, his hardships, his tears and his triumphs; shared them and gloried in them. To them were born six children, five sons and one daughter, all of whom are with us to this day—one of them is an honored member of the Florida Conference, the others are successful business men and good citizens, standing for the same high things for which their father stood.

When at last, time came for Edward Franklin Gates to lay aside his active ministry, he settled down in the ancestral home in Manatee, the home his father, Josiah Gates, the pioneer of the Land of Manatee, had built on the plantation he had cleared from the virgin wilderness into which he was the first white man to venture as a settler. Here, in ripe old age, loved and honored by his neighbors, and adored by his children, Edward Franklin Gates and his beloved wife, Euphemia Hubbard Gates, sat in the mellow glow of a setting sun and waited for the angels to come.

On the morning of December 20th, 1922, while she slept, the chariot of Israel and the horsemen thereof came without sound of hoof or noise of wheel and bore her unawakened away to the heavenly land and the home of her faith and dreams. What a glad surprise it must have been when she opened her eyes in the Heavenly World! She was the first to go. Hitherto the family circle had been unbroken through the long years. It is easy to fancy that she would have liked to await the day when her husband too could "fly away and be at rest." But even so, the days of his loneliness were neither many nor long, while he awaited the day of his departure, which came on the wings of the early morning, July 26, 1923.

The long pilgrimage was ended. He had at last come to the city which hath foundation whose maker and builder is God. And of him it may fittingly be said:

"E'en as he trod that day to God  
So walked he from his birth—  
In simpleness and gentleness  
And honor and clean mirth,"

In the family burying ground in the cemetery in Manatee, along side his wife and his kin, we laid his feeble body away in hope of the general resurrection when the Son of God shall come and shall change these vile bodies of ours and fashion them like unto his own glorious body, according to the working of his might whereby he is able to subdue all things unto himself.

## IN MEMORY OF MRS. EUPHEMIA HUBBARD GATES

In the home of culture, surrounded with a comfortable share of this world's goods, and above all in value to a human soul, in the cradle of Methodism and the lap of piety, was born Euphemia Hubbard Gates. Born, as she was, with a love for the beautiful, a talent for music, a retentive memory, an open mind and an understanding heart, her life was a fine development of these high endowments. St. Marys Georgia, on the St. Marys River where she was born and St. Marys Academy where she was educated were just such surroundings as would bring into being the fine qualities displayed in her young life.

While in the bloom of womanhood she married a young Methodist preacher just from Emory College. Handsome and talented were both, and into the field of the Florida Ministry they went with the dews of morning upon their brows, and faith, hope and love filling and thrilling their souls; while in spirit and in voices remarkably tuned to the highest notes of song and eloquent speech, they started upon their life's journey of sixty-seven years of married life and Methodist Ministry. The state was made rich through their self renunciation as they became rich in the treasures of the Kingdom of God. Our Mother was as inspiring in the singing of the songs of Zion as her husband was gifted in pulpit eloquence, and if we had lost the last number of our hymnbook, she, from memory, could have produced essentially our hymnology in words and tunes.

Next to music, flowers were her delight. She knew their names and their nature, and how to nurse them to their most beautiful blooms. She was a reader of all best literature in the English language, and could have been numbered among the literary of the south.

But above all, and of far reaching significance, she was the mother of five sons and one daughter, all now living. As a mother she imparted to her children something of her gifts, and none of them have ever shamed the noble name she bequeathed to them. During her husband's long absence, while serving the Tampa and Gainesville Districts, she gathered them around the family altar, as a hen gathers her brood under her wings, and taught them the language of prayer, and dedicated one of her sons to the Methodist Ministry her works do follow her, and she being dead, yet speaketh.

Her son,

REV. E. J. GATES,  
P. E. Bartow District.

December 4th, 1923.

## BOARD OF FINANCE—REPORT No. 1

Report to the Annual Conference at Jacksonville, Florida, December, 1924. We, your Board of Finance, beg leave to report as follows:

We have made all payments of appropriations made to claimants at the last annual conference, all payments being made in advance quarterly or monthly. We beg leave to attach to this report the table requested to be printed in the minutes by the General Board of Finance, the complete data for same not being in our hands at the present time. This table to show the names and addresses of the claimants, their years of service, amounts paid each by the General and Local Boards and the totals.

With great regret we report that our beloved Brother R. M. Williams and our beloved Sisters M. H. Outland and J. D. Rodgers have passed to their reward. Brother Williams leaves a widow dependent upon the Board.

We respectfully call attention to the fact that through the generosity of our people we have been able the past year to pay very nearly 50 per cent more than the year before. The average amount paid the widows, by a curious coincident, is exactly the same as was paid the preachers the year before, \$257. The average amount paid the preachers this year was \$377.

The Board had an audit made of the books of the Conference Treasurer, which were found in good shape.

At the request of the General Board of Finance and in the belief that it will greatly help the work, we beg leave to submit the following resolution:

WHEREAS, The Board of Finance by authority of the General Conference did on February 1, 1924, project throughout the whole Church an organized movement known as the Special Effort for Superannuate Endowment, for the purpose of raising within five years a minimum of \$10,000,000 as an endowment to supplement the support of the superannuated preachers and the widows and orphans of deceased preachers, and

WHEREAS, The plan of the said Special Effort provides that all contributions by each Annual Conference to the cause, less the necessary pro rata expense, shall be credited 50 per cent to the General Superannuate Endowment Fund and 50 per cent to the Annual Conference Superannuate Endowment Fund in trust with the Board of Finance, and

WHEREAS, The plan of the said Special Effort depends solely for its success upon the service rendered by the bishops, presiding elders, pastors and lay members—all applying themselves to this task in their respective fields of labor, the same as they do in the regular program of the Church's annual activities in these fields, and

WHEREAS, The first year of the movement, under the plan stated, has demonstrated beyond doubt that the \$10,000,000 can certainly be secured within the appointed time, if the plan is diligently worked throughout the prescribed period; therefore, be it

*Resolved:* 1. That the Florida Annual Conference pledges renewed determination to raise in full measure its part of the \$10,000,000 being sought by the whole Church for Superannuate Endowment, and assures the Board of Finance that the plan of the Special Effort will be wrought out annually with the fixed purpose to secure not less than one-fifth of the total quota each year.

2. That this worthy cause shall be presented annually at every District Conference during the period of the Special Effort, and that the presiding elders are urged to give this matter such careful attention that these occasions may be used to give the greatest impetus to the movement, and

3. That we pledge ourselves to be governed by the decision of the General Conference Commission on Correlation of plans for the three financial movements now before the Church; and we shall hold in strict observance the period allotted the Superannuate Cause by the Committee, *March 15 to May 1 of each year*, as a definite time when the Charges will raise their yearly quotas for Superannuate Endowment. Furthermore, we recognize that the Board of Finance has fixed March 22 of 1925 as Superannuate Day, and we pledge that all of our Charges will seek to provide for their yearly quotas on that day, if possible, and certainly not later than May 1 following, and

4. That, having taken cognizance of the General Conference order to publish Statistical Table No. 4 concerning Superannuate Endowment in the Annual Conference Minutes, we instruct the Secretary of this Annual Conference to include this table in the Minutes of 1924 and each year of

the Special Effort period, according to official copy to be furnished by the Board of Finance within one week following the adjournment of the Annual Conference.

We call attention to the report of our publishing agents, Lamar and Barton. Through their splendid aggressive program and economical management they have greatly increased the profits of the business, and have paid to your Board, for distribution to the claimants, about twice the amount paid last year—\$1,570.28. By the adoption of this report we wish you to join us in thanking them for their good work.

We would be derelict in our duty if we did not give the conference this opportunity to thank our General Board of Finance for the magnificent piece of work they have done in behalf of "the Forgotten Man." And we wish particularly to express our appreciation to Dr. Luther E. Todd for the large part that he has had in this effort. Even a great cause will usually fail unless there is behind it some big-hearted leader that throws his whole life and soul into the cause and sacrifices himself completely to the cause. Dr. Todd has done that very thing and we feel that the success attained is in a large degree attributable to this fact.

In closing, your Board wants to thank the Bishop, the elders, the pastors and each layman that has put a shoulder to the wheel and helped to place the Florida Conference in the forefront in the great and needy work of taking care of our Conference Claimants, and to ask that you not only continue your efforts but that you, one and all, increase your zeal, to the end that the "thing that ought to be done shall be done" and that at next conference we will report 100 per cent for the first two years cash-in-hand.

## REPORT OF THE SUNDAY SCHOOL BOARD

The Sunday School Board is pleased to report a very successful year's work, the most successful along several lines in the history of the organized Sunday school work in the conference. As has been our custom, special emphasis has been placed upon our training work. As a result of the holding of eight Standard Training Schools, one Conference-wide School, Junior Schools, and the work of training classes and individual students more than nine hundred standard credits have been issued to our workers this year. This shows a very substantial increase over last year. The work of completing the district organizations according to our District Program of Work has made very encouraging progress. Through these and other agencies the Board is fulfilling its promise to the conference to carry a constructive Sunday school program to every school in the conference.

The Board has formulated and adopted the most forward-looking program for 1925 that has ever been presented to the conference. For the first time we have adopted a Conference Program of Work similar in its objectives and purpose to the District Program of Work previously adopted and of the Programs of Work promoted by our General Board for the local schools.

The Board has, by unanimous vote, re-elected Mr. F. M. Williamson as Conference Sunday School Superintendent. We bespeak for him the

sympathy, consideration and co-operation of the presiding elders, pastors and Sunday school workers.

Owing to the fact that the appropriation for Sunday school work was greatly reduced last year, your Board, notwithstanding the rigid economy that has been necessary this year, is facing the new year with a small deficit. Your Board, too, has been faced with the responsibility of providing a way through which the work of the various district organizations might be adequately financed. To meet this demand the Board has ordered that the entire proceeds of the Sunday School Day offerings be placed to the credit of the respective districts to meet the expenses of the volunteer workers of whom these organizations are composed, to carry on the training work, etc. In order that the Board may finance its conference work and at the same time meet its obligations to the various districts, we respectfully ask that the conference grant us an appropriation of \$10,000 subject to the action of the Budget Committee.

Respectfully submitted,

S. D. HARRIS, *Chairman*,

G. F. SCOTT, *Secretary*.

## REPORT OF SUNDAY SCHOOL BOARD

To the Members of the Florida Annual Conference.

Dear Fathers and Brethren:

It is with a keen sense of pleasure that this opportunity is given me for making my annual report of your Conference Sunday School Board for the year just closing.

The Sunday School Board has much to be thankful for, above all things that God has blessed our labors so abundantly and that so many persons, both children and adults, have been added to the Church and to the Kingdom of our Lord and Saviour Jesus Christ through the efforts of our faithful officers and teachers in the Sunday school.

The work of this year has not been without its difficulties, particularly is this the case in the beginning of the year. Sometimes it seemed that every door was closed and that the work would have to be entirely abandoned, but I sincerely believe that God has overruled these difficulties and has given to the Board vision, faith and hope.

I wish to extend my profound and sincere thanks to each member of the Board and the large majority of the presiding elders and pastors for their loyal support and co-operation which has made possible one of the best year's of our work that our Board has enjoyed since the organization of the field work.

Believing that the conference should be fully acquainted with every step taken by the Board and the Executive Committee this year, I wish to briefly outline what they have done:

After the adoption without opposition of the Sunday School Board's report by the Annual Conference at Bradenton on Saturday, which report carried the election of F. M. Williamson, as Conference Superintendent, and Miss Lola Lawler as assistant for the ensuing year, Mr. Williamson and Miss Lawler, by order of the Board, proceeded to Nashville, Tenn., to attend the annual Council of Conference Superintendents and Workers.

On Monday morning following the adoption of said report, the conference saw fit to greatly reduce the appropriation asked for by the Sunday School Board, thereby reducing the revenue of the Board to such an extent that it would be impossible to employ an assistant.

By this action of the conference the board was placed in a position such that the work had to be abandoned entirely or the present superintendent retained, owing to the fact that only a few hours of the conference remained and it was impossible to get the board together and reformulate the plans for the year or to secure a competent person as our Conference Superintendent of Sunday School Work.

By a previous resolution of the board, I proceeded at once to Nashville, Tenn., to attend the Conference Board Chairmen's section of the General Council. On reaching Nashville I acquainted Mr. Williamson and Miss Lawler with the action of the conference on Monday, whereupon both Mr. Williamson and Miss Lawler tendered me their resignations for their respective places.

Not believing that the conference intended to disrupt or destroy the work of the board for the ensuing year, and believing also that the conference acted without due thought and consideration of the matter, I held these resignations in abeyance until such time as the board could be called together and we could discuss the situation and arrive at the best thing to be done. Accordingly I issued a call for the entire board to meet in Lakeland, January 15, 1924. At this meeting there were ten members of the board present, Rev. I. C. Jenkins, member of the General Sunday School Board, and Rev. G. S. Roberts visiting.

After a thorough discussion of the situation from every angle, both in the light of the conference action and the needs of the work in the field, a resolution was adopted retaining Mr. Williamson as Conference Superintendent for the first half of the conference year. Time and space does not allow me to give all the reasons for this action. Suffice it to say that the board considered that it would be, first, a gross injustice to Mr. Williamson, and, secondly, the abandoning of the work for the year in view of the fact that we did not have a trained man available to take his place.

Miss Lawler was paid in full to this date with her expenses to Nashville, as previously agreed to, and she accepted the ruling of the board without further embarrassment to the board of claim against the conference.

At this meeting the Executive Committee was instructed by the board to look the field over and, if possible, to secure the services of a trained

man, provided such a person could be found, and was available on the expiration of Mr. Williamson's term.

At the regular quarterly meeting of the Executive Committee, March 4, 1924, with all members of the committee present, a thorough discussion of the conference superintendency was entered into by the entire committee. In view of the fact that it was impossible to secure a person that met with the requirements of the board for a Sunday School Superintendent of Conference Work and for the further fact that it required some one who was familiar with the program adopted by the board, especially in regard to the holding of the Conference-wide Training School as well as the various district schools, the committee felt that it was of the utmost importance that Mr. Williamson be retained for the remainder of the year.

This action was taken after a most careful study of the situation, and the committee believed that this was the only course to pursue if the Sunday school work was to be continued in anything like an efficient and constructive manner.

I wish to say most emphatically that this action was not taken in any manner as defying the action of the Annual Conference, but was done wholly in the belief that it was the desire of the conference that our Sunday school work should continue, and this was the only course left open to the board to effectively accomplish this end.

Mr. Williamson agreed to continue with the board if in their judgment he should do so. The results thus obtained fully justify the action, both of Mr. Williamson and of the committee.

The Executive Committee met at Lakeland, June 12, with the entire committee present, and in addition the following members of the board: Rev. J. O. Grogan, Brothers B. H. Gault, W. F. Cappleman and P. M. Boyd, also Rev. I. C. Jenkins, Rev. James A. Hendry, Rev. R. Ira Barnett, Rev. W. A. Cooper and Rev. L. D. Lowe as visitors. This meeting was held during the Summer Training School and the report of the Conference Superintendent and the treasurer was accepted. The program was adopted for the remainder of the year, which consisted largely of the training school work and the promotion of district organization.

Realizing the importance of the situation, the chairman called a meeting of the Conference Sunday School Board to meet in Lakeland, October 7. This meeting was called for the purpose of adopting a tentative program for the year 1925, for nominating a Conference Superintendent, to discuss the advisability of employing assistance to the Conference Superintendent, the financial plan to be adopted, and other matters of importance, all of which were to be submitted to the Conference Board at conference. This meeting was attended by twelve members of the board and Rev. W. C. Owen, Superintendent of Adult Work from the General Board, visiting. The chairman outlined the purpose of the meeting and after the usual reports had been submitted, the consideration of Conference Superintendent was taken up. The following names were

presented to the board for their consideration: F. M. Williamson, Rev. R. Ira Barnett and Rev. O. E. Rice. After a very careful and full consideration of all of these brethren and the reading of a letter from Brother Ira Barnett stating that he could not accept the place, the names of both Brother Barnett and Brother Rice were withdrawn by those presenting them, and on motion Mr. F. M. Williamson was unanimously employed for the Conference Superintendent of Sunday School Work for the conference year 1925. In making this selection the board had before it endorsements both written and oral from many sections of the conference, and after a most thorough and exhaustive discussion by the members present.

The program for next year suggested at this meeting is the most comprehensive and forward looking in all the history of our Sunday school work, and if approved by the conference will mean an intensive organization in every district, station and charge in our conference, providing as it does a thorough organization of the district through the presiding elders, the district Sunday school committees and their co-laborers. To this end it was recommended that all Sunday School Day offerings should be returned to the various districts coming up to the requirements of the Sunday School Board, which requirements are of easy attainment of every district, the holding of a Conference-wide Training School in Lakeland, one or more standard training schools in every district and the holding of junior training schools in every charge in the conference which desires one, and where as many as five or more students can be gotten together. In order to make this possible many of our pastors and laymen are preparing themselves to teach in these schools.

In this connection it is gratifying to note that more than nine hundred credits have been issued this year and of this number about seventy-five credits have been issued to our pastors. This is by far the largest number of credits that has ever been issued in this conference during any one year and shows how deeply interested our pastors and laymen are in the work of the Sunday school, and the program adopted by the General Board and our Conference Board.

In closing, may I humbly implore your prayers for the board, its officers and Sunday school superintendents. It is our most earnest desire to serve you and the church. We need your prayers and the leading of the Holy Spirit, that we may be guided in our efforts to advance His Kingdom and to glorify His holy name.

If the board has erred in judgment, we pray your forgiveness and patience, assuring you that we have done our duty as we saw it, in the fear of God, realizing at all times that we are your servants and are trying to discharge the responsibilities laid on us by you and the Church.

Your brother,

S. D. HARRIS, *Chairman.*

## REPORT OF EPWORTH LEAGUE BOARD

The past year has been one of continued progress, both in new chapters organized and in the training of the young life of our great Church. The League Assembly, held the past summer, was more largely attended than at any time in the history of our State League, and the work of the training classes contributed much to the young leadership of our churches. We recognize the fact that the Epworth League is the searching hand of our Zion for laborers in the Master's vineyard, and the school of inspiration and training which starts most of them to their greater service, ALL FOR CHRIST. Conversely, it is true that the Epworth League cannot meet with that success, demanded by the opportunities and responsibilities of the church of today and the future without the closest possible relationship and co-operation between the Epworth League and the ministry.

According to the Annual Conference statistics, last year there was a gain of 574 chapters and 7,488 members in the Epworth League. In thirty conferences there was a gain of 13,917 members and in seventeen conferences a loss of 6,489 members. The losses were almost wholly confined to mission fields. The fact is one argument for the supervision for which we hope to provide.

It is a gratifying evidence of growing appreciation that the church is now expending not less than \$100,000 a year upon her young people's work, against, in a connectional way, nothing previous to 1918.

As the Epworth League's Centenary pledge of \$380,000 for Africa, at home and abroad, has been fully paid, or will have been in a short time, the Board of Missions has committed to the Epworth League the following missionary specials:

Africa (maintenance of Congo missions).....	\$ 50,000.00
Paine College (maintenance) .....	15,000.00
Arizona Conference (Home Missions).....	11,000.00
Five Epworth League secretaryships in Japan.....	5,000.00
Scarritt College, Epworth League Chair of Religious Music....	4,000.00
Total .....	\$100,000.00

The circulation of the Epworth *Era* varies between 37,000 and 40,000. For the use of the Intermediate Epworth League there is published *The Intermediate Epworthian*, and for the Junior League, *The Junior Epworthian*. We urge the circulation of these periodicals.

This board gratefully acknowledges the splendid work accomplished by our field secretaries, Mrs. F. W. Twilly and Rev. Don A. Cooke, and commend the services of all district secretaries.

We urge upon the pastors the importance of their attendance upon the meetings of the League Councils and the League Assembly at Miami next June.

We appreciate the assessment of last year, and ask for a like sum of \$2,000 for the coming year.

Respectfully submitted,

W. J. CARPENTER, *Chairman*,  
J. E. HARTSFIELD, *Secretary*.

### BOARD OF EDUCATION REPORT No. 1

In this section of our report, your Board of Education will confine itself to our financial problems and to Southern College, withholding all recommendations, except such as bear upon financial matters, for report No. 2.

1. We have had before us the report of the President of Southern College, copies of which have been distributed throughout the conference. To this we call your prayerful attention. Our needs, the faculty, general progress of the institution and suggestions of the president are fully set forth therein. In justice to the president, we feel that we should commend his faithful work in building for us an institution of higher learning which gives promise of large development and increasingly large service to our church.

2. That the conference may have a permanent record, we include as a part of this report the Southern College balance sheet of July 1, 1924, the date of the annual audit:

This statement does not include the more than \$500,000 in subscriptions made during the Educational Campaign, as these subscriptions are handled by the Educational Secretary.

3. The Board of Trustees of Southern College at the conclusion of the Educational Campaign, felt that it was commissioned by the church to build a great college, and in pursuance of this commission, the board made contracts which have necessitated the outlays indicated in the balance sheet. The church now has at Lakeland, as a result of the faithful efforts of the board, a college plant wisely begun and easily capable of enlargement to where it will meet the needs of the church in Florida.

4. Your Board of Education, being charged with the responsibility of supervising the collection of the campaign pledges, again calls your attention to the amount pledged, namely, \$778,770, of which there was due on these pledges the sum of \$633,020 November 1, 1924. We have collected \$243,799, or approximately 30 per cent of the amount due. We, therefore, recommend that February 10 to March 22, 1925, be designated as the time for a "Clean-Up Campaign" and the ten days from March 11, 1925, to March 21, 1925, as "Pay-Up" days, with Sunday, March 15, 1925, as Education Day, urging upon our presiding elders and pastors to give this cause the right of way during the time designated.

5. We recommend that our assessment for educational purposes for the year 1925 be fixed at \$40,000, subject, of course, to the final decision of the conference upon the report of the Commission of Budget.

6. We have had before us and have carefully considered, jointly with the Board of Trustees of Southern College, the following resolution:

WHEREAS, Southern College is the owner in fee simple of the lands hereinafter described, subject only to certain outstanding bonded indebtedness thereon; and,

WHEREAS, The Trustees of Southern College deem it expedient to sell and dispose of said lands for the purpose of raising funds to be used in paying off and discharging certain outstanding indebtedness now due by said Southern College; and,

WHEREAS, The consent of the Florida Annual Conference is necessary before a sale of any part or portion of the real estate of Southern College can be effected by the Board of Trustees and a conveyance executed by the duly constituted officials of said corporation, which said consent has been requested by the said Board of Trustees; now, therefore, be it

*Resolved*, That the Board of Trustees of Southern College be and they are hereby authorized, directed and empowered to negotiate for and to sell that certain portion of the real estate now owned by Southern College at Lakeland, Polk County, Florida, particularly described as follows, to-wit:

Beginning at a point where the west line of the United States lot one (1) or fractional east half of southeast quarter of section nineteen (19), Township Twenty-eight (28), South, Range Twenty-four (24), East, intersects the north margin of Lake Hollingsworth, run thence in an easterly direction along margin of lake ten and thirty-hundredths (10.30) chains, thence north nineteen and eighty-nine hundredths (18.89) chains, thence west ten and thirty-hundredths (10.30) chains, thence south nineteen and eighty-nine hundredths (19.89) chains, to point of beginning, containing twenty (20) acres, more or less.

Said sale to be at such price and upon such terms and conditions as said trustees shall deem best, and the proceeds derived from the sale thereof shall be applied,

First—Towards the partial liquidation and payment of the outstanding bonded indebtedness now secured by trust deed on said properties in order to secure a release of said lands therefrom; and,

Second—To the payment and discharge of all unsecured outstanding claims against said college.

We recommend that the Florida Annual Conference give to the Board of Trustees of Southern College the authority requested in the foregoing resolution.

Respectfully submitted,

H. J. HAEFLINGER, *Secretary*.

L. W. DUVAL, *President*,

Jacksonville, Florida, December 6, 1924.

## BOARD OF EDUCATION REPORT No. 2

We have received the report of the committee appointed at the last Annual Conference "to secure buildings and equipment to be devoted to the religious welfare of the Methodist young people of the Florida State College for Women and the University of Florida," showing that good progress is being made. This committee has reached the point where incorporation is necessary. They have presented to us the proposed articles of incorporation for approval of the conference, and we recommend that the conference approve. The report and the articles of incorporation are as follows:

Jacksonville, Florida, December 4, 1924.

To the Florida Annual Conference of the Methodist Episcopal Church, South, in session in the City of Jacksonville, Florida.

Brethren:

Your committee appointed by the last Annual Conference to have charge of the movement to "secure buildings and equipment to be devoted to the religious and social welfare of the Methodist young people of the Florida State College for Women and the University of Florida," beg leave to report as follows:

We have been at work on this problem during the past year and have prepared the way for carrying out the wishes of the conference.

At Gainesville a suitable tract of land for the location of the plant has been secured. This is held at present by members of our church for this specific purpose.

At Tallahassee a location has been secured but a more satisfactory location has recently become available. This latter location will probably be fixed upon permanently.

The importance of this undertaking has strongly impressed your committee. There are at Tallahassee four hundred and seventeen Methodist young women and at Gainesville close to five hundred Methodist young men. This number will be greatly increased with each passing year. More than one-third of all students at these institutions from year to year belong to Methodist families. The church must go with them to college, watch over them while they are there, and train them to carry on the Master's work after they leave college.

At the meeting of this committee in Gainesville on October 7th, it was agreed that we have reached the point where it is necessary that articles of incorporation be secured, and that the Annual Conference be requested to authorize this incorporation not for profit auxiliary to the said Annual Conference.

In pursuance of this action, we are presenting the prepared articles of incorporation and ask that the conference authorize the formation of this corporation.

We are meeting with very ready encouragement, and after the charter has been secured, we confidently expect to be able to carry the wishes of the conference to a successful conclusion.

O. O. McCOLLUM, *President*,

J. B. GAME, *Secretary*.

## BOARD OF MISSIONS REPORT No. 1

## CENTENARY

We present to the conference the plan of future dealing with respect to this most important matter, and the grave crisis which our church faces.

From reports of our Centenary Commission we learn there are some \$16,000,000 of unpaid Centenary pledges. When adjustments included in the present plan have been made, there should still be at least \$9,000,000 available for our great missionary enterprises. The collection of these pledges is, therefore, of the greatest importance. Our General Board of Missions faces a grave situation: either collection of these pledges must be speedily made, or the recall of missionaries and the cancelling of building and other projects is inevitable.

The Committee of Reference has set apart the period of January 15

to March 15 next, when this condition shall be presented to our churches. This movement is to be designated the "Carry-On Campaign." Its objectives are, First, to secure payment of all unpaid balances on Centenary subscriptions; second, to call the attention of the church to the necessity of carrying-on our great missionary program. In this endeavor we have promised us the hearty support and co-operation of the Woman's Missionary Society, through its Promotion Department, also that of the Board of Lay Activities.

The payments by districts during the past year are as follows:

Bartow .....	\$ 3,922.85
Gainesville .....	1,827.72
Jacksonville .....	2,515.59
Miami .....	3,474.50
Ocala .....	2,593.65
Orlando .....	1,788.55
Palatka .....	784.05
Tallahassee .....	1,520.20
Tampa .....	6,134.30
Latin .....	125.00
Total .....	\$24,686.48

The amount we received from the Centenary 10 per cent is over \$4,000 less than last year. If the above plan is successfully carried out, this loss will be somewhat relieved by increased receipts in April and October, 1925.

The slogan adopted for this campaign is, "YOU SAID YOU WOULD."

## REPORT ON CHURCHES PAID CENTENARY IN FULL

IRA S. PATTERSON, *Centenary Field Secretary.*

## CONFERENCE MISSIONS

We commenced the year with some sixty-eight mission charges, and have made certain emergency appropriations that were called for during the year. Our plan is the raising the standard of salaries of men on mission charges, bringing that of married men, members of the conference, to the sum of \$1,200, and of unmarried men, members of the conference, to the sum of \$800.

A number of missions have reached self-support this year, but others are taking their places, and the great need for help continues.

## CONFERENCE MISSIONARY SECRETARY

We recommend the appointment of Rev. Ira S. Patterson, D.D., as Conference Missionary Secretary and Centenary Field Secretary for our conference. Under this arrangement the Centenary Commission bears two-thirds of the salary and expenses, the conference board one-third.

Respectfully submitted,

C. E. GUTTERIDGE, *Secretary.*

A. H. COLE, *Chairman,*

## BOARD OF MISSIONS REPORT No. 2

## EVANGELISTIC POLICY

We are convinced of the wisdom of having the presiding elder at the head of this work in his district, and we are appropriating for each district a sum equal to 10 per cent of the missionary appropriation for that district, same to be used in the carrying on of evangelistic work in mission territory. This work is to be financed in a similar manner to last year, with the condition that all monies collected at the meeting shall be used to defray expenses and pay the evangelist.

The board undertakes, for meetings of not less than one nor more than two weeks' duration, to supplement the amount so raised so as to guarantee \$40 per week.

The Committee on Evangelism of the board will receive quarterly reports from the evangelist and will inform the conference of the result of these labors by publishing a digest of them in the Florida Christian Advocate.

We recommend that you endorse as evangelists Revs. W. W. Kent, P. K. Rowell, H. L. Ezell, A. D. Buck, J. I. Whitworth, S. A. McCook, W. M. McLeod, John B. Culpepper and F. P. McCall; and that you approve the application to the General Committee on Evangelism for appointment as general evangelists Revs. John B. Culpepper, Sr., and F. P. McCall.

We still believe that our presiding elders and pastors can do yeoman service for evangelism in mission charges in contiguous territory, and urge that each hold themselves responsible so to do.

## FINANCIAL STATEMENT

*Receipts:*

From Assessments, Phifer State Bank.....	\$30,627.99
From Centenary 10 per cent.....	2,822.89
From District Specials.....	403.00

Refund Centenary 10%, to Reserve Fund.....	705.72
Balance Cash in Bank.....	4,460.40—\$37,903.88

Your board has a working capital of \$19,235.64, less the loan made to our general fund of \$4,000.

After accounting for investments we find a shortage of the year's receipts from Centenary 10% and conference collections, as compared with the receipts from the same sources in 1923, of \$8,344.40.

Notwithstanding this fact, your board finds it impossible to reduce appropriations below the figures contained herein without serious detriment to the work of the church. You will note that we have saved in the item of expense of Conference Missionary Secretary, and have been compelled to discontinue our appropriation for the Summer School.

This leaves a prospect of an additional shortage of \$4,000 at the end of the coming year unless at least \$65,000 is collected on the Centenary. Believing that this will be done, your board has made the following appropriations for 1925, with the understanding that if it is not done the appropriations will have to be paid in proportion to the collection of conference claims and Centenary pledges. This will demand a minimum collection on account of assessments of 70% on every charge in the conference.

*Resolved.* That the Board of Missions is hereby authorized to raise a special for their work to the amount of \$10,000 per year to be added to the assignment of the General Board Special.

Respectfully submitted,

A. H. COLE, *Chairman,*  
C. E. GUTTERIDGE, *Secretary.*

## REPORT OF CONFERENCE BOARD OF CHURCH EXTENSION

Your board is very glad to note increased requests for aid coming from practically every section of the state. This is an indication of the fact that our great Methodism is making gratifying progress. Our funds are not sufficient to grant loans and donations in full. We call attention to the heartening fact that requests from the Miami District are very few, the reason being the organization and functioning of the "Miami District Board of Church Extension and Missions."

The General Board also faces the difficulty of much larger requests for air than it is possible to grant.

We call your attention to the General Board rule concerning buildings for which aid is sought: "The secretary shall require the plans of all churches to which grants of donations or loans are made to be submitted to the Department of Architecture of the Board of Church Extension for approval. Should the plans be unsatisfactory it is made his duty to suspend the payment of the grant until the plans are changed to conform to the suggestion of the Department of Architecture. A reasonable charge shall be deducted from the grant for the service rendered by this department."

The assessment for the General Board for 1925 is \$4,530. The assessment for the Conference Board is \$6,000. For the J. C. Ley Loan Fund is \$900.

Grants made on applications at this meeting of the Conference Board are as follows:

## BOARD OF TEMPERANCE AND SOCIAL SERVICE

We, your Board of Temperance and Social Service, recommend the appointment of Rev. C. W. Crooke as Superintendent of the Anti-Saloon League of Florida for the year 1925.

We call attention to the fact that our church has a Social Creed—Paragraph No. 533, page No. 251, of the Discipline—and we urge our preachers to acquaint our people with the same.

Second—We call attention to the work being done by the Committee on Temperance and Social Service of our church, and the findings of the Junaluska meeting, and we heartily endorse the same.

Third—We rejoice at the fine work being done in social service by our Woman's Missionary Society, and other organizations, and we urge our young people to make a careful study of this field and strengthen their programs for the relief of those in want, realizing that this subject was close to the heart of the Christ. Remember His words when He said: "In as much as ye did it unto one of the least of these, ye did it unto me."

Fourth—We urge our Legislature to pass the following law:

## HOLY BIBLE TO BE READ IN THE PUBLIC SCHOOLS

"That at least ten verses from the Holy Bible shall be read, or caused to be read, without comment, at the opening of each and every public school, upon each and every school day by the teacher in charge; provided, that where any teacher has other teachers under and subject to direction, then the teacher exercising this authority shall read the Holy Bible, or cause it to be read, as herein directed.

"That if any teacher, whose duty it shall be to read the Holy Bible, or cause it to be read, as directed in this Act, shall fail or omit so to do, said teacher, upon charges preferred for such failure or omission, and proof of the same, before the governing board of the school district, be discharged."

Fifth—We note here the determined effort to legalize prizefighting, race track and other forms of gambling. We strongly condemn this effort and urge that existing laws be enforced.

Sixth—We endorse the child welfare work of the state, and especially the Children's Code Commission.

Seventh—We consider the corrupt motion picture as the most fruitful source of immorality and crime in our land today—many of the pictures are not only evil but obscene. They are blasting at the foundation of the social order of the church and the home.

Eighth—We favor the out-lawing of war. War is now the legal and organized method of settling differences between nations and has its rules and code. We wish to substitute for the code of war some code of law;

we care not by what name this law may be called. Blessing upon any one who in any way can help to staunch this open and bleeding world wound of war.

Ninth—We endorse the old moral and social standards of our fathers, realizing there can be no manners without morals.

Tenth—With pleasure we reaffirm our faith in the work of the W. C. T. U. and give that organization our hearty endorsement.

Eleventh—We rejoice in the accomplishments of the Anti-Saloon League under the leadership of Dr. C. W. Crooke, superintendent, and heartily endorse the thorough-going law enforcement program of the Anti-Saloon League for the coming year and the educational and total abstinence campaign during the first ten days of January, 1925, and closing with the Fifth Anniversary Rally on Anti-Saloon League Day, January 11, 1925—commemorating the adoption of the Eighteenth Amendment; and we urge our presiding elders, pastors, superintendents and people to assist the Anti-Saloon League by every available method in putting over this law enforcement and total abstinence program.

Last—*Resolved*, that we condemn and protest against individuals in positions of high trust and honor who use intoxicating liquors, and in any case lend their influence to the violation of the prohibition laws; and

We memorialize the legislature to pass a law making it obligatory upon the governor to suspend any judge, prosecuting attorney, or sheriff who is known to become intoxicated.

Recognizing the goodness of God in directing the work in this field, and thanking Him for the progress made, we submit this report.

Respectfully submitted,

W. A. MYRES, *Chairman*,

E. WATT SMITH, *Secretary*.

## HOSPITAL BOARD REPORT

Your Hospital Board wishes to make the following report for this conference year: Looking forward to the great program of the General Hospital Board, we, as a local conference board, are striving under some difficulties to carry on the work committed to our hands. The work of organizing the Golden Cross Societies has been our main object this year, but we hope now to launch out into larger fields of labor, and accomplish greater things the coming year.

We have only three Golden Cross Societies in the conference: Winter Garden charge, Orlando District, Rev. H. C. Hardin, pastor; enrollment 15, amount collected \$15. The Kingston charge, Palatka District, Rev. M. L. Smith, pastor; enrollment 15, amount collected \$15. Cedar Keys charge, Gainesville District, Rev. L. E. Wright, pastor; enrollment 75, amount collected \$43.

We regret that there is such a small per cent of the charges that have organized Golden Cross Societies.

We urge the pastors to take this matter upon their hearts and give the Golden Cross a chance at once.

We have before us the report of the General Hospital Board, and it is very interesting to learn through this report how rapidly the work is advancing in other sections of the country.

In this great state of Florida that is growing so rapidly and therefore opening up the field for a great Methodist hospital in some medical center, we therefore pray the brethren of this great conference to make the desires of our hearts a reality—a Golden Cross Society in every charge—we urge the pastors of every charge to organize a Golden Cross Society at once.

In as much as it is impossible to carry on the work of the Hospital Board without some expenses, we therefore request you to authorize the Commission on Finance to allow an assessment of \$200 for the expense of the board.

Your Hospital Board believes the time has come for this conference to give some concrete expression to the ministry of healing. Among the growing cities, schools, churches and other institutions of Florida there should be a Methodist hospital. Once planted, it would be morally sure to grow to great proportions, but if never planted it will never grow.

More non-Methodist and non-Christian money would be gathered about a hospital, especially in this state, than would come to any other institution of the church. It takes a college four years to make an alumnus, but a hospital can make a convalescent in four weeks. Men and women restored to health will bless society and befriend their mother of healing. The command of our Master is clear and the call of human need is compelling.

In other states not so rich as Florida our people are building hospitals and in several states splendid institutions already in operation are being offered to our church, recognizing that the church provides an ideal overhead for a hospital. It ought not to be hard to find a suitable community in Florida which would be able and willing to make it possible for the church to begin a Christian hospital on a worthy scale.

We believe that a strong commission should be appointed at this session to consider this question, and working in co-operation with your Hospital Board bring this widespread sentiment to such issue as will be worthy of our state, of our church and of our Christ. We therefore nominate the following Hospital Commission, to serve during the coming year and report back to this body at the next session. We nominate the following persons for this commission: J. D. Sibert, L. E. Wright, S. D. Harris, H. H. Dixon, J. A. Dan, L. P. McCord, Major W. R. Thomas, W. P. Franklin, Col. S. J. Hilburn.

Respectfully submitted,

J. D. SIBERT, *President,*

L. E. WRIGHT, *Secretary.*

## BOARD OF LAY ACTIVITIES

Your Conference Board of Lay Activities begs leave to report as follows:

The past year has been one of progress in forwarding the plans for emphasizing level columns of finance, stewardship and evangelism. Our organization is being extended along practical lines, both in the number of men reached and in the development of work and workers.

We have adopted the following goals for the coming year:

1. An earnest effort to bring payment on all assessments, general and conference, to 100 per cent.
2. A concerted church-wide movement for stewardship cultivation and an appeal to all our members for loyalty to every pledge they have made to the church.
3. A persistent, faithful effort to bring about a true revival of religion to the extent that the laity of the church will engage in personal evangelism and all become witnesses for Jesus Christ.
4. An honest effort to organize the Wesley Brotherhood in every church.
5. The use of lay speakers to supply vacant pulpits and let the slogan be, "A service in every community every Sunday."

We shall work to place the Methodist Layman in the hands of 100 or more laymen in each district of the conference as a further means of educating our men in the problems and work of the church.

We are fully appreciative of the assistance and co-operation of presiding elders and pastors in forwarding our work and bespeak their cordial sympathy and support in the coming year.

We nominate L. P. McCord of Jacksonville for Conference Lay Leader.

Respectfully submitted,

R. H. WESTER,  
F. J. G. PULSIPHER,  
L. F. VAUGHT.

## THE BIBLE BOARD

The Bible Board of the Florida Conference in annual session assembled at the First Methodist Church hereby submit the following report and recommendations:

Remembering that in the Holy Bible alone all of the unsearchable truth which our great church teaches and for which it stands is found, and being further reminded that to a large part of our membership it is a sadly neglected book, we would again urge upon our people the necessity for its wide distribution and its careful reading and study. We believe that our churches would do well to distribute copies of the Bible among

our membership who may have neglected the study of its truths. We would urge further that we should not stop at that, but continue our efforts until our people shall have opened its pages and fed upon its unsearchable truth. We would again remind our people that in this book may be found the answer to all our problems and we urge its frequent reading with open mind and with receptive hearts.

We would further recommend that this conference urge upon the presiding elders that they call this matter to the attention of our quarterly conferences throughout the year, laying emphasis upon this as one of the really worthy causes demanding the support of our church.

Respectfully submitted,

J. W. JACKSON, *Chairman*,

A. T. TURNER, *Secretary*.

#### TRUSTEES OF THE FLORIDA CHRISTIAN ADVOCATE

We submit the following:

There being a contract with the Methodist Publishing Company that does not expire until December 31, 1925, we, therefore, recommend that the same arrangement be maintained for 1925 which now obtains.

We recommend the following as trustees of the Florida Christian Advocate: A. C. McCall for re-election, A. W. McLaren and G. W. Rosenberry in place of L. D. Lowe (resigned).

Respectfully submitted,

A. C. McCALL, *Chairman*,

HOLMES LOGAN, *Secretary*.

The Florida Conference owns a valuable property in the orphanage. Twenty-eight acres of campus, farm and garden lands and orange groves, a large part of it under cultivation and free from debt.

Upon this property there are the following buildings in good repair: Executive building, reception rooms, dining rooms, kitchen and girls' dormitory under one roof.

One boys' dormitory, two-story brick, nearly new, lower floor used as an assembly room, office room and private bedroom; second floor—sleeping apartments, baths, etc.

One little children's dormitory, one-story, newly built, with commodious rooms and sleeping apartments.

One frame cottage for use of assistant, practically new.

One light station, giving electric light to the entire place.

One pumping station providing good water all over the grounds and buildings.

The personal property consists of four pianos, one job printing press, one Ford jitney, general furnishings, etc., ten cows, six calves, one horse, one hog, 150 chickens, farming implements, etc.

Total number of children now in the home (boys 49, girls 38).....	87

Attending distant schools.....	3
Number securing positions.....	9
Returned to relatives.....	9
Attending the county schools.....	79
In high school 5, junior high school 7, music pupils 50, musicians in band 18.	

The moral and physical condition of the children is good, although there were 45 cases of measles and 35 cases of whooping cough last summer. There has been no serious sickness, owing to care and to a great extent the location of the home.

The management under the supervision of Superintendent Dr. J. R. Cason, Assistant Superintendent Mrs. Maude Lovell, First Matron Mrs. Hinson and assistants, has reflected great credit, for which there can be no monetary compensation.

It is to them a labor of love and privilege, which no report can adequately record. And this part of the report should not be passed without reference to the considerate attention given at all times of the treasurer, Mr. Calvin Brinkley.

Mrs. J. Lawton Moon, promoter and treasurer of Orphanage Work Day, did a most wonderful work in securing the sum of \$10,648.12—the greatest work fund ever raised for our orphanage, which was applied toward liquidating indebtedness and other needed improvements.

It is gratifying that our people are beginning to realize the importance of this great benevolent work in Florida. There have been many serious impediments to progress, but it appears much brighter and more promising, for which your trustees are duly thankful.

The board respectfully desires to make the following recommendations:

(1) That Rev. Smith Hardin be appointed superintendent and agent of the orphanage.

(2) That the pastors receive him in their churches to plead for the orphanage and co-operate with him in the work.

(3) That each fifth Sunday be observed as Orphanage Day in the church and Sunday school and collections be taken for the work.

(4) That Mrs. J. Lawton Moon be elected trustee in place of Bro. H. B. Carter, deceased.

Respectfully submitted,

J. R. CASON, *President*,

C. E. HOWARD, *Secretary*.

### PREACHERS' RELIEF FUND

We acquired during the year a splendid additional superannuate home at Umatilla, Florida. This home is thoroughly furnished throughout and is conservatively valued at \$7,000.

Owing to the superannuation of Rev. A. M. Mann, our former president, he resigned from membership on the board. We wish to express our appreciation of the many years of faithful service rendered by Brother Mann.

We nominate in his place Rev. C. W. White, who was also chosen as president. Mr. J. W. Cummings, of Bradenton, is nominated in place of H. E. Carlton.

## COMMITTEE ON SABBATH OBSERVANCE

Your committee begs leave to report: The Sabbath is an institution ordained of God; God commanded man to keep it inviolate; God rested on the Sabbath Day; therefore all men are under the utmost binding obligation to keep it holy for a sacred memorial to God's work.

The observance of the Sabbath is not left to preference, discretion or caprice; it is absolutely essential to the perfect integrity and completion of the divine, holy, and just administration of God's Eternal Kingdom. Therefore, be it

*Resolved*, By the Florida Annual Conference that we are convinced and declare the constant and gross desecration of this sacred and moral institution is inherently wicked, obnoxious to God, and to His righteous law, and is contrary to the ethics of the teaching of Jesus Christ, and is subversive of all true religious and civil government in a Christian country. We condemn ordinary business for gain on God's Holy day; we deplore public bathing resorts on beach and lake and pool where people forget the sanctity of the day.

*Resolved*, second, that our preachers be urged to preach at least twice during the ensuing year on the subject of Sabbath observance, and that all our people be encouraged to set their faces like flint against the awful impact of false teachings and false religions both among ourselves and from distant nations of the world.

Respectfully submitted,

W. K. PINER, *Chairman*,

S. N. BURNS, *Secretary*.

## RESOLUTIONS

---

### I. THANKS

*Resolved*, That this conference express its hearty thanks

(1) To the Methodist churches, presiding elder and pastors of Jacksonville for their generous hospitality in entertaining us during this session of the conference;

(2) To the secretaries for the faithful performance of their arduous tasks;

(3) To the newspapers of Jacksonville for their co-operation in giving publicity to our work;

(4) To the H. & W. B. Drew Company for the fine stationery used by the members of the conference;

(5) To the Rev. Arthur Moore for the splendid sermons which he delivered during the conference;

(6) To all others who have contributed to our comfort, especially to the ladies who have served us such bountiful dinners.

W. A. COOPER,

W. J. CARPENTER.

### II. REGARDING MONUMENTS

WHEREAS, Our attention has been called to the fact that the graves of Dr. Josephus Anderson at Leesburg, and John C. Ley at Micanopy, are not marked with a suitable monument; therefore, be it

*Resolved*, That we take free-will offering at this conference to secure at least \$100 for that purpose.

*Resolved*, second, that Brothers J. H. Daniels and J. S. Brook be appointed a committee to receive the money, purchase the monument, and have it properly placed.

T. J. NIXON,

L. D. LOWE,

H. A. SPENCER.

### III. CONFERENCE CLAIMANTS SPECIAL

WHEREAS, The conference feels itself unable to increase the regular assessment for the Board of Finance without also increasing the asking of the other boards; and,

WHEREAS, The conference by placing a number of our pastors on the

---

superannuate list has increased the necessity of the Board of Finance for at least \$3,000 more asking than it had in 1924; therefore,

*Resolved*, That the conference give to the Board of Finance the privilege of raising in the districts and churches of the conference a special of not more than \$3,000 during the year 1925.

W. F. DUNKLE,

C. FRED BLACKBURN.

MEMOIRS

## SAMUEL W. LAWLER

Brother Lawler came to Florida from Alabama; was converted at the Adamsville Church in Sumter County, Florida; entered the Florida Conference, January, 1891; and after a service of over thirty years, entered into rest during the year 1924.

His service to the church was markedly earnest and conspicuously efficient, whether as circuit preacher, city pastor, presiding elder, college agent, or educational director. He was a student, a preacher, a courteous gentleman, and a genial, lovable man, yet a character of deep convictions and unflinching courage. One who knew him well and was long most intimately associated with him says of him: "I cannot recall a single instance in his life of low ideal or selfish personal consideration. For his faith and his family he was the soul of generosity, and towards the poor a liberal benefactor; while in his work for the church to whose service he gave his life, he never counted the cost." So we sincerely and tenderly lay this tribute to his life and worth on his grave and trust to meet him in the "Land of the Unclouded Day."

H. E. PARTRIDGE.

## REV. ROBERT M. WILLIAMS

Robert M. Williams was born in Alexandria, Virginia, in 1852. He was converted in early life, and while in young manhood was admitted on trial into the Baltimore Conference of the M. E. Church, South, in 1874, where he served in the pastorate for some years. During this period he was married to Miss Mollie Middleton, and after her death was transferred to the South Georgia Conference. For a brief period he located, but was re-admitted into the Florida Conference in 1882, and from that time served continuously and faithfully, until at the last conference, he was placed on the retired list. In 1885 he was married to Miss Lula L. Joiner, who was his faithful companion and helpmate to the end. Brother Williams was a quiet, retiring man, earnest in his life and labors, and had the fire of the gospel in his preaching.

He was respected and loved by those among whom he labored, and left his mark for good on the charges where he served.

A lovable, faithful, earnest man, he has after a long life of service gone to his reward, passing out on May 21, 1924.

H. E. PARTRIDGE.

## MRS. S. HARDIN

Nora Remington Hardin was born in Wyoming County, Pennsylvania, September 27, 1863, and died in the parsonage at Bradenton, May 10, 1924.

Some time in the '90s she came with her father and mother to Florida, and from that time made this state her home. She identified herself earnestly with the church work in Bartow, where she was respected and

esteemed by all who knew her, and recognized as an earnest worker in the church.

In 1901 she was married to Rev. Smith Hardin of the Florida Conference, and thenceforward worked most loyally and earnestly in serving the church in the large field of the life of a preacher's wife. Her practical common sense, her kindly spirit, her devotion to her church, her loyalty to duty, and her tender and thoughtful ministrations to her husband and only son, and her deeds of kindness to everybody, wrote her name in ineffaceable letters wherever she went. Failing health for years weakened her physical powers, but never her faith nor faithfulness.

She knew her days were numbered. As the final illness came on, she calmly made preparations to die, as years before she had for the life after death. She feared no evil, for the "rod and staff of the Good Shepherd" brought with them comfort and assurance to her heart.

With closing eyes, the tired life of our sister ebbed away and the flood-tide of the eternal life took her out from us into the haven of rest, where in Jesus she is saved evermore.

H. E. PARTRIDGE.

#### MRS. H. E. PARTRIDGE

Sarah Neilson Partridge was born in Barnwell, South Carolina, September 14, 1852, and died at Jacksonville, Florida, September 8, 1924. She came with her widowed mother, Mrs. J. H. Neilson, to Monticello, Florida, in 1868. There she was converted and joined the Methodist church in the fall of 1871, in a meeting conducted by the pastor, Rev. U. S. Bird, who was assisted by the young Wofford graduate, with whose life she later linked her own. She was married October 29, 1873, to Henry Edward Partridge, then in his second year in the Florida Conference. Thus began a life of Christian service and happy wedlock, which was to last through more than a half hundred years.

Mrs. Partridge was an attractive woman, beautiful in form and feature, whose personal characteristics added charm to her life. She was a devoted wife and mother and friend, and was a sincere lover of her Lord. She was full of good cheer, and even in the midst of suffering she retained the spirit and hopefulness of youth. She had a long illness, and finally underwent a severe operation, from which she could not recover. This good woman was the mother of eight children, five daughters and three sons, all of whom were present at the passing of their mother. Mrs. Ethel B. Hudson, Miss Frances H. Partridge, Henry E. Partridge, Jr., Mrs. Grace P. Hartridge, Mrs. Mortimer Johnson, Mrs. Mary Louise Starbuck, Paul W. and John N. Partridge. There are also twenty-six grandchildren and a great-grandchild.

The pastors of our Methodist churches in Jacksonville acted as an escort and as pallbearers from the residence to the depot. The body was laid to rest in the family burying ground at Monticello, near that of her good mother.

Better than my own words are those of her devoted and bereaved companion, which I now quote: "Her conviction was deep, her commit-

ment full, and her conversion definite. Later in life she sought and obtained the experience of perfect love. Never did she falter or shirk or complain of the requirements or difficulties of the work. Nor did she seek better places. She was uniformly cheerful, patiently toilsome in the interests of her home, and, as far as possible, of her church, and devotedly unselfish to those around her. She poured the wealth of her love and strength of her pure life into that itinerant's home, and her husband and eight children rise up to call her blessed. Her prime characteristics were sincerity, cheerfulness and faithfulness to obligations. She was not afraid to die, although the attack that took her from us was too sharp and full of pain to allow her to think much of going. Her life was, and still is, her best testimony. At St. Luke's Hospital, in the early morning of Monday, September 8, 1924, she slipped away from us to be forever with the Lord, and—please God—to await the coming of every one of her loved ones.”

J. F. BELL.

#### MRS. P. L. REDFEARN

Nell Corley Redfearn was born in Alabama, April 2, 1900, and when a child removed with her parents to Sale City, Georgia, where she lived until her marriage to Rev. Paul L. Redfearn, July 14, 1923.

She was converted and joined the church when seven years old. From that time until her death she was busy working for the Master.

In the Epworth League she found an attractive medium for her work, and she was especially fond of work with the Juniors. It was a delight to her to teach the little ones about the Master and to lead them to his arms.

She was with her preacher-husband at their first conference at Bradenton, and her bright face in the early morning prayer meeting shone with the light that was within. It seemed that a useful and beautiful life was before her in the itinerant life, but it was ordered otherwise. Stricken with fever in February, she lingered for weeks, waiting and trusting, and on May 3, 1924, heard the call of the Father above to the mansions above, and in her soul trustingly answered, "I hear thy welcome voice that calls me, Lord, to thee," as her beautiful young life passed out into the life beyond, "Safe in the arms of Jesus."

H. E. PARTRIDGE.

#### MRS. G. P. HENDRY

Sallie Lou Hendry (nee Pittman) was born February 8, 1889, near Sumner, Georgia. In early childhood she accepted Christ as her Savior and united with the Methodist Church under the ministry of Rev. W. H. Budd.

On August 29, 1909, she was united in marriage to Rev. G. P. Hendry, then a member of the South Georgia Conference. For fifteen years she traveled with her husband along life's pilgrim way as a true wife of an

itinerant Methodist preacher in the South Georgia and Florida conferences, with the exception of four years, during which time he had taken a location. This union was blessed with nine children, three of whom preceded her to the glory world.

Her daily life was a testimony of her love and devotion to her Lord. As the wife of an itinerant Methodist preacher serving in the hardest and most difficult fields, she was never known to complain of any hardship and necessary sacrifice that would honor and glorify God through her. She has left to us a beautiful example in life.

As a wife she was true and devoted, as a mother loving and kind, as a Christian endeavoring to emulate her Lord and obey His will.

It was on the evening of June 25, 1924, that her earthly pilgrimage ended after an extended illness of typhoid fever and other complications and her spirit took its flight to God who gave it. In Campground cemetery, near Morven, Georgia, we committed her body to the ground where all that is mortal of her shall return to dust, but we look forward to the general resurrection when all the saints of earth shall hear His voice and come forth to make up His bride. While husband and children and others have sustained a great loss in her going, yet Heaven is made richer and nearer.

JAS. A. HENDRY.

*Note*—The editor of the minutes regrets that copies of memoirs for Mrs. J. D. Rogers, Mrs. C. W. Cotton and Mrs. M. H. Outland were not furnished him. He will be glad to print them in the minutes of next year, that the records may be complete.
